DISTRICT COURT DECISIONS

People v. Barber, Case No. 14-00098-SM, March 4, 2014 (Ingham County)

Issue: Whether Michigan Compiled Law 750.574, (Improper Transportation of Marihuana), is unconstitutional?

Holding: The Court held that "So Public Act 460 of 2012 is inconsistent as it limits transportation, a right granted by the Medical Marihuana Act, to certain criteria.

Therefore, it's inconsistent with the act pursuant to Section 7 of the act. The act wins, because it handles all of medical marihuana, the act being the Medical Marihuana Act."
