Executive Summary	2
Background	2
Required Information	3

Executive Summary:

The Michigan Medical Marihuana Act, Initiated Law 1 of 2008, Section 6 (i) [MCL 333.26426 (i) (1), (2), (3), (4) and (5)] states: The department shall submit to the legislature an annual report that does not disclose any identifying information about qualifying patients, primary caregivers, or physicians, but does contain, at a minimum, all of the following information:

- (1) The number of applications filed for registry identification cards.*
- (2) The number of qualifying patients and primary caregivers approved in each county.*
- (3) The nature of the debilitating medical conditions of the qualifying patients.*
- (4) The number of registry identification cards revoked.*
- (5) The number of physicians providing written certifications for qualifying patients.*

Accordingly, this report has been prepared and issued electronically to the House and Senate appropriations subcommittees, House and Senate Fiscal Agencies, and the state budget director to meet the December 4th reporting requirement. In addition, this report may also be found online under the following locations:

- The Health Professions section of the Bureau of Health Care Services website at: www.michigan.gov/bhcs.
- The All About LARA section - Legislative Reports of the Department of Licensing and Regulatory Affairs website at: www.michigan.gov/lara.

Background:

The Michigan Medical Marihuana Program (MMMP) is a state registry program within the Health Professions Licensing Division in the Bureau of Health Care Services at the Michigan Department of Licensing and Regulatory Affairs. The program administers the Michigan Medical Marihuana Act as approved by Michigan voters on November 4, 2008. The program implements the statutory tenets of this act in such a manner that protects the public and assures the confidentiality of its participants.

Specifically, the information provided is based on data from October 1, 2012 through September 30, 2013.

Required Information:

(1) The number of applications filed for registry identification cards.

For Fiscal Year 2013, there were a total of 133,890 applications filed for medical marijuana registry identification cards.

(2) The number of qualifying patients and primary caregivers approved in each county.

The total number of patients and caregivers by county is listed below:

County	Patients	Caregivers
