upon forms provided by the director of the department of state police and shall be signed by the licensing authority. Three copies of the license shall be delivered to the applicant by the licensing authority. A license is void unless used within 30 days after the date it is issued.

(5) If an individual purchases or otherwise acquires a pistol, the seller shall fill out the license forms describing the pistol, together with the date of sale or acquisition, and sign his or her name in ink indicating that the pistol was sold to or otherwise acquired by the purchaser. The purchaser shall also sign his or her name in ink indicating the purchase or other acquisition of the pistol from the seller. The seller may retain a copy of the license as a record of the transaction. The purchaser shall receive 2 copies of the license. The purchaser shall return 1 copy of the license to the licensing authority within 10 days after the date the pistol is purchased or acquired. The return of the copy to the licensing authority may be made in person or may be made by first-class mail or certified mail sent within the 10-day period to the proper address of the licensing authority. If a purchaser is found responsible for a state civil infraction under this subsection, the court shall notify the department of state police of that determination.

(6) Within 10 days after receiving the license copy returned under subsection (5), the licensing authority shall electronically enter the information into the pistol entry database as required by the department of state police if it has the ability to electronically enter that information. If the licensing authority does not have that ability, the licensing authority shall provide that information to the department of state police in a manner otherwise required by the department of state police. Any licensing authority that provided pistol descriptions to the department of state police under former section 9 of this act shall continue to provide pistol descriptions to the department of state police under this subsection. Within 48 hours after entering or otherwise providing the information on the license copy returned under subsection (5) to the department of state police, the licensing authority shall forward the copy of the license to the department of state police. The purchaser has the right to obtain a copy of the information placed in the pistol entry database under this subsection to verify the accuracy of that information. The licensing authority may charge a fee not to exceed \$1.00 for the cost of providing the copy. The licensee may carry, use, possess, and transport the pistol for 30 days beginning on the date of purchase or acquisition only while he or she is in possession of his or her copy of the license. However, the person is not required to have the license in his or her possession while carrying, using, possessing, or transporting the pistol after this period.

(7) This section does not apply to the purchase of pistols from wholesalers by dealers regularly engaged in the business of selling pistols at retail, or to the sale, barter, or exchange of pistols kept as relics or curios not made for modern ammunition or permanently deactivated.

(8) This section does not prevent the transfer of ownership of pistols to an heir or devisee, whether by testamentary bequest or by the laws of intestacy regardless of whether the pistol is registered with this state. An individual who has inherited a pistol shall obtain a license as required in this section within 30 days of taking physical possession of the pistol. The license may be signed by a next of kin of the decedent or the person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, including when the next of kin is the individual inheriting the pistol. If the heir or devisee is not qualified for a license under this section, the heir or devisee may direct the next of kin or person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, to dispose of the pistol in any manner that is lawful and the heir or devisee considers appropriate. The person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, is not required to obtain a license under this section if he or she takes temporary lawful possession of the pistol in the process of disposing of the pistol pursuant to the decedent's testamentary bequest or the laws of intestacy. A law enforcement agency may not seize or confiscate a pistol being transferred by testamentary bequest or the laws of intestacy unless the heir or devisee does not qualify for obtaining a license under this section and the next of kin or person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, is unable to retain his or her temporary possession of the pistol or find alternative lawful storage. If a law enforcement agency seizes or confiscates a pistol under this subsection, the heir or devisee who is not qualified to obtain a license under this section retains ownership interest in the pistol and, within 30 days of being notified of the seizure or confiscation, may file with a court of competent jurisdiction to direct the law enforcement agency to lawfully transfer or otherwise dispose of the pistol. A pistol seized under this subsection shall not be destroyed, sold, or used while in possession of the seizing entity or its agents until 30 days have passed since the heir or devisee has been notified of the seizure and no legal action regarding the lawful possession or ownership of the seized pistol has been filed in any court and is pending. As used in this subsection:

(a) "Devisee" means that term as defined in section 1103 of the estates and protected individuals code, 1998 PA 386, MCL 700.1103.

(b) "Heir" means that term as defined in section 1104 of the estates and protected individuals code, 1998 PA 386, MCL 700.1104.

(9) An individual who is not a resident of this state is not required to obtain a license under this section if all of the following conditions apply:

(a) The individual is licensed in his or her state of residence to purchase, carry, or transport a pistol.

(b) The individual is in possession of the license described in subdivision (a).

(c) The individual is the owner of the pistol he or she possesses, carries, or transports.

(d) The individual possesses the pistol for a lawful purpose.

(e) The individual is in this state for a period of 180 days or less and does not intend to establish residency in this state.

(10) An individual who is a nonresident of this state shall present the license described in subsection (9)(a) upon the demand of a police officer. An individual who violates this subsection is guilty of a misdemeanor punishable by imprisonment for not more than 90 days or a fine of not more than \$100.00, or both.

FIREARMS LAWS OF MICHIGAN

(11) The licensing authority may require a person claiming active duty status with the United States armed forces to provide proof of 1 or both of the following:

- (a) The person's home of record.
- (b) Permanent active duty assignment in this state.

(b) Issuing licenses to carry a concealed pistol.

(c) Issuing notices of statutory disqualification, notices of suspensions, and notices of revocations.

(3) The department of state police shall verify under section 5b(6) whether an applicant for a license to carry a concealed pistol is eligible to receive a license to carry a concealed pistol.

(4) A county clerk shall issue an emergency license to carry a concealed pistol to an individual if the individual has obtained a personal protection order issued under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, or to that individual if a county sheriff determines that there is clear and convincing evidence to believe the safety of the individual or the safety of a member of the individual's family or household is endangered by the individual's inability to immediately obtain a license to carry a concealed pistol. Clear and convincing evidence includes, but is not limited to, an application for a personal protection order, police reports and other law enforcement records, or written, audio, or visual evidence of threats to the individual or member of the individual's family or household. The county clerk shall include an indication on the license if an individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o if the applicant provides acceptable proof that he or she qualifies for that exemption. An individual shall not obtain more than 1 emergency license in any 5-year period. For purposes of this act, information of the court order or conviction must not be removed from the law enforcement information network, but may be moved to a separate file intended for the use of the department of state police, the courts, and other government entities as necessary and exclusively to determine eligibility to be licensed under this act.

An individual who has had classifiable fingerprints taken under section 5a(4) does not need additional fingerprints taken under this subsection. If the individual requests that classifiable fingerprints be taken by the county clerk, department of state police, county sheriff, a local police agency, or other entity, the individual shall also pay a fee of \$15.00 by any method of payment accepted for payments of other fees and penalties. A county clerk shall deposit any fee it accepts under this subsection in the concealed pistol licensing fund of that county created in section 5x. FIREARMS LAWS OF MICHIGAN

(c) The amount paid.

(d) The name of the entity providing the fingerprint services.

(e) The individual's state-issued driver license or personal identification card number.

(f) The statement "This receipt was issued for the purpose of applying for a concealed pistol license. As provided in section 5b of 1927 PA 372, MCL 28.425b, if a license or notice of statutory disqualification is not issued within 45 days after the date this receipt was issued, this receipt shall serve as a concealed pistol license for the individual named in the receipt when carried with an official state-issued driver license or personal identification card. The receipt is valid as a license until a license or notice of statutory disqualification is issued by the county clerk. This receipt does not exempt the individual named in the receipt from complying with all applicable laws for the purchase of firearms."

(10) The fingerprints must be taken, under subsection (9), in a manner prescribed by the department of state police. The county clerk, county sheriff, local police agency, or other entity shall immediately forward the fingerprints taken by that entity to the department of state police for comparison with fingerprints already on file with the department of state police. The department of state police shall immediately forward the fingerprints to the Federal Bureau of Investigation. Within 5 business days after completing the verification under subsection (6), the department shall send the county clerk a list of an individual's statutory disqualifications under this act. Except as provided in section 5a(4), the county clerk shall not issue a concealed pistol license until he or she receives the report of statutory disqualifications prescribed in this subsection. If an individual's fingerprints are not classifiable, the department of state police shall, at no charge, take the individual's fingerprints again or provide for the comparisons under this subsection to be conducted through alternative means. The county clerk shall not issue a notice of statutory disqualification because an individual's fingerprints are not classifiable by the Federal Bureau of Investigation.

(11) The county clerk shall send by first-class mail a notice of statutory disqualification for a license under this act to an individual if the individual is not qualified under subsection (7) to receive that license.

(12) A license to carry a concealed pistol that is issued based upon an application that contains a material false statement is void from the date the license is issued.

(13) Subject to subsection (10), the department of state police shall complete the verification required under subsection (6) and the county clerk shall issue a license or a notice of statutory disqualification within 45 days after the date the individual has classifiable fingerprints taken under subsection (9). The county clerk shall include an indication on the license if an individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o if the applicant provides acceptable proof that he or she qualifies for that exemption. If the county clerk receives notice from a county sheriff or chief law enforcement officer that a licensee is no longer a member of a sheriff's posse, an auxiliary officer, or a reserve officer, the county clerk shall notify the licensee that he or she shall surrender the concealed pistol license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o. The licensee shall, within 30 days after receiving notice from the county clerk, surrender the license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o and obtain a replacement license after paying the fee required under subsection (15). If the county clerk issues a notice of statutory disqualification, the county clerk shall within 5 business days do all of the following:

(a) Inform the individual in writing of the reasons for the denial or disqualification. Information under this subdivision shall include all of the following:

(i) A statement of each statutory disqualification identified.

(ii) The source of the record for each statutory disqualification identified.

(iii) The contact information for the source of the record for each statutory disqualification identified.

(c) Inform the individual that he or she should contact the source of the record for any statutory disqualification to correct any errors in the record resulting in the statutory disqualification.

(14) If a license or notice of statutory disqualification is not issued under subsection (13) within 45 days after the date the individual has classifiable fingerprints taken under subsection (9), the receipt issued under subsection (9) serves as a concealed pistol license for purposes of this act when carried with a state-issued driver license or personal identification card and is valid until a license or notice of statutory disqualification is issued by the county clerk.

(15) If an individual licensed under this act to carry a concealed pistol moves to a different county within this state, his or her license remains valid until it expires or is otherwise suspended or revoked under this act. An individual may notify a county clerk that he or she has moved to a different address within this state for the purpose of receiving the notice under section 5/(1). A license to carry a concealed pistol that is lost, stolen, defaced, or replaced for any other reason may be replaced by the issuing county clerk for a replacement fee of \$10.00. A county clerk shall deposit a replacement fee under this subsection in the concealed pistol licensing fund of that county created in section 5x.

(16) If a license issued under this act is suspended or revoked, the license is forfeited and the individual shall return the license to the county clerk forthwith by mail or in person. The county clerk shall retain a suspended or revoked license as an official record 1 year after the expiration of the license, unless the license is reinstated or a new license is issued. The county clerk shall notify the department of state police if a license is suspended or revoked. The department of state police shall enter that suspension or revocation into the law enforcement information network. An individual who fails to return a license

The county clerk shall deposit any fee collected under this subsection in the concealed pistol licensing fund of that county created in section 5x.

(18) This section does not prohibit the county clerk from making public and distributing to the public at no cost lists of individuals who are certified as qualified instructors as prescribed under section 5j.

(19) A county clerk issuing an initial license or renewal license under this act shall mail the license to the licensee by first-class mail in a sealed envelope. Upon payment of the fee under subsection (15), a county clerk shall issue a replacement license in person at the time of application for a replacement license. A county clerk may also deliver a replacement license by first-class mail if the individual submits to the clerk a written request and a copy of the individual's state-issued driver license or personal identification card.

(20) A county clerk, county sheriff, county prosecuting attorney, police department, or the department of state police is not liable for civil damages as a result of issuing a license under this act to an individual who later commits a crime or a negligent act.

(21) An individual licensed under this act to carry a concealed pistol may voluntarily surrender that license without explanation. A county clerk shall retain a surrendered license as an official record for 1 year after the license is surrendered. If an individual voluntarily surrenders a license under this subsection, the county clerk shall notify the department of state police. 28.428 Suspension, revocation, or reinstatement of license; notice; surrender of license; order or amended order; entry into law enforcement information network; effect of suspension or revocation order; failure to receive notice.

