LABORATORY REPORT
Supplemental Report

Laboratory No. : [REDACTED] Record No. : 2
Delivered By : First Class Mail Date Received : December 2, 2019
Agency : Alma Police Department Time Received : 9:00 a.m.
525 East Superior File Class : 5400-2
Alma, MI 48801 Date Completed : January 7, 2020
Incident Number : [REDACTED]

Subject:

[REDACTED]

Evidence Received:

Container #1 1 - Sealed Michigan State Police Specimen kit containing:
Item #1 1 - 10 mL grey top tube with approx. 6 mL blood
Item #2 1 - 10 mL grey top tube with approx. 5 mL blood

Results of Analysis:

Item #1:

Detected (quantified):

THC 6 ng/mL
THC-COOH 57 ng/mL

The submitted specimen(s) were screened for MSP Tier I substances. Preliminary drug screening performed by LCMSMS.

Confirmatory analysis performed by GCMS and/or LCMSMS.

Other toxicology reports associated with this evidence may be pending.
Please contact this laboratory for information regarding additional examinations or if further testing is required.

Instrumental output and data, library match for spectra data, calibrator and control data are case specific and may not be applicable in every case.

This report contains the conclusions, opinions and/or interpretations of the laboratory analyst whose signature appears on this report. This analyst is qualified by education, training, and experience to perform this analysis and does so as part of his or her regular duties. The analysis was conducted in an MSP laboratory accredited under the ANAB International testing program since February 16, 2017.

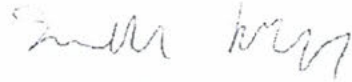

The relevant supporting data upon which the expert opinion or inference was made are available for review/inspection.

IMPORTANT: *The specimen(s) will be held for 2 years after date received and then be discarded.*
