The Law Offices of Michael Komorn

THE MICHIGAN LEGAL ADVISOR

A Letter From Michael Komorn

As always there is so much important material to highlight and share with those who are interested in all of our favorite topics: Medical Cannabis, Cannabis reform, United States Citizens Constitutional Protections, The Art of Lawyering and Trial Practice, and Industrial Hemp Research and Development. In this issue, we review the month of April 2015, which was exciting, and we hope you enjoy some of the highlights. [read more](#)

Legal Tips of the Month

This month's legal tips will help you if you ever find yourself in a jam with police and/or law enforcement.

Make sure to follow these tips and it could save you time and money.

“Call your lawyer and request his/her presence when encountered by law enforcement.