Sec. 8. (1) The county clerk in the county in which a license was issued to an individual to carry a concealed pistol shall suspend, revoke, or reinstate a license as required under this act if ordered by a court or if the county clerk is notified by a law enforcement agency, prosecuting official, or court of a change in the licensee's eligibility to carry a concealed pistol under this act.

FIREARMS LAWS OF MICHIGAN

(2) If a county clerk is notified by a law enforcement agency, prosecuting official, or court that an individual licensed to carry a concealed pistol is charged with a felony or charged with a misdemeanor listed in section 5b(7)(h) or (i), the county clerk shall immediately suspend the individual's license until there is a final disposition of the charge for that offense. The county clerk shall send notice by first-class mail in a sealed envelope of that suspension to the individual's last known address as indicated in the records of the county clerk. The notice must include the statutory reason for the suspension, the source of the record supporting that suspension, the length of the suspension, and whom to contact for reinstating the license on expiration of the suspension, correcting errors in the record, or appealing the suspension. If a county clerk suspended a license under this subsection and the individual is acquitted of the charge or the charge is dismissed, the individual shall notify the county clerk who shall automatically reinstate the license if the license is not expired and the individual is otherwise qualified to receive a license to carry a concealed pistol, as verified by the department of state police. A county clerk shall not charge a fee for the reinstatement of a license under this subsection.

(3) The department of state police shall notify the county clerk in the county in which a license was issued to an individual to carry a concealed pistol if the department of state police determines that there has been a change in the individual's eligibility under this act to receive a license to carry a concealed pistol. The county clerk shall suspend, revoke, or reinstate the license as required under this act and immediately send notice of the suspension, revocation, or reinstatement under this subsection by first-class mail in a sealed envelope to the individual's last known address as indicated on the records of the county clerk. The notice must include the statutory reason for the suspension, revocation, or reinstatement, the source of the record supporting the suspension, revocation, or reinstatement, the length of the suspension or revocation, and whom to contact for correcting errors in the record, appealing the suspension or revocation, and reapplying for that individual's license. The department of state police shall immediately enter that suspension, revocation, or reinstatement into the law enforcement information network.

(4) If a suspension is imposed under this section, the suspension must be for a period stated in years, months, or days, or until the final disposition of the charge, and state the date the suspension will end, if applicable. The licensee shall promptly surrender his or her license to the county clerk after being notified that his or her license has been revoked or suspended. An individual who fails to surrender a license as required under this subsection after he or she was notified that his or her license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(5) Except as otherwise provided in subsections (2) and (6), if a license is suspended under this section and that license was surrendered by the licensee, upon expiration of the suspension period, the applicant may apply for a renewal license in the same manner as provided under section 5l. The county clerk or department of state police, as applicable, shall issue the applicant a receipt for his or her application at the time the application is submitted. The receipt must contain all of the following:

- (a) The name of the applicant.
 - (b) The date and time the receipt is issued.
 - (c) The amount paid.
 - (d) The applicant's state-issued driver license or personal identification card number.
 - (e) The statement, "This receipt was issued for the purpose of applying for a renewal of a concealed pistol license following a period of suspension or revocation. This receipt does not authorize an individual to carry a concealed pistol in this state."
 - (f) The name of the county in which the receipt is issued, if applicable.
 - (g) An impression of the county seal, if applicable.
- (6) If a license is suspended because of an order under section 5b(7)(d)(iii) and that license was surrendered by the licensee, upon expiration of the order and notification to the county clerk, the county clerk shall automatically reinstate the license if the license is not expired and the department of state police has completed the verification required under section 5b(6). The county clerk shall not charge a fee for the reinstatement of a license under this subsection.

(7) If the court orders a county clerk to suspend, revoke, or reinstate a license under this section or amends a suspension, revocation, or reinstatement order, the county clerk shall immediately notify the department of state police in a manner prescribed by the department of state police. The department of state police shall enter the order or amended order into the law enforcement information network.

(8) A suspension or revocation order or amended order issued under this section is immediately effective. However, an individual is not criminally liable for violating the order or amended order unless he or she has received notice of the order or amended order.

(9) If an individual is carrying a pistol in violation of a suspension or revocation order or amended order issued under this section but has not previously received notice of the order or amended order, the individual must be informed of the order or amended order and be given an opportunity to properly store the pistol or otherwise comply with the order or amended order before an arrest is made for carrying the pistol in violation of this act.

(10) If a law enforcement agency or officer notifies an individual of a suspension or revocation order or amended order issued under this section who has not previously received notice of the order or amended order, the law enforcement agency or officer shall enter a statement into the law enforcement information network that the individual has received notice of the order or amended order under this section.

(b) Manage land under its control to support and promote hunting and fishing opportunities to the extent authorized by law.

(c) Manage land under its control to prevent any net decrease in the acreage of such land that is open to hunting.

(3) Subsection (2) does not apply to commercial forestland as defined in section 51101.

This subdivision does not apply to an order that does not alter the substance of a lawful provision that exists in the form of a statute, rule, regulation, or order at the time the order is prepared.

FIREARMS LAWS OF MICHIGAN

(2) A person authorized to sell hunting licenses shall not issue a hunting license to an individual born after January 1, 1960, unless the individual presents proof of previous hunting experience in the form of a hunting license issued by this state, another state, a province of Canada, or another country or presents a certification of completion of training in hunter safety issued to the individual by this state, another state, a province of Canada, or another country. If an applicant for a hunting license does not have proof of such a previous license or a certification of completion of training in hunter safety, a person authorized to sell hunting licenses may issue a hunting license if the applicant submits a signed affidavit stating that the applicant has completed a course in hunter safety or that the applicant possessed such a hunting license previously. The person selling a hunting license shall record as specified by the department the form of proof of the previous hunting experience or certification of completion of hunter safety training presented by the applicant. This subsection does not apply to the issuance of an apprentice license. An apprentice license or the equivalent does not satisfy the requirements of this subsection concerning proof of previous hunting experience.

(3) An individual who does not meet the requirements of subsection (2) may obtain an apprentice license for the same price as the corresponding regular license that the individual would otherwise be qualified to obtain. An individual 17 years old or older shall not hunt game under an apprentice license unless another individual at least 21 years old who possesses a license, other than an apprentice license, to hunt that game accompanies that apprentice licensee and does not accompany more than 1 other apprentice licensee. For the purposes of this subsection and section 43517(1)(b), an individual shall not go along with more than 2 apprentice licensees of any age for the purpose of accompanying those apprentice licensees while those apprentice licensees are hunting. If an individual has represented to an apprentice licensee or, if the apprentice licensee is a minor child, to the apprentice licensee's parent or legal guardian that the individual would accompany the apprentice licensee for the purposes of this subsection, the individual shall not go along with the apprentice licensee while the apprentice licensee is hunting unless the individual actually accompanies the apprentice licensee and possesses a license, other than an apprentice license, to hunt the same game as the apprentice licensee. An individual is not eligible to obtain a specific type of apprentice license, such as a deer license, a base license, or a turkey license, for more than 2 license years. An apprentice license must be distinguished from a license other than an apprentice license by a notation or other means.

(4) Only a minor who is less than 10 years old may obtain a mentored youth hunting license. A minor who is less than 10 years old shall not hunt game under a mentored youth hunting license unless that minor complies with all requirements of the mentored youth hunting program established by the commission under section 43517.

- (c) An elk hunting license under section 43529.

(7) An individual hunting with a license purchased under subsection (6) must comply with all requirements of the mentored youth hunting program established by the commission under section 43517.

(8) By September 1, 2015 and every 4 years after that date, the department shall submit a report to the standing committees of the senate and house of representatives with primary responsibility for conservation and outdoor recreation issues evaluating whether the fee revenue received by the department from mentored youth hunting licenses under subsection (5) is adequate to administer the mentored youth hunting program.

CHAPTER 4 RECREATION

SUBCHAPTER 1 RECREATION

PART 731 RECREATIONAL TRESPASS

324.73102 Entering or remaining on property of another; consent; exceptions.

Sec. 73102. (1) Except as provided in subsection (4), a person shall not enter or remain upon the property of another person, other than farm property or a wooded area connected to farm property, to engage in any recreational activity or trapping on that property without the consent of the owner or his or her lessee or agent, if either of the following circumstances exists:

(a) The property is fenced or enclosed and is maintained in such a manner as to exclude intruders.

(b) The property is posted in a conspicuous manner against entry. The minimum letter height on the posting signs shall be 1 inch. Each posting sign shall be not less than 50 square inches, and the signs shall be spaced to enable a person to observe not less than 1 sign at any point of entry upon the property.

(2) Except as provided in subsection (4), a person shall not enter or remain upon farm property or a wooded area connected to farm property for any recreational activity or trapping without the consent of the owner or his or her lessee or agent, whether or not the farm property or wooded area connected to farm property is fenced, enclosed, or posted.

(3) On fenced or posted property or farm property, a fisherman wading or floating a navigable public stream may, without written or oral consent, enter upon property within the clearly defined banks of the stream or, without damaging farm products, walk a route as closely proximate to the clearly defined bank as possible when necessary to avoid a natural or artificial hazard or obstruction, including, but not limited to, a dam, deep hole, or a fence or other exercise of ownership by the riparian owner.

(4) A person other than a person possessing a firearm may, unless previously prohibited in writing or orally by the property owner or his or her lessee or agent, enter on foot upon the property of another person for the sole purpose of retrieving a hunting dog. The person shall not remain on the property beyond the reasonable time necessary to retrieve the dog. In an action under section 73109 or 73110, the burden of showing that the property owner or his or her lessee or agent previously prohibited entry under this subsection is on the plaintiff or prosecuting attorney, respectively.

(5) Consent to enter or remain upon the property of another person pursuant to this section may be given orally or in writing. The consent may establish conditions for entering or remaining upon that property. Unless prohibited in the written consent, a written consent may be amended or revoked orally. If the owner or his or her lessee or agent requires all persons entering or remaining upon the property to have written consent, the presence of the person on the property without written consent is prima facie evidence of unlawful entry.

SUBCHAPTER 6 MOTORIZED RECREATIONAL VEHICLES PART 811 OFF-ROAD RECREATION VEHICLES

324.81133 Operation of ORV; prohibited acts; crash helmet and protective eyewear required; exception; assumption of risk.

Sec. 81133. (1) An individual shall not operate an ORV:

(a) At a rate of speed greater than is reasonable and proper, or in a careless manner, having due regard for conditions then existing.

(b) During the hours of 1/2 hour after sunset to 1/2 hour before sunrise without displaying a lighted headlight and lighted taillight. The requirements of this subdivision are in addition to any applicable requirements of section 81131(12).

(c) Unless the vehicle is equipped with a braking system that may be operated by hand or foot, capable of producing deceleration at 14 feet per second on level ground at a speed of 20 miles per hour; a brake light, brighter than the taillight, visible from behind the vehicle when the brake is activated, if the vehicle is operated during the hours of 1/2 hour after sunset and 1/2 hour before sunrise; and a throttle so designed that when the pressure used to advance the throttle is removed, the engine speed will immediately and automatically return to idle.

(d) In a state game area or state park or recreation area, except on roads, trails, or areas designated for this purpose, notwithstanding section 72118; on other state-owned lands under the control of the department where the operation would be in violation of rules promulgated by the department; in a forest nursery or planting area; on public lands posted or reasonably identifiable as an area of forest reproduction, and when growing stock may be damaged; in a dedicated natural area of the department; or in any area in such a manner as to create an erosive condition, or to injure, damage, or destroy trees or growing crops. However, the department may permit an owner and guests of the owner to use an ORV within the boundaries of a state forest in order to access the owner's property.

(e) On the frozen surface of public waters within 100 feet of an individual not in or upon a vehicle, or within 100 feet of a fishing shanty or shelter or an area that is cleared of snow for skating purposes, except at the minimum speed required to maintain controlled forward movement of the vehicle, or as may be authorized by permit in special events.

