

INITIATED CONSTITUTIONAL AMENDMENT PETITION

WE, THE UNDERSIGNED qualified voters of the state of South Dakota, petition that the following section or sections and article or articles of the South Dakota Constitution be amended and that this proposal be submitted to the voters of the state of South Dakota at the general election on November 3, 2020 for their approval or rejection.

Title: An amendment to the South Dakota Constitution to legalize, regulate, and tax marijuana; and to require the Legislature to pass laws regarding hemp as well as laws ensuring access to marijuana for medical use.

Attorney General Explanation:

This constitutional amendment legalizes the possession, use, transport, and distribution of marijuana and marijuana paraphernalia by people age 21 and older. Individuals may possess or distribute one ounce or less of marijuana. Marijuana plants and marijuana produced from those plants may also be possessed under certain conditions.

The amendment authorizes the State Department of Revenue ("Department") to issue marijuana-related licenses for commercial cultivators and manufacturers, testing facilities, wholesalers, and retailers. Local governments may regulate or ban the establishment of licensees within their jurisdictions.

The Department must enact rules to implement and enforce this amendment. The amendment requires the Legislature to pass laws regarding medical use of marijuana. The amendment does not legalize hemp; it requires the Legislature to pass laws regulating the cultivation, processing, and sale of hemp.

The amendment imposes a 15% tax on marijuana sales. The tax revenue will be used for the Department's costs incurred in implementing this amendment, with remaining revenue equally divided between the support of public schools and the State general fund.

Judicial clarification of the amendment may be necessary. The amendment legalizes some substances that are considered felony controlled substances under current State law. Marijuana remains illegal under Federal law.

- (2) Limit the number of licenses issued, if necessary, to prevent an undue concentration of licenses in any one municipality.

§ 9. Actions and conduct by a licensee, a licensee's employee, and a licensee's agent, as permitted pursuant to a license issued by the department, or by those who allow property to be used by a licensee, a licensee's employee, or a licensee's agent, as permitted pursuant to a license issued by the department, are not unlawful and shall not be an offense under state law, or the laws of any local government within the state, or be subject to a civil fine, penalty, or sanction, or be a basis for detention, search, or arrest, or to deny any right or privilege, or to seize or forfeit assets under state law, or the laws of any local government within the state. No contract is unenforceable on the basis that marijuana is prohibited by federal law. A holder of a professional or occupational license is not subject to professional discipline for providing advice or services related to marijuana licensees or applications on the basis that marijuana is prohibited by federal law.

§10. A local government may enact ordinances or regulations governing the time, place, manner, and number of licensees operating within its jurisdiction. A local government may ban the establishment of licensees or any category of licensee within its jurisdiction. A local government may not prohibit the transportation of marijuana through its jurisdiction on public roads by any person licensed to do so by the department or as otherwise allowed by this article.

§11. An excise tax of fifteen percent is imposed upon the gross receipts of all sales of marijuana sold by a person licensed by the department pursuant to this article to a consumer. The Legislature

may adjust this rate after November 3, 2024. The department shall by rule establish a procedure for the collection of this tax and shall collect the tax. The revenue collected under this section shall be appropriated to the department to cover costs incurred by the department in carrying out its duties under this article. Fifty percent of the remaining revenue shall be appropriated by the Legislature for the support of South Dakota public schools and the remainder shall be deposited into the state general fund.

Any person aggrieved by a decision of the department is entitled to appeal the decision in accordance with chapter 1-26 of the South Dakota Codified Laws.