(f) Unless the vehicle is equipped with a spark arrester type United States Forest Service approved muffler, in good working order and in constant operation. Exhaust noise emission shall not exceed 86 Db(A) or 82 Db(A) on a vehicle manufactured after January 1, 1986, when the vehicle is under full throttle, traveling in second gear, and measured 50 feet at right angles from the vehicle path with a sound level meter that meets the requirement of ANSI S1.4 1983, using procedure and ancillary equipment therein described; or 99 Db(A) or 94 Db(A) on a vehicle manufactured after January 1, 1986, or that level comparable to the current sound level as provided for by the United States Environmental Protection Agency when tested according to the provisions of the current SAE J1287, June 86 test procedure for exhaust levels of stationary motorcycles, using sound level meters and ancillary equipment therein described. A vehicle subject to this part, manufactured or assembled after December 31, 1972 and used, sold, or offered for sale in this state, shall conform to the noise emission levels established by the United States Environmental Protection Agency under the noise control act of 1972, 42 USC 4901 to 4918.

(g) Within 100 feet of a dwelling at a speed greater than the minimum required to maintain controlled forward movement of the vehicle, except under any of the following circumstances:

(i) On property owned by or under the operator's control or on which the operator is an invited guest.

(ii) On a forest road or forest trail if the forest road or forest trail is maintained by or under the jurisdiction of the department.

(iii) On a street, county road, or highway on which ORV use is authorized under section 81131(2), (3), (5), or (6).

(h) In or upon the lands of another without the written consent of the owner, the owner's agent, or a lessee, when required by part 731. The operator of the vehicle is liable for damage to private property caused by operation of the vehicle, including, but not limited to, damage to trees, shrubs, or growing crops, injury to other living creatures, or erosive or other ecological damage. The owner of the private property may recover from the individual responsible nominal damages of not less than the amount of damage or injury. Failure to post private property or fence or otherwise enclose in a manner to exclude intruders or of the private property owner or other authorized person to personally communicate against trespass does not imply consent to ORV use.

(i) In an area on which public hunting is permitted during the regular November firearm deer season, from 7 a.m. to 11 a.m. and from 2 p.m. to 5 p.m., except as follows:

(i) During an emergency.

An individual holding a valid permit to hunt from a standing vehicle issued under part 401, or a person with a disability using an ORV to access public lands for purposes of hunting or fishing, may display a flag, the color of which the department shall determine, to identify himself or herself as a person with a disability or an individual holding a permit to hunt from a standing vehicle under part 401.
- (j) Except as otherwise provided in section 40111, while transporting on the vehicle a bow unless unstrung or encased, or a firearm unless unloaded and securely encased, or equipped with and made inoperative by a manufactured keylocked trigger housing mechanism.
- (k) On or across a cemetery or burial ground, or land used as an airport.

 - (ii) If the vehicle does not have a trunk or compartment separate from the passenger compartment, the container is encased or enclosed.
- (s) While transporting any passenger in or upon an ORV unless the manufacturing standards for the vehicle make provisions for transporting passengers.
- (t) On adjacent private land, in an area zoned residential, within 300 feet of a dwelling at a speed greater than the minimum required to maintain controlled forward movement of the vehicle except under any of the following circumstances:
 - (i) On a forest road or forest trail if the forest road or forest trail is maintained by or under the jurisdiction of the department.
 - (ii) On a street, county road, or highway on which ORV use is authorized under section 81131(2), (3), (5), or (6).
 - (u) On a forest trail if the ORV is greater than 50 inches in width.
- (2) An individual who is operating or is a passenger on an ORV shall wear a crash helmet and protective eyewear that are approved by the United States Department of Transportation. This subsection does not apply to any of the following:
 - (a) An individual who owns the property on which the ORV is operating, is a family member of the owner and resides at that property, or is an invited guest of an individual who owns the property. An exception under this subdivision does not apply to any of the following:

 - (c) An ORV operated on a state-licensed game bird hunting preserve at a speed of not greater than 10 miles per hour.
 - (d) An ORV operated for the purpose of towing a fishing shanty or supply shed over the frozen surface of public waters at the minimum speed required to maintain controlled forward movement of the vehicle or while traveling to and from a fishing shanty at a speed of not greater than 10 miles per hour. An owner of private property is not liable for personal injuries, including death, to an individual who operates an ORV as described in this subdivision without wearing a helmet while traveling on the owner's property.
- (3) Each person who participates in the sport of ORV riding accepts the risks associated with that sport insofar as the dangers are inherent. Those risks include, but are not limited to, injuries to persons or property that can result from variations in

terrain; defects in traffic lanes; surface or subsurface snow or ice conditions; bare spots; rocks, trees, and other forms of natural growth or debris; and collisions with fill material, decks, bridges, signs, fences, trail maintenance equipment, or other ORVs. Those risks do not include injuries to persons or property that result from the use of an ORV by another person in a careless or negligent manner likely to endanger person or property. When an ORV is operated in the vicinity of a railroad right-of-way, each person who participates in the sport of ORV riding additionally assumes risks including, but not limited to, entanglement with railroad tracks, switches, and ties and collisions with trains and train-related equipment and facilities.

A snowmobile may enter such an area for the purpose of servicing the area or for medical emergencies.
 - (i) On a railroad or railroad right-of-way. This prohibition does not apply to railroad personnel, public utility personnel, law enforcement personnel while in the performance of their duties, or persons using a snowmobile trail located on or along a railroad right-of-way, or an at-grade snowmobile trail crossing of a railroad right-of-way, that has been expressly approved in writing by the owner of the right-of-way and each railroad company using the tracks and that meets the conditions imposed in subsections (4) and (5). (4) A snowmobile trail located on or along a railroad right-of-way shall be constructed, operated, and maintained by a person other than the person owning the railroad right-of-way and the person operating the railroad, except that an at-grade snowmobile trail crossing of a railroad right-of-way shall be constructed and maintained by the person operating the railroad at the sole cost and expense of the person operating the trail connected by the crossing, pursuant to terms of a lease agreement under which the person operating the trail agrees to do all of the following:

The at-grade snowmobile trail crossing of a railroad right-of-way shall be aligned at 90 degrees or as close to 90 degrees as possible to the railroad track being crossed, and shall be located where approach grades to the crossing are minimal and where the vision of a person operating a snowmobile will be unobstructed as he or she approaches the railroad tracks. The design of the snowmobile trail, including the location of signing, shall be included upon plan sheets by the person constructing, operating, and maintaining the trail, and shall be approved in writing by the person owning the right-of-way and the person operating the railroad. Signing shall conform to specifications issued by the department to its snowmobile trail grant program sponsors.

(6) Notwithstanding section 82101, as used in this section, “operate” means to cause to function, run, or manage.

(7) A person shall not alter, deface, damage, or remove a snowmobile trail sign or control device.

(8) Each person who participates in the sport of snowmobiling accepts the risks associated with that sport insofar as the dangers are obvious and inherent. Those risks include, but are not limited to, injuries to persons or property that can result from variations in terrain; surface or subsurface snow or ice conditions; bare spots; rocks, trees, and other forms of natural growth or debris; and collisions with signs, fences, or other snowmobiles or snow-grooming equipment. Those risks do not include injuries to persons or property that can result from the use of a snowmobile by another person in a careless or negligent manner likely to endanger person or property. (8) An individual who knowingly provides false information regarding his or her identity, criminal convictions, or substantiated findings on a statement described in subsection (5)(b)(i) through (iii) is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

Except as otherwise provided in this subsection, if requested by a peace officer, an emergency service unit or staff shall provide transportation for the individual to an approved service program or an emergency medical service. This subsection does not apply to the transportation of an individual by an emergency service unit or staff if the peace officer reasonably believes that the individual will attempt escape or will be unreasonably difficult for staff to control.

(2) A peace officer may take an individual into protective custody with that kind and degree of force that is lawful for the officer to arrest that individual for a misdemeanor without a warrant. The peace officer shall take these protective steps before an emergency service unit or staff provides transportation of an individual to an approved service program or emergency medical service.

(3) The taking of an individual to an approved service program, emergency medical service, or transfer facility under subsection (1) is not an arrest, but is a taking into protective custody with or without consent of the individual. If an emergency service unit or staff is to provide transportation, the designated representative of the transfer facility shall assume custody of the individual and shall take all reasonable steps to ensure the individual’s health and safety until custody is transferred to the emergency service unit or staff of an approved service program or emergency medical service.

Upon receipt of the written consent to obtain the criminal history record information and identification required under this subsection, the staffing agency or covered facility that has made a good faith offer of employment or an independent contract or clinical privileges to the applicant shall request the criminal history record information from the relevant licensing or regulatory department and shall make a request regarding that applicant to the relevant licensing or regulatory department to conduct a check of all relevant registries in the manner required in subsection (4). If the requirements of subsection (10) are not met and a request to the Federal Bureau of Investigation to make a subsequent determination of the existence of any national criminal history pertaining to the applicant is necessary, the covered facility or staffing agency shall proceed in the manner required in subsection (4). A staffing agency that employs an individual who regularly has direct access to or provides direct services to patients or residents under an independent contract with a covered facility shall submit information regarding the criminal history check conducted by the staffing agency to the covered facility that has made a good faith offer of independent contract to that applicant.

(4) Upon receipt of the written consent to conduct a criminal history check and identification required under subsection (3), a staffing agency or covered facility that has made a good faith offer of employment or an independent contract or clinical privileges to the applicant shall make a request to the department of state police to conduct a criminal history check on the applicant, to input the applicant's fingerprints into the automated fingerprint identification system database, and to forward the applicant's fingerprints to the Federal Bureau of Investigation. Except as otherwise provided in this subsection, if the department of state police or the Federal Bureau of Investigation charges a fee for conducting the criminal history check, the department shall pay the cost of or reimburse the charge for a covered facility that is a home for the aged. After October 1, 2018, if the department of state police or the Federal Bureau of Investigation charges a fee for conducting the criminal history check, the department shall pay the cost of the charge up to 40 criminal history checks per year for a covered facility that is a home for the aged with fewer than 100 beds and 50 criminal history checks per year for a home for the aged with 100 beds or more. If the requesting staffing agency or covered facility is not a state department or agency and if criminal history record information is disclosed on the written report of the criminal history check or the Federal Bureau of Investigation determination that resulted in a conviction, the department shall notify the staffing agency or covered facility and the applicant in writing of the type of crime disclosed on the written report of the

FIREARMS LAWS OF MICHIGAN

criminal history check or the Federal Bureau of Investigation determination without disclosing the details of the crime. Any charges imposed by the department of state police or the Federal Bureau of Investigation for conducting a criminal history check or making a determination under this subsection shall be paid in the manner required under this subsection. The notice shall include a statement that the applicant has a right to appeal the information relied upon by the staffing agency or covered facility in making its decision regarding his or her employment eligibility based on the criminal history check. The notice shall also include information regarding where to file and describing the appellate procedures established under section 20173b.

(5) If a covered facility determines it necessary to employ or grant clinical privileges to an applicant before receiving the results of the applicant's criminal history check or criminal history record information under this section, the covered facility may conditionally employ or grant conditional clinical privileges to the individual if all of the following apply:

(ii) That he or she is not the subject of an order or disposition described in subsection (1)(h).

(iii) That he or she has not been the subject of a substantiated finding as described in subsection (1)(i).

(iv) That he or she agrees that, if the information in the criminal history check conducted under this section does not confirm the individual's statements under subparagraphs (i) to (iii), his or her employment or clinical privileges will be terminated by the covered facility as required under subsection (1) unless and until the individual appeals and can prove that the information is incorrect.

(v) That he or she understands that the conditions described in subparagraphs (i) to (iv) may result in the termination of his or her employment or clinical privileges and that those conditions are good cause for termination.

(c) Except as otherwise provided in this subdivision, the covered facility does not permit the individual to have regular direct access to or provide direct services to patients or residents in the covered facility without supervision until the criminal history check or criminal history record information is obtained and the individual is eligible for that employment or clinical privileges. If required under this subdivision, the covered facility shall provide on-site supervision of an individual in the covered facility on a conditional basis under this subsection by an individual who has undergone a criminal history check conducted in compliance with this section. A covered facility may permit an individual in the covered facility on a conditional basis under this subsection to have regular direct access to or provide direct services to patients or residents in the covered facility without supervision if all of the following conditions are met:

(i) The covered facility, at its own expense and before the individual has direct access to or provides direct services to patients or residents of the covered facility, conducts a search of public records on that individual through the internet criminal history access tool maintained by the department of state police and the results of that search do not uncover any information that would indicate that the individual is not eligible to have regular direct access to or provide direct services to patients or residents under this section.

(ii) Before the individual has direct access to or provides direct services to patients or residents of the covered facility, the individual signs a statement in writing that he or she has resided in this state without interruption for at least the immediately preceding 12-month period.

(iii) If applicable, the individual provides to the department of state police a set of fingerprints on or before the expiration of 10 business days following the date the individual was conditionally employed or granted conditional clinical privileges under this subsection.

(6) The department shall develop and distribute a model form for the statements required under subsection (5)(b) and (c). The department shall make the model form available to covered facilities upon request at no charge.

(7) If an individual is employed as a conditional employee or is granted conditional clinical privileges under subsection (5), and the information under subsection (3) or report under subsection (4) does not confirm the individual's statement under subsection (5)(b)(i) to (iii), the covered facility shall terminate the individual's employment or clinical privileges as required by subsection (1).

(8) An individual who knowingly provides false information regarding his or her identity, criminal convictions, or substantiated findings on a statement described in subsection (5)(b)(i) to (iii) is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(9) A staffing agency or covered facility shall use criminal history record information obtained under subsection (3) or (4) only for the purpose of evaluating an applicant's qualifications for employment, an independent contract, or clinical privileges in the position for which he or she has applied and for the purposes of subsections (5) and (7). A staffing agency or covered facility or an employee of the staffing agency or covered facility shall not disclose criminal history record information obtained under subsection (3) or (4) to a person who is not directly involved in evaluating the applicant's qualifications for employment, an independent contract, or clinical privileges. An individual who knowingly uses or disseminates the criminal history record information obtained under subsection (3) or (4) in violation of this subsection is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$1,000.00, or both. Except for a knowing or intentional release of false information, a staffing agency or covered facility has no liability in connection with a criminal history check conducted in compliance with this section or the release of criminal history record information under this subsection.

FIREARMS LAWS OF MICHIGAN

(10) Upon consent of an applicant as required in subsection (3) and upon request from a staffing agency or covered facility that has made a good faith offer of employment or an independent contract or clinical privileges to the applicant, the relevant licensing or regulatory department shall review the criminal history record information, if any, and notify the requesting staffing agency or covered facility of the information in the manner prescribed in subsection (4). Until the department of state police can participate with the Federal Bureau of Investigation's automatic notification system similar to the system required of the state police under subsection (13) and federal regulations allow the federal criminal record to be used for subsequent authorized uses, as determined in an order issued by the department, a staffing agency or covered facility may rely on the criminal history record information provided by the relevant licensing or regulatory department under this subsection and a request to the Federal Bureau of Investigation to make a subsequent determination of the existence of any national criminal history pertaining to the applicant is not necessary if all of the following requirements are met:

(a) The criminal history check was conducted during the immediately preceding 12-month period.

(b) The applicant has been continuously employed by the staffing agency or a covered facility, adult foster care facility, or mental health facility since the criminal history check was conducted in compliance with this section or meets the continuous employment requirement of this subdivision other than being on layoff status for less than 1 year from a covered facility, adult foster care facility, or mental health facility.

(c) The applicant can provide evidence acceptable to the relevant licensing or regulatory department that he or she has been a resident of this state for the immediately preceding 12-month period.

(11) As a condition of continued employment, each employee, independent contractor, or individual granted clinical privileges shall do each of the following:

(a) Agree in writing to report to the staffing agency or covered facility immediately upon being arraigned for 1 or more of the criminal offenses listed in subsection (1)(a) to (g), upon being convicted of 1 or more of the criminal offenses listed in subsection (1)(a) to (g), upon becoming the subject of an order or disposition described under subsection (1)(h), and upon being the subject of a substantiated finding of neglect, abuse, or misappropriation of property as described in subsection (1)(i). Reporting of an arraignment under this subdivision is not cause for termination or denial of employment.

(b) If a set of fingerprints is not already on file with the department of state police, provide the department of state police with a set of fingerprints.

(12) In addition to sanctions set forth in section 20165, a licensee, owner, administrator, or operator of a staffing agency or covered facility who knowingly and willfully fails to conduct the criminal history checks as required under this section is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than \$5,000.00, or both.

(13) The department of state police and the Federal Bureau of Investigation shall store and retain all fingerprints submitted under this section and provide for an automatic notification if and when subsequent criminal information submitted into the system matches a set of fingerprints previously submitted under this section. Upon such notification, the department of state police shall immediately notify the department and the department shall immediately contact each respective staffing agency or covered facility with which that individual is associated. Information in the database established under this subsection is confidential, is not subject to disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and shall not be disclosed to any person except for purposes of this act or for law enforcement purposes.

(14) The department shall maintain an electronic web-based system to assist staffing agencies and covered facilities required to check relevant registries and conduct criminal history checks of its employees, independent contractors, and individuals granted privileges and to provide for an automated notice to those staffing agencies and covered facilities for those individuals inputted in the system who, since the initial criminal history check, have been convicted of a disqualifying offense or have been the subject of a substantiated finding of abuse, neglect, or misappropriation of property. The department may charge a staffing agency a 1-time set-up fee of up to \$100.00 for access to the electronic web-based system under this section.

Sec. 29. (1) The licensure of private security police and private college security forces shall be administered by the department of state police. When a private security police employer or private college security force employer as described in this section provides the employee with a pistol for the purpose of protecting the property of the employer, the pistol shall be considered the property of the employer and the employer shall retain custody of the pistol, except during the actual working hours of the employee. All such private security people shall be subject to the provisions of sections 17(1) and 19(1).

History: 1968, Act 330, Imd. Eff. July 12, 1968;—Am. 1969, Act 168, Imd. Eff. Aug. 5, 1969;—Am. 2000, Act 411, Eff. Mar. 28, 2001;—Am. 2002, Act 473, Eff. Oct. 1, 2002;—Am. 2010, Act 68, Imd. Eff. May 13, 2010.

Constitutionality: This act, which requires the licensing of guards, does not demonstrate the requisite degree of state action to bring the activities of guards under color of state law so as to subject their activities to constitutional restraint and to require guards to give suspects warnings of their constitutional rights before eliciting inculpatory statements, and especially does not subject the activities of private police who are employed to protect the property and employees of their employer to constitutional restraint because such guards need not be licensed under the act. Grand Rapids v Impens, 414 Mich 667; 327 NW2d 278 (1982).

Participation by an off-duty deputy sheriff from another county, employed as a private guard, with other guards in the apprehension and detention of a shoplifting suspect did not provide a sufficient relationship so as to bring the activities of the guards under color of state law and require warnings of the suspect's constitutional rights before eliciting inculpatory statements by the suspect where the deputy did not obtain the statements and identified himself to the suspect only as a store employee. Grand Rapids v Impens, 414 Mich 667; 327 NW2d 278 (1982).

THE REVISED SCHOOL CODE (EXCERPT) Act 451 of 1976

AN ACT to provide a system of public instruction and elementary and secondary schools; to revise, consolidate, and clarify the laws relating to elementary and secondary education; to provide for the organization, regulation, and maintenance of schools, school districts, public school academies, intermediate school districts, and other public school entities; to prescribe rights, powers, duties, and privileges of schools, school districts, public school academies, intermediate school districts, and other public school entities; to provide for the regulation of school teachers and certain other school employees; to provide for school elections and to prescribe powers and duties with respect thereto; to provide for the levy and collection of taxes; to provide for the borrowing of money and issuance of bonds and other evidences of indebtedness; to establish a fund and provide for expenditures from that fund; to make appropriations for certain purposes; to provide for and prescribe the powers and duties of certain state departments, the state board of education, and certain other boards and officials; to provide for licensure of boarding schools; to prescribe penalties; and to repeal acts and parts of acts.

History: 1976, Act 451, Imd. Eff. Jan. 13, 1977;—Am. 1977, Act 43, Imd. Eff. June 29, 1977;—Am. 1988, Act 339, Imd. Eff. Oct. 18, 1988;—Am. 1990, Act 161, Imd. Eff. Constitutionality: The Michigan School Reform Act does not violate federal and state constitutional protections, Moore v Detroit School Reform Board, 293 F3d 352 (CA 6 2002).

Compiler's note: Senate Bill 393 (SB 393) was enrolled on August 13, 2003, and presented to the governor for her approval on September 8, 2003, at 5:00 p.m. On September 18, 2003, the senate requested that the bill be returned to the senate. The governor granted the senate's request on that same date and returned the bill to that body (without objections), where a motion was made to vacate the enrollment and the motion prevailed. On September 23, 2003, the house of representatives approved a motion to send a letter to the senate agreeing with the senate's request that the governor return SB 393. Neither the Senate Journal nor the House Journal entries reveal any other action taken by the house of representatives regarding the return of SB 393.

In order to determine whether SB 393 had become law, as requested, the attorney general examined whether SB 393 was recalled by concurrent action of the house of representatives and the senate within the 14-day period afforded the governor for vetoing a bill under the last sentence of Const 1963, art IV, § 33: "SB 393 was presented to the Governor on September 8, 2003, at 5:00 p.m. The 14-day period afforded for consideration, measured in hours and minutes, therefore expired on September 22, 2003 at 5:00 p.m. While the Senate had acted to recall the bill within that 14-day period (on September 18, 2003), the House did not. Its action concurring in the request to recall SB 393 was not taken until September 23, 2003. In the absence of concurrent action by both houses of the Legislature within the 14-day period, SB 393 was not effectively recalled and 'further legislative action thereon' was not authorized." The attorney general declared that "in the absence of a return of the bill with objections, SB 393 therefore became law by operation of the last sentence of Const 1963, art IV, § 33." PART 16

BOARDS OF EDUCATION; POWERS AND DUTIES GENERALLY

380.1311 Suspension or expulsion of pupil.

Sec. 1311. (1) Subject to subsection (2), the school board, or the school district superintendent, a school building principal, or another school district official if designated by the school board, may authorize or order the suspension or expulsion from school of a pupil who commits criminal sexual conduct against another pupil enrolled in the same school district or a pupil guilty of gross misdemeanor or persistent disobedience if, in the judgment of the school board or its designee, as applicable, the interest of the school is served by the authorization or order. If there is reasonable cause to believe that the pupil is a student with a disability, and the school district has not evaluated the pupil in accordance with rules of the superintendent of public instruction to determine if the pupil is a student with a disability, the pupil shall be evaluated immediately by the intermediate school district of which the school district is constituent in accordance with section 1711.

(2) Subject to subsection (3) and section 1310d, if a pupil possesses in a weapon free school zone a weapon that constitutes a dangerous weapon, commits arson in a school building or on school grounds, commits criminal sexual conduct in a school building or on school grounds, or pleads to, is convicted of, or is adjudicated for criminal sexual conduct against another pupil enrolled in the same school district, the school board, or the designee of the school board as described in subsection (1) on behalf of the school board, shall expel the pupil from the school district permanently, subject to possible reinstatement under subsection (6). However, a school board is not required to expel a pupil for possessing a weapon if the pupil establishes in a clear and convincing manner at least 1 of the following:

(a) The object or instrument possessed by the pupil was not possessed by the pupil for use as a weapon, or for direct or indirect delivery to another individual for use as a weapon.

(b) The weapon was not knowingly possessed by the pupil.

(c) The pupil did not know or have reason to know that the object or instrument possessed by the pupil constituted a dangerous weapon.

(d) The weapon was possessed by the pupil at the suggestion, request, or direction of, or with the express permission of, school or police authorities.

(3) There is a rebuttable presumption that expulsion under subsection (2) for possession of a weapon is not justified if both of the following are met:

(a) The school board or its designee determines in writing that at least 1 of the factors listed in subsection (2)(a) to (d) has been established in a clear and convincing manner.

(b) The pupil has no history of suspension or expulsion.

(4) If an individual is expelled under subsection (2), the expelling school district shall enter on the individual's permanent record that he or she has been expelled under subsection (2). Except if a school district operates or participates cooperatively in an alternative education program appropriate for individuals expelled under subsection (2) and in its discretion admits the individual to that program, and except for a strict discipline academy established under sections 1311b to 1311m or a cyber school as defined in section 551, an individual expelled under subsection (2) is expelled from all public schools in this state and the officials of a school district shall not allow the individual to enroll in the school district unless the individual has been reinstated under subsection (6). Except as otherwise provided by law, a program operated for individuals expelled under subsection (2) shall ensure that those individuals are physically separated at all times during the school day from the general pupil population. If an individual expelled from a school district under subsection (2) is not placed in an alternative education program, strict discipline academy, or cyber school, the school district may provide, or may arrange for the intermediate school

This subsection does not require a school district to expend more money for providing services for a pupil expelled under subsection (2) than the amount of the foundation allowance the school district receives for the pupil as calculated under section 20 of the state school aid act of 1979, MCL 388.1620.

(5) If a school board expels an individual under subsection (2), the school board shall ensure that, within 3 days after the expulsion, an official of the school district refers the individual to the appropriate county department of social services or county community mental health agency and notifies the individual's parent or legal guardian or, if the individual is at least age 18 or is an emancipated minor, notifies the individual of the referral.

(6) The parent or legal guardian of an individual expelled under subsection (2) or, if the individual is at least age 18 or is an emancipated minor, the individual may petition the expelling school board for reinstatement of the individual to public education in the school district. An individual who was in grade 6 or above at the time of the expulsion shall not be reinstated before the expiration of 180 school days after the date of expulsion.

(c) It is the responsibility of the parent or legal guardian or, if the individual is at least age 18 or is an emancipated minor, of the individual to prepare and submit the petition. A school board is not required to provide any assistance in preparing the petition. Upon request by a parent or legal guardian or, if the individual is at least age 18 or is an emancipated minor, by the individual, a school board shall make available a form for a petition.

(d) Not later than 10 school days after receiving a petition for reinstatement under this subsection, a school board shall appoint a committee to review the petition and any supporting information submitted by the parent or legal guardian or, if the individual is at least age 18 or is an emancipated minor, by the individual. The committee shall consist of 2 school board members, 1 school administrator, 1 teacher, and 1 parent of a pupil in the school district. During this time the superintendent of the school district may prepare and submit for consideration by the committee information concerning the circumstances of the expulsion and any factors mitigating for or against reinstatement.

(e) Not later than 10 school days after all members are appointed, the committee described in subdivision (d) shall review the petition and any supporting information and information provided by the school district and shall submit a recommendation to the school board on the issue of reinstatement. The recommendation shall be for unconditional reinstatement, for conditional reinstatement, or against reinstatement, and shall be accompanied by an explanation of the reasons for the recommendation and of any recommended conditions for reinstatement. The recommendation shall be based on consideration of all of the following factors:

(iii) The age and maturity of the individual.

(iv) The individual's school record before the incident that caused the expulsion.

(v) The individual's attitude concerning the incident that caused the expulsion.

The decision of the school board is final.

(g) A school board may require an individual and, if the petition was filed by a parent or legal guardian, his or her parent or legal guardian to agree in writing to specific conditions before reinstating the individual in a conditional reinstatement. The conditions may include, but are not limited to, agreement to a behavior contract, which may involve the individual, parent or legal guardian, and an outside agency; participation in or completion of an anger management program or other appropriate

A parent or legal guardian or, if the individual is at least age 18 or is an emancipated minor, the individual may include proposed conditions in a petition for reinstatement submitted under this subsection.

(7) A school board or school administrator that complies with subsection (2) is not liable for damages for expelling a pupil under subsection (2), and the authorizing body of a public school academy is not liable for damages for expulsion of a pupil by the public school academy under subsection (2).

(8) The department shall develop and distribute to all school districts a form for a petition for reinstatement to be used under subsection (6).

(11) If an individual is expelled under subsection (2), it is the responsibility of that individual and of his or her parent or legal guardian to locate a suitable alternative educational program and to enroll the individual in such a program during the expulsion. (iv) The individual agrees that, if the information in the criminal history check conducted under this section does not confirm the individual's statement under subparagraphs (i) to (iii), his or her employment will be terminated by the adult foster care facility as required under subsection (1) unless and until the individual can prove that the information is incorrect.

(v) That he or she understands the conditions described in subparagraphs (i) to (iv) that result in the termination of his or her employment and that those conditions are good cause for termination.

(c) Except as otherwise provided in this subdivision, the adult foster care facility does not permit the individual to have regular direct access to or provide direct services to residents in the adult foster care facility without supervision until the criminal history check or criminal history record information is obtained and the individual is eligible for that employment. If required under this subdivision, the adult foster care facility shall provide on-site supervision of an individual in the facility on a conditional basis under this subsection by an individual who has undergone a criminal history check conducted in compliance with this section. (ii) Before the individual has direct access to or provides direct services to residents of the adult foster care facility, the individual signs a statement in writing that he or she has resided in this state without interruption for at least the immediately preceding 12-month period.

(iii) If applicable, the individual provides to the department of state police a set of fingerprints on or before the expiration of 10 business days following the date the individual was conditionally employed under this subsection.

(7) The department shall develop and distribute the model form for the statements required under subsection (6)(b) and (c). The department shall make the model form available to adult foster care facilities upon request at no charge.

(8) If an individual is conditionally employed under subsection (6), and the information under subsection (3) or report under subsection (4) or (5), if applicable, does not confirm the individual's statement under subsection (6)(b)(i) to (iii), the adult foster care facility shall terminate the individual's employment as required by subsection (1).

(9) An individual who knowingly provides false information regarding his or her identity, criminal convictions, or substantiated findings on a statement described in subsection (6)(b)(i) to (iii) is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(10) An adult foster care facility or staffing agency shall use criminal history record information obtained under subsection (3), (4), or (5) only for the purpose of evaluating an individual's qualifications for employment in the position for which he or she has applied and for the purposes of subsections (6) and (8). An adult foster care facility or staffing agency or an employee of the adult foster care facility or staffing agency shall not disclose criminal history record information obtained under this section to a person who is not directly involved in evaluating the individual's qualifications for employment or independent contract. (11) Upon consent of an individual as required in subsection (3) and upon request from an adult foster care facility or staffing agency that has made a good-faith offer of employment or an independent contract to the individual, the relevant licensing or regulatory department shall review the criminal history record information, if any, and notify the requesting adult foster care facility or staffing agency of the information in the manner prescribed in subsection (4) or (5). Until the Federal Bureau of Investigation implements an automatic notification system similar to the system required of the state police under subsection (14) and federal regulations allow the federal criminal record to be used for subsequent authorized uses, as determined in an order issued by the department, an adult foster care facility or staffing agency may rely on the criminal history record information provided by the relevant licensing or regulatory department under this subsection and a request to the Federal Bureau of Investigation to make a subsequent determination of the existence of any national criminal history pertaining to the individual is not necessary if all of the following requirements are met:

(a) The criminal history check was conducted during the immediately preceding 24-month period.

(b) The individual has been continuously employed by an adult foster care facility, mental health facility, or covered health facility, or the staffing agency since the criminal history check was conducted in compliance with this section or meets the continuous employment requirement of this subdivision other than being on layoff status for less than 1 year from an adult foster care facility, mental health facility, or covered health facility.

(c) The individual can provide evidence acceptable to the relevant licensing or regulatory department that he or she has been a resident of this state for the immediately preceding 12-month period.

(12) As a condition of continued employment, each employee or independent contractor shall do both of the following:

Reporting of an arraignment under this subdivision is not cause for termination or denial of employment.

(b) If a set of fingerprints is not already on file with the department of state police, provide the department of state police with a set of fingerprints.

(13) In addition to sanctions set forth in this act, a licensee, owner, administrator, or operator of an adult foster care facility or staffing agency who knowingly and willfully fails to conduct the criminal history checks as required under this section is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than \$5,000.00, or both.

(14) In collaboration with the department of state police, the department of technology, management, and budget shall establish and maintain an automated fingerprint identification system database that would allow the department of state police to store and maintain all fingerprints submitted under this section and would provide for an automatic notification at the time a subsequent criminal arrest fingerprint card submitted into the system matches a set of fingerprints previously submitted under this section. Upon notification, the department of state police shall immediately notify the department and the department shall immediately contact each respective adult foster care facility or staffing agency with which that individual is associated. Information in the database established under this subsection is confidential, is not subject to disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and shall not be disclosed to any person except for purposes of this act or for law enforcement purposes.

(15) If an individual independently contracts with an adult foster care facility, subsections (1) and (2) do not apply if the individual is not under the adult foster care facility's control and the contractual work performed by the individual is not directly related to the clinical, health care, or personal services delivered by the adult foster care facility or if the individual's duties are not performed on an ongoing basis with direct access to residents. This exception includes, but is not limited to, an individual who independently contracts with the adult foster care facility to provide utility, maintenance, construction, or communication services.

(8) A court shall not issue a mutual personal protection order. Correlative separate personal protection orders are prohibited unless both parties have properly petitioned the court under subsection (1).

(9) A personal protection order is effective and immediately enforceable anywhere in this state after being signed by a judge. Upon service, a personal protection order may also be enforced by another state, an Indian tribe, or a territory of the United States.

(10) The issuing court shall designate a law enforcement agency that is responsible for entering a personal protection order into the law enforcement information network as provided by the C.J.I.S. policy council act, 1974 PA 163, MCL 28.211 to 28.215.

(11) A personal protection order must include all of the following, to the extent practicable in a single form:

(a) A statement that the personal protection order has been entered to restrain or enjoin conduct listed in the order and that violation of the personal protection order will subject the individual restrained or enjoined to 1 or more of the following:

(12) A court shall issue an ex parte personal protection order without written or oral notice to the individual restrained or enjoined or his or her attorney if it clearly appears from specific facts shown by a verified complaint, written motion, or affidavit that immediate and irreparable injury, loss, or damage will result from the delay required to effectuate notice or that the notice will itself precipitate adverse action before a personal protection order can be issued.

(13) A personal protection order issued under subsection (12) is valid for not less than 182 days. The individual restrained or enjoined may file a motion to modify or rescind the personal protection order and request a hearing under the Michigan court rules. (e) If the respondent is identified in the pleadings as a department of corrections employee, notify the state department of corrections about the existence of the personal protection order.

(f) If the respondent is identified in the pleadings as being a person who may have access to information concerning the petitioner or a child of the petitioner or respondent and that information is contained in friend of the court records, notify the friend of the court for the county in which the information is located about the existence of the personal protection order.

(16) The clerk of the court shall inform the petitioner that he or she may take a true copy of the personal protection order to the law enforcement agency designated by the court under subsection (10) to be immediately entered into the law enforcement information network.

(17) The law enforcement agency that receives a true copy of a personal protection order under subsection (15) or (16) shall immediately and without requiring proof of service enter the personal protection order into the law enforcement information network as provided by the C.J.I.S. policy council act, 1974 PA 163, MCL 28.211 to 28.215.

(18) A personal protection order issued under this section must be served personally or by registered or certified mail, return receipt requested, delivery restricted to the addressee at the last known address or addresses of the individual restrained or enjoined or by any other manner allowed by the Michigan court rules. If the individual restrained or enjoined has not been served, a law enforcement officer or clerk of the court who knows that a personal protection order exists may, at any time, serve the individual restrained or enjoined with a true copy of the order or advise the individual restrained or enjoined of the existence of the personal protection order, the specific conduct enjoined, the penalties for violating the order, and where the individual restrained or enjoined may obtain a copy of the order. If the respondent is less than 18 years of age, the parent, guardian, or custodian of the individual must also be served personally or by registered or certified mail, return receipt requested, delivery restricted to the addressee at the last known address or addresses of the parent, guardian, or custodian. A proof of service or proof of oral notice must be filed with the clerk of the court issuing the personal protection order. This subsection does not prohibit the immediate effectiveness of a personal protection order or its immediate enforcement under subsections (21) and (22).

(19) The clerk of the court that issued the personal protection order shall immediately notify the law enforcement agency that received the personal protection order under subsection (15) or (16) if either of the following occurs:

The law enforcement officer shall enforce the personal protection order and immediately enter or cause to be entered into the law enforcement information network that the individual restrained or enjoined has actual notice of the personal protection order. The law enforcement officer also shall file a proof of service or proof of oral notice with the clerk of the court issuing the personal protection order. If the individual restrained or enjoined has not received notice of the personal protection order, the individual restrained or enjoined must be given an opportunity to comply with the personal protection order before the law enforcement officer makes a custodial arrest for violation of the personal protection order. The failure to immediately comply with the personal protection order is grounds for an immediate custodial arrest. This subsection does not preclude an arrest under section 15 or 15a of chapter IV of the code of criminal procedure, 1927 PA 175, MCL 764.15 and 764.15a, or a proceeding under section 14 of chapter XIA of the probate code of 1939, 1939 PA 288, MCL 712A.14.

(23) An individual who is 17 years of age or older and who refuses or fails to comply with a personal protection order under this section is subject to the criminal contempt powers of the court and, if found guilty, must be imprisoned for not more than 93 days and may be fined not more than \$500.00. An individual who is less than 17 years of age and who refuses or fails to comply with a personal protection order issued under this section is subject to the dispositional alternatives listed in section 18 of chapter XIA of the probate code of 1939, 1939 PA 288, MCL 712A.18. Sec. 2950a. (1) Except as provided in subsections (27), (28), and (30), by commencing an independent action to obtain relief under this section, by joining a claim to an action, or by filing a motion in an action in which the petitioner and the individual to be restrained or enjoined are parties, an individual may petition the family division of circuit court to enter a personal protection order to restrain or enjoin an individual from engaging in conduct that is prohibited under section 411h, 411i, or 411s of the Michigan penal code, 1931 PA 328, MCL 750.411h, 750.411i, and 750.411s. A court shall not grant relief under this subsection unless the petition alleges facts that constitute stalking as defined in section 411h or 411i, or conduct that is prohibited under section 411s, of the Michigan penal code, 1931 PA 328, MCL 750.411h, 750.411i, and 750.411s. Relief may be sought and granted under this subsection whether or not the individual to be restrained or enjoined has been charged or convicted under section 411h, 411i, or 411s of the Michigan penal code, 1931 PA 328, MCL 750.411h, 750.411i, and 750.411s, for the alleged violation.

(13) A personal protection order issued under subsection (12) is valid for not less than 182 days. The individual restrained or enjoined may file a motion to modify or rescind the personal protection order and request a hearing under the Michigan court rules. (17) The law enforcement agency that receives a true copy of a personal protection order under subsection (15) or (16) shall immediately, without requiring proof of service, enter the personal protection order into the L.E.I.N.

(18) A personal protection order issued under this section must be served personally, by registered or certified mail, return receipt requested, delivery restricted to the addressee at the last known address or addresses of the individual restrained or enjoined or by any other method allowed by the Michigan court rules. If the individual restrained or enjoined has not been served, a law enforcement officer or clerk of the court who knows that a personal protection order exists may, at any time, serve the individual restrained or enjoined with a true copy of the order or advise the individual restrained or enjoined of the existence of the personal protection order, the specific conduct enjoined, the penalties for violating the order, and where the individual restrained or enjoined may obtain a copy of the order. If the individual restrained or enjoined is less than 18 years of age, the parent, guardian, or custodian of the individual must also be served personally or by registered or certified mail, return receipt requested, delivery restricted to the addressee at the last known address or addresses of the parent, guardian, or custodian. The law enforcement officer also shall file a proof of service or proof of oral notice with the clerk of the court that issued the personal protection order. If the individual restrained or enjoined has not received notice of the personal protection order, the individual restrained or enjoined must be given an opportunity to comply with the personal protection order before the law enforcement officer makes a custodial arrest for violation of the personal protection order. The family division of circuit court shall comply with that order.

(h) Jurisdiction over a proceeding under section 2950 or 2950a of the revised judiciary act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, in which a minor less than 18 years of age is the respondent, or a proceeding to enforce a valid foreign protection order issued against a respondent who is a minor less than 18 years of age. A personal protection order shall not be issued against a respondent who is a minor less than 10 years of age. (i) A high-security or medium-security facility operated by the department or a county juvenile agency.

(ii) A high-security facility operated by a private agency under contract with the department or a county juvenile agency.

(3) The juvenile is repeatedly disobedient to the reasonable and lawful commands of his or her parents, guardian, or custodian, and the court finds on the record by clear and convincing evidence that court-accessed services are necessary.

(4) The juvenile willfully and repeatedly absents himself or herself from school or other learning program intended to meet the juvenile’s educational needs, or repeatedly violates rules and regulations of the school or other learning program, and the court finds on the record that the juvenile, the juvenile’s parent, guardian, or custodian, and school officials or learning program personnel have met on the juvenile’s educational problems and educational counseling and alternative agency help have been sought. As used in this sub-subdivision only, “learning program” means an organized educational program that is appropriate, given the age, intelligence, ability, and psychological limitations of a juvenile, in the subject areas of reading, spelling, mathematics, science, history, civics, writing, and English grammar.

(b) Jurisdiction in proceedings concerning a juvenile under 18 years of age found within the county:

(1) Whose parent or other person legally responsible for the care and maintenance of the juvenile, when able to do so, neglects or refuses to provide proper or necessary support, education, medical, surgical, or other care necessary for his or her health or morals, who is subject to a substantial risk of harm to his or her mental well-being, who is abandoned by his or her parents, guardian, or other custodian, or who is without proper custody or guardianship. As used in this sub-subdivision:

(2) Whose home or environment, by reason of neglect, cruelty, drunkenness, criminality, or depravity on the part of a parent, guardian, nonparent adult, or other custodian, is an unfit place for the juvenile to live in. As used in this sub-subdivision, “neglect” means that term as defined in section 2 of the child abuse and neglect prevention act, 1982 PA 250, MCL 722.602.

(A) The juvenile is homeless or not domiciled with a parent or other legally responsible person.

(B) The juvenile has repeatedly run away from home and is beyond the control of a parent or other legally responsible person.

(C) The juvenile is alleged to have committed a commercial sexual activity as that term is defined in section 462a of the Michigan penal code, 1931 PA 328, MCL 750.462a or a delinquent act that is the result of force, fraud, coercion, or manipulation exercised by a parent or other adult.

(D) The juvenile’s custodial parent or legally responsible person has died or has become permanently incapacitated and no appropriate parent or legally responsible person is willing and able to provide care for the juvenile.

(4) Whose parent has substantially failed, without good cause, to comply with a limited guardianship placement plan described in section 5205 of the estates and protected individuals code, 1998 PA 386, MCL 700.5205, regarding the juvenile.

(6) If the juvenile has a guardian under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, and the juvenile's parent meets both of the following criteria:

(A) The parent, having the ability to support or assist in supporting the juvenile, has failed or neglected, without good cause, to provide regular and substantial support for the juvenile for 2 years or more before the filing of the petition or, if a support order has been entered, has failed to substantially comply with the order for 2 years or more before the filing of the petition. As used in this sub-subdivision, "neglect" means that term as defined in section 2 of the child abuse and neglect prevention act, 1982 PA 250, MCL 722.602.

(B) The parent, having the ability to visit, contact, or communicate with the juvenile, has regularly and substantially failed or neglected, without good cause, to do so for 2 years or more before the filing of the petition. If a petition is filed in the court alleging that a juvenile is within the provisions of this subdivision and the custody of that juvenile is subject to the prior or continuing order of another court of record of this state, the manner of notice to the other court of record and the authority of the court to proceed is governed by rule of the supreme court.

(c) Jurisdiction over juveniles under 18 years of age, jurisdiction of whom has been waived to the family division of circuit court by a circuit court under a provision in a temporary order for custody of juveniles based upon a complaint for divorce or upon a motion related to a complaint for divorce by the prosecuting attorney, in a divorce judgment dissolving a marriage between the juvenile's parents, or by an amended judgment relative to the juvenile's custody in a divorce.

(d) If the court finds on the record that voluntary services have been exhausted or refused, concurrent jurisdiction in proceedings concerning a juvenile between the ages of 17 and 18 found within the county who is 1 or more of the following:

- (4) Repeatedly associating with thieves, prostitutes, pimps, or procurers.
- (5) Willfully disobedient to the reasonable and lawful commands of his or her parents, guardian, or other custodian and in danger of becoming morally depraved.

If a juvenile is brought before the court in a county other than that in which the juvenile resides, before a hearing and with the consent of the judge of the court in the county of residence, the court may enter an order transferring jurisdiction of the matter to the court of the county of residence. Consent to transfer jurisdiction is not required if the county of residence is a county juvenile agency and satisfactory proof of residence is furnished to the court of the county of residence. The order does not constitute a legal settlement in this state that is required for the purpose of section 55 of the social welfare act, 1939 PA 280, MCL 400.55. The order and a certified copy of the proceedings in the transferring court must be delivered to the court of the county of residence. A case designated as a case in which the juvenile must be tried in the same manner as an adult under section 2d of this chapter may be transferred for venue or for juvenile disposition, but must not be transferred on grounds of residency. If the case is not transferred, the court having jurisdiction of the offense shall try the case.

(e) Authority to establish or assist in developing a program or programs within the county to prevent delinquency and provide services to act upon reports submitted to the court related to the behavior of a juvenile who does not require formal court jurisdiction but otherwise falls within subdivision (a). These services must be used only if the juvenile and his or her parents, guardian, or custodian voluntarily accepts them.

(f) If the court operates a detention home for juveniles within the court's jurisdiction under subdivision (a)(1), authority to place a juvenile within that home pending trial if the juvenile is within the circuit court's jurisdiction under section 606 of the revised judicature act of 1961, 1961 PA 236, MCL 600.606, and if the circuit court orders the family division of circuit court in the same county to place the juvenile in that home. The family division of circuit court shall comply with that order.

(g) Authority to place a juvenile in a county jail under section 27a of chapter IV of the code of criminal procedure, 1927 PA 175, MCL 764.27a, if the court designates the case under section 2d of this chapter as a case in which the juvenile is to be tried in the same manner as an adult and the court determines there is probable cause to believe that the offense was committed and probable cause to believe the juvenile committed that offense.

(h) Jurisdiction over a proceeding under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, in which a minor less than 18 years of age is the respondent, or a proceeding to enforce a valid foreign protection order issued against a respondent who is a minor less than 18 years of age. A personal protection order must not be issued against a respondent who is a minor less than 10 years of age. Venue for an initial action under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, is proper in the county of residence of either the petitioner or respondent. If the respondent does not live in this state, venue for the initial action is proper in the petitioner's county of residence.

(i) In a proceeding under this chapter concerning a juvenile's care and supervision, the court may issue orders affecting a party as necessary. This subdivision does not apply after May 1, 2018. As used in this subdivision, "party" means 1 of the following:

- (i) In a delinquency proceeding, the petitioner and juvenile.

712A.2d Juvenile to be tried as adult; designation by prosecuting attorney or court; factors; probable cause hearing; setting case for trial; proceedings as criminal proceedings; disposition or imposition of sentence; "specified juvenile violation" defined.

Sec. 2d. (1) In a petition or amended petition alleging that a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter for a specified juvenile violation, the prosecuting attorney may designate the case as a case in which the juvenile is to be tried in the same manner as an adult. An amended petition making a designation under this subsection shall be filed only by leave of the court.

(2) In a petition alleging that a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter for an offense other than a specified juvenile violation, the prosecuting attorney may request that the court designate the case as a case in which the juvenile is to be tried in the same manner as an adult. The court may designate the case following a hearing if it determines that the best interests of the juvenile and the public would be served by the juvenile being tried in the same manner as an adult. In determining whether the best interests of the juvenile and the public would be served, the court shall consider all of the following factors, giving greater weight to the seriousness of the alleged offense and the juvenile's prior delinquency record than to the other factors:

(a) The seriousness of the alleged offense in terms of community protection, including, but not limited to, the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm or other dangerous weapon, and the impact on any victim.

(b) The juvenile's culpability in committing the alleged offense, including, but not limited to, the level of the juvenile's participation in planning and carrying out the offense and the existence of any aggravating or mitigating factors recognized by the sentencing guidelines.

(c) The juvenile's prior record of delinquency including, but not limited to, any record of detention, any police record, any school record, or any other evidence indicating prior delinquent behavior.

(d) The juvenile's programming history, including, but not limited to, the juvenile's past willingness to participate meaningfully in available programming.

(e) The adequacy of the punishment or programming available in the juvenile justice system.

(f) The dispositional options available for the juvenile.

(3) If a case is designated under this section, the case shall be set for trial in the same manner as the trial of an adult in a court of general criminal jurisdiction unless a probable cause hearing is required under subsection (4).

(4) If the petition in a case designated under this section alleges an offense that if committed by an adult would be a felony or punishable by imprisonment for more than 1 year, the court shall conduct a probable cause hearing not later than 14 days after the case is designated to determine whether there is probable cause to believe the offense was committed and whether there is probable cause to believe the juvenile committed the offense. This hearing may be combined with the designation hearing under subsection (2) for an offense other than a specified juvenile offense. A probable cause hearing under this section is the equivalent of the preliminary examination in a court of general criminal jurisdiction and satisfies the requirement for that hearing. A probable cause hearing shall be conducted by a judge other than the judge who will try the case if the juvenile is tried in the same manner as an adult.

(5) If the court determines there is probable cause to believe the offense alleged in the petition was committed and probable cause to believe the juvenile committed the offense, the case shall be set for trial in the same manner as the trial of an adult in a court of general criminal jurisdiction.

(6) If the court determines that an offense did not occur or there is not probable cause to believe the juvenile committed the offense, the court shall dismiss the petition. If the court determines there is probable cause to believe another offense was committed and there is probable cause to believe the juvenile committed that offense, the court may further determine whether the case should be designated as a case in which the juvenile should be tried in the same manner as an adult as provided in subsection (2). If the court designates the case, the case shall be set for trial in the same manner as the trial of an adult in a court of general criminal jurisdiction.

FIREARMS LAWS OF MICHIGAN

(7) If a case is designated under this section, the proceedings are criminal proceedings and shall afford all procedural protections and guarantees to which the juvenile would be entitled if being tried for the offense in a court of general criminal jurisdiction. A plea of guilty or nolo contendere or a verdict of guilty shall result in entry of a judgment of conviction. The conviction shall have the same effect and liabilities as if it had been obtained in a court of general criminal jurisdiction.

(8) Following a judgment of conviction, the court shall enter a disposition or impose a sentence authorized under section 18(1)(n) of this chapter.

(9) As used in this section, “specified juvenile violation” means any of the following:

(a) A violation of section 72, 83, 86, 89, 91, 316, 317, 349, 520b, 529, 529a, or 531 of the Michigan penal code, 1931 PA 328, MCL 750.72, 750.83, 750.86, 750.89, 750.91, 750.316, 750.317, 750.349, 750.520b, 750.529, 750.529a, and 750.531.

(b) A violation of section 84 or 110a(2) of the Michigan penal code, 1931 PA 328, MCL 750.84 and 750.110a, if the juvenile is armed with a dangerous weapon. As used in this subdivision, “dangerous weapon” means 1 or more of the following:

(i) A loaded or unloaded firearm, whether operable or inoperable.

(ii) A knife, stabbing instrument, brass knuckles, blackjack, club, or other object specifically designed or customarily carried or possessed for use as a weapon.

(iii) An object that is likely to cause death or bodily injury when used as a weapon and that is used as a weapon or carried or possessed for use as a weapon.

(iv) An object or device that is used or fashioned in a manner to lead a person to believe the object or device is an object or device described in subparagraphs (i) to (iii).

(c) A violation of section 186a of the Michigan penal code, 1931 PA 328, MCL 750.186a, regarding escape or attempted escape from a juvenile facility, but only if the juvenile facility from which the juvenile escaped or attempted to escape was 1 of the following:

(i) A high-security or medium-security facility operated by the family independence agency or a county juvenile agency.

(ii) A high-security facility operated by a private agency under contract with the family independence agency or a county juvenile agency.

(d) A violation of section 7401(2)(a)(i) or 7403(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7401 and 333.7403.

(e) An attempt to commit a violation described in subdivisions (a) to (d).

(f) Conspiracy to commit a violation described in subdivisions (a) to (d).

(g) Solicitation to commit a violation described in subdivisions (a) to (d).

(h) Any lesser included offense of an offense described in subdivisions (a) to (g) if the juvenile is alleged in the petition to have committed an offense described in subdivisions (a) to (g).

(i) Any other offense arising out of the same transaction as an offense described in subdivisions (a) to (g) if the juvenile is alleged in the petition to have committed an offense described in subdivisions (a) to (g).

712A.4 Waiver of jurisdiction when child of 14 or older accused of felony.

Sec. 4. (1) If a juvenile 14 years of age or older is accused of an act that if committed by an adult would be a felony, the judge of the family division of circuit court in the county in which the offense is alleged to have been committed may waive jurisdiction under this section upon motion of the prosecuting attorney. After waiver, the juvenile may be tried in the court having general criminal jurisdiction of the offense.

(2) Before conducting a hearing on the motion to waive jurisdiction, the court shall give notice of the hearing in the manner provided by supreme court rule to the juvenile and the prosecuting attorney and, if addresses are known, to the juvenile’s parents or guardians. The notice shall state clearly that a waiver of jurisdiction to a court of general criminal jurisdiction has been requested and that, if granted, the juvenile can be prosecuted for the alleged offense as though he or she were an adult.

(3) Before the court waives jurisdiction, the court shall determine on the record if there is probable cause to believe that an offense has been committed that if committed by an adult would be a felony and if there is probable cause to believe that the juvenile committed the offense. Before a juvenile may waive a probable cause hearing under this subsection, the court shall inform the juvenile that a waiver of this subsection waives the preliminary examination required by chapter VI of the code of criminal procedure, Act No. 175 of the Public Acts of 1927, being sections 766.1 to 766.18 of the Michigan Compiled Laws.

(4) Upon a showing of probable cause under subsection (3), the court shall conduct a hearing to determine if the best interests of the juvenile and the public would be served by granting a waiver of jurisdiction to the court of general criminal jurisdiction. In making its determination, the court shall consider all of the following criteria, giving greater weight to the seriousness of the alleged offense and the juvenile’s prior record of delinquency than to the other criteria:

(a) The seriousness of the alleged offense in terms of community protection, including, but not limited to, the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm or other dangerous weapon, and the impact on any victim.

(b) The culpability of the juvenile in committing the alleged offense, including, but not limited to, the level of the juvenile’s participation in planning and carrying out the offense and the existence of any aggravating or mitigating factors recognized by the sentencing guidelines.

FIREARMS LAWS OF MICHIGAN

(c) The juvenile's prior record of delinquency including, but not limited to, any record of detention, any police record, any school record, or any other evidence indicating prior delinquent behavior.

(d) The juvenile's programming history, including, but not limited to, the juvenile's past willingness to participate meaningfully in available programming.

(e) The adequacy of the punishment or programming available in the juvenile justice system.

(f) The dispositional options available for the juvenile.

(5) If the court determines that there is probable cause to believe that an offense has been committed that if committed by an adult would be a felony and that the juvenile committed the offense, the court shall waive jurisdiction of the juvenile if the court finds that the juvenile has previously been subject to the jurisdiction of the circuit court under this section or section 606 of the revised judiciary act of 1961, Act No. 236 of the Public Acts of 1961, being section 600.606 of the Michigan Compiled Laws, or the recorder's court of the city of Detroit under this section or section 10a(1)(c) of Act No. 369 of the Public Acts of 1919, being section 725.10a of the Michigan Compiled Laws.

(6) If legal counsel has not been retained or appointed to represent the juvenile, the court shall advise the juvenile and his or her parents, guardian, custodian, or guardian ad litem of the juvenile's right to representation and appoint legal counsel. If the court appoints legal counsel, the judge may assess the cost of providing legal counsel as costs against the juvenile or those responsible for his or her support, or both, if the persons to be assessed are financially able to comply.

(7) Legal counsel shall have access to records or reports provided and received by the judge as a basis for decision in proceedings for waiver of jurisdiction. A continuance shall be granted at legal counsel's request if any report, information, or recommendation not previously available is introduced or developed at the hearing and the interests of justice require a continuance.

(8) The court shall enter a written order either granting or denying the motion to waive jurisdiction and the court shall state on the record or in a written opinion the court's findings of fact and conclusions of law forming the basis for entering the order. If a juvenile is waived, a transcript of the court's findings or a copy of the written opinion shall be sent to the court of general criminal jurisdiction.

(9) If the court does not waive jurisdiction, a transcript of the court's findings or, if a written opinion is prepared, a copy of the written opinion shall be sent to the prosecuting attorney, juvenile, or juvenile's attorney upon request.

(10) If the court waives jurisdiction, the juvenile shall be arraigned on an information filed by the prosecutor in the court of general criminal jurisdiction. The probable cause finding under subsection (3) satisfies the requirements of, and is the equivalent of, the preliminary examination required by chapter VI of Act No. 175 of the Public Acts of 1927.

(11) As used in this section, "felony" means an offense punishable by imprisonment for more than 1 year or an offense designated by law as a felony.

712A.13a Definitions; petition; release of juvenile; order removing abusive person from home; placement of child; foster care; conditions; duty of court to inform parties; criminal record check and central registry clearance; family-like setting; parenting time; siblings; joint placement; visitation or other contact; review and modification of orders and plans; release of information; information included with order; "abuse" defined.

Sec. 13a. (1) As used in this section and sections 2, 6b, 13b, 17c, 17d, 18f, 19, 19a, 19b, and 19c of this chapter:

(a) "Agency" means a public or private organization, institution, or facility that is performing the functions under part D of title IV of the social security act, 42 USC 651 to 669b, or that is responsible under court order or contractual arrangement for a juvenile's care and supervision.

(b) "Agency case file" means the current file from the agency providing direct services to the child, that can include the child protective services file if the child has not been removed from the home or the department or contract agency foster care file as provided under 1973 PA 116, MCL 722.111 to 722.128.

(c) "Attorney" means, if appointed to represent a child in a proceeding under section 2(b) or (c) of this chapter, an attorney serving as the child's legal advocate in a traditional attorney-client relationship with the child, as governed by the Michigan rules of professional conduct. An attorney defined under this subdivision owes the same duties of undivided loyalty, confidentiality, and zealous representation of the child's expressed wishes as the attorney would to an adult client. For the purpose of a notice required under these sections, attorney includes a child's lawyer-guardian ad litem.

(d) "Case service plan" means the plan developed by an agency and prepared under section 18f of this chapter that includes services to be provided by and responsibilities and obligations of the agency and activities, responsibilities, and obligations of the parent. The case service plan may be referred to using different names than case service plan including, but not limited to, a parent/agency agreement or a parent/agency treatment plan and service agreement.

FIREARMS LAWS OF MICHIGAN

(e) “Foster care” means care provided to a juvenile in a foster family home, foster family group home, or child caring institution licensed or approved under 1973 PA 116, MCL 722.111 to 722.128, or care provided to a juvenile in a relative’s home under a court order.

(f) “Guardian ad litem” means an individual whom the court appoints to assist the court in determining the child’s best interests. A guardian ad litem does not need to be an attorney.

(g) “Lawyer-guardian ad litem” means an attorney appointed under section 17c of this chapter. A lawyer-guardian ad litem represents the child, and has the powers and duties, as set forth in section 17d of this chapter. The provisions of section 17d of this chapter also apply to a lawyer-guardian ad litem appointed under each of the following:

(i) Section 5213 or 5219 of the estates and protected individuals code, 1998 PA 386, MCL 700.5213 and 700.5219.

(ii) Section 4 of the child custody act of 1970, 1970 PA 91, MCL 722.24.

(iii) Section 10 of the child protection law, 1975 PA 238, MCL 722.630.

(h) “Nonparent adult” means a person who is 18 years of age or older and who, regardless of the person’s domicile, meets all of the following criteria in relation to a child over whom the court takes jurisdiction under this chapter:

(i) Has substantial and regular contact with the child.

(ii) Has a close personal relationship with the child’s parent or with a person responsible for the child’s health or welfare.

(iii) Is not the child’s parent or a person otherwise related to the child by blood or affinity to the third degree.

(i) “Permanent foster family agreement” means an agreement for a child 14 years old or older to remain with a particular foster family until the child is 18 years old under standards and requirements established by the department, which agreement is among all of the following:

(i) The child.

(ii) If the child is a temporary ward, the child’s family.

(iii) The foster family.

(iv) The child placing agency responsible for the child’s care in foster care.

(j) “Relative” means an individual who is at least 18 years of age and related to the child by blood, marriage, or adoption, as grandparent, great-grandparent, great-great-grandparent, aunt or uncle, great-aunt or great-uncle, great-great-aunt or great-great-uncle, sibling, stepsibling, nephew or niece, first cousin or first cousin once removed, and the spouse of any of the above, even after the marriage has ended by death or divorce. A stepparent, ex-stepparent, or the parent who shares custody of a half-sibling shall be considered a relative for the purpose of placement. Notification to the stepparent, ex-stepparent, or the parent who shares custody of a half-sibling is required as described in section 4a of the foster care and adoption services act, 1994 PA 203, MCL 722.954a. A child may be placed with the parent of a man whom the court has found probable cause to believe is the putative father if there is no man with legally established rights to the child. A placement with the parent of a putative father under this subdivision is not a finding of paternity and does not confer legal standing on the putative father.

(k) “Sex offenders registration act” means the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.736.

(l) “Sibling” means a child who is related through birth or adoption by at least 1 common parent. Sibling includes that term as defined by the American Indian or Alaskan native child’s tribal code or custom.

(2) If a juvenile is alleged to be within the provisions of section 2(b) of this chapter, the court may authorize a petition to be filed at the conclusion of the preliminary hearing or inquiry. The court may authorize the petition upon a showing of probable cause that 1 or more of the allegations in the petition are true and fall within the provisions of section 2(b) of this chapter. If a petition is before the court because the department is required to submit the petition under section 17 of the child protection law, 1975 PA 238, MCL 722.637, the court shall hold a hearing on the petition within 24 hours or on the next business day after the petition is submitted, at which hearing the court shall consider at least the matters governed by subsections (4) and (5).

(3) Except as provided in subsections (5) and (6), if a petition under subsection (2) is authorized, the court may release the juvenile in the custody of either of the juvenile’s parents or the juvenile’s guardian or custodian under reasonable terms and conditions necessary for either the juvenile’s physical health or mental well-being.

(4) The court may order a parent, guardian, custodian, nonparent adult, or other person residing in a child’s home to leave the home and, except as the court orders, not to subsequently return to the home if all of the following take place:

(a) A petition alleging abuse of the child by the parent, guardian, custodian, nonparent adult, or other person is authorized under subsection (2).

(b) The court after a hearing finds probable cause to believe the parent, guardian, custodian, nonparent adult, or other person committed the abuse.

(c) The court finds on the record that the presence in the home of the person alleged to have committed the abuse presents a substantial risk of harm to the child’s life, physical health, or mental well-being.

(5) If a petition alleges abuse by a person described in subsection (4), regardless of whether the court orders the alleged abuser to leave the child’s home under subsection (4), the court shall not leave the child in or return the child to the child’s home or place the child with a person not licensed under 1973 PA 116, MCL 722.111 to 722.128, unless the court finds that the conditions of custody at the placement and with the individual with whom the child is placed are adequate to safeguard the child from the risk of harm to the child’s life, physical health, or mental well-being.

(6) If a court finds a parent is required by court order to register under the sex offenders registration act, the department may, but is not required to, make reasonable efforts to reunify the child with the parent. The court may order reasonable efforts to be made by the department.

FIREARMS LAWS OF MICHIGAN

(7) In determining whether to enter an order under subsection (4), the court may consider whether the parent who is to remain in the juvenile's home is married to the person to be removed or has a legal right to retain possession of the home.

(8) An order entered under subsection (4) may also contain 1 or more of the following terms or conditions:

(a) The court may require the alleged abusive parent to pay appropriate support to maintain a suitable home environment for the juvenile during the duration of the order.

(b) The court may order the alleged abusive person, according to terms the court may set, to surrender to a local law enforcement agency any firearms or other potentially dangerous weapons the alleged abusive person owns, possesses, or uses.

(c) The court may include any reasonable term or condition necessary for the juvenile's physical or mental well-being or necessary to protect the juvenile.

(9) The court may order placement of the child in foster care if the court finds all of the following conditions:

(a) Custody of the child with the parent presents a substantial risk of harm to the child's life, physical health, or mental well-being.

(b) No provision of service or other arrangement except removal of the child is reasonably available to adequately safeguard the child from risk as described in subdivision (a).

(c) Continuing the child's residence in the home is contrary to the child's welfare.

(d) Consistent with the circumstances, reasonable efforts were made to prevent or eliminate the need for removal of the child.

(e) Conditions of child custody away from the parent are adequate to safeguard the child's health and welfare.

(10) If the court orders placement of the juvenile outside the juvenile's home, the court shall inform the parties of the following:

(a) That the agency has the responsibility to prepare an initial services plan within 30 days of the juvenile's placement.

(b) The general elements of an initial services plan as required by the rules promulgated under 1973 PA 116, MCL 722.111 to 722.128.

(c) That participation in the initial services plan is voluntary without a court order.

(11) Before or within 7 days after a child is placed in a relative's home, the department shall perform a criminal record check and central registry clearance. If the child is placed in the home of a relative, the court shall order a home study to be performed and a copy of the home study to be submitted to the court not more than 30 days after the placement.

(12) In determining placement of a juvenile pending trial, the court shall order the juvenile placed in the most family-like setting available consistent with the juvenile's needs.

(13) If a juvenile is removed from the parent's custody at any time, the court shall permit the juvenile's parent to have regular and frequent parenting time with the juvenile. Parenting time between the juvenile and his or her parent shall not be less than 1 time every 7 days unless the court determines either that exigent circumstances require less frequent parenting time or that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being. If the court determines that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being, the court may suspend parenting time until the risk of harm no longer exists. The court may order the juvenile to have a psychological evaluation or counseling, or both, to determine the appropriateness and the conditions of parenting time.

(14) Reasonable efforts shall be made to do the following:

(a) Place siblings removed from their home in the same foster care, kinship guardianship, or adoptive placement, unless the supervising agency documents that a joint placement would be contrary to the safety or well-being of any of the siblings.

(b) In the case of siblings removed from their home who are not jointly placed, provide for visitation, at least monthly, or other ongoing interaction between the siblings, unless the supervising agency documents that visitation, at least monthly, or other ongoing interaction would be contrary to the safety or well-being of any of the siblings.

(15) If the supervising agency documents that visitation or other contact is contrary to the safety or well-being of any of the siblings and temporarily suspends visitation or contact, the supervising agency shall report its determination to the court for consideration at the next review hearing.

(16) If the supervising agency temporarily suspends visitation or contact, the court shall review the decision and determine whether sibling visitation or contact will be beneficial to the siblings. If so, the court shall order sibling visitation or contact to the extent reasonable.

(17) Upon the motion of any party, the court shall review custody and placement orders and initial services plans pending trial and may modify those orders and plans as the court considers under this section are in the juvenile's best interests.

(18) The court shall include in an order placing a child in foster care an order directing the release of information concerning the child in accordance with this subsection. If a child is placed in foster care, within 10 days after receipt of a written request, the agency shall provide the person who is providing the foster care with copies of all initial, updated, and revised case service plans and court orders relating to the child and all of the child's medical, mental health, and education reports, including reports compiled before the child was placed with that person.

(19) In an order placing a child in foster care, the court shall include both of the following:

(a) An order that the child's parent, guardian, or custodian provide the supervising agency with the name and address of each of the child's medical providers.

(b) An order that each of the child's medical providers release the child's medical records. The order may specify providers by profession or type of institution.

712A.18 Orders of disposition; reimbursement; guidelines; restitution; condition of probation; revocation or alteration of terms and conditions; community service; biometric data; fingerprints; report to department of state police; payment of assessment; registration of juvenile provided in MCL 28.721 to 28.736; release from placement in juvenile boot camp; imposition of sentence in county jail facility; violation of personal protection order; costs; remission of payment.

Sec. 18. (1) If the court finds that a juvenile concerning whom a petition is filed is not within this chapter, the court shall enter an order dismissing the petition. Except as otherwise provided in subsection (10), if the court finds that a juvenile is within this chapter, the court shall order the juvenile returned to his or her parent if the return of the juvenile to his or her parent would not cause a substantial risk of harm to the juvenile or society. The court may also enter any of the following orders of disposition that are appropriate for the welfare of the juvenile and society in view of the facts proven and ascertained:

(a) Warn the juvenile or the juvenile’s parents, guardian, or custodian and, except as provided in subsection (7), dismiss the petition.

(b) Place the juvenile on probation, or under supervision in the juvenile’s own home or in the home of an adult who is related to the juvenile. As used in this subdivision, “related” means an individual who is not less than 18 years of age and related to the child by blood, marriage, or adoption, as grandparent, great-grandparent, great-great-grandparent, aunt or uncle, great-aunt or great-uncle, great-great-aunt or great-great-uncle, sibling, stepsibling, nephew or niece, first cousin or first cousin once removed, and the spouse of any of the above, even after the marriage has ended by death or divorce. A child may be placed with the parent of a man whom the court has found probable cause to believe is the putative father if there is no man with legally established rights to the child. This placement of the child with the parent of a man whom the court has found probable cause to believe is the putative father is for the purpose of placement only, is not a finding of paternity, and does not confer legal standing. The court shall order the terms and conditions of probation or supervision, including reasonable rules for the conduct of the parents, guardian, or custodian, if any, as the court determines necessary for the physical, mental, or moral well-being and behavior of the juvenile. The court may order that the juvenile participate in a juvenile drug treatment court under chapter 10A of the revised judicature act of 1961, 1961 PA 236, MCL 600.1060 to 600.1088. The court also shall order, as a condition of probation or supervision, that the juvenile shall pay the minimum state cost prescribed by section 18m of this chapter.

(c) If a juvenile is within the court’s jurisdiction under section 2(a) of this chapter, or under section 2(h) of this chapter for a supplemental petition, place the juvenile in a suitable foster care home subject to the court’s supervision. If a juvenile is within the court’s jurisdiction under section 2(b) of this chapter, the court shall not place a juvenile in a foster care home subject to the court’s supervision.

(d) Except as otherwise provided in this subdivision, place the juvenile in or commit the juvenile to a private institution or agency approved or licensed by the department’s division of child welfare licensing for the care of juveniles of similar age, sex, and characteristics. If the juvenile is not a ward of the court, the court shall commit the juvenile to the department or, if the county is a county juvenile agency, to that county juvenile agency for placement in or commitment to an institution or agency as the department or county juvenile agency determines is most appropriate, subject to any initial level of placement the court designates.

(e) Except as otherwise provided in this subdivision, commit the juvenile to a public institution, county facility, institution operated as an agency of the court or county, or agency authorized by law to receive juveniles of similar age, sex, and characteristics. If the juvenile is not a ward of the court, the court shall commit the juvenile to the department or, if the county is a county juvenile agency, to that county juvenile agency for placement in or commitment to an institution or facility as the department or county juvenile agency determines is most appropriate, subject to any initial level of placement the court designates. In a placement under subdivision (d) or a commitment under this subdivision, except to a state institution or a county juvenile agency, the juvenile’s religious affiliation must be protected by placement or commitment to a private child placing or child caring agency or institution, if available. Except for commitment to the department or a county juvenile agency, an order of commitment under this subdivision to a state institution or agency described in the youth rehabilitation services act,

FIREARMS LAWS OF MICHIGAN

1974 PA 150, MCL 803.301 to 803.309, or in 1935 PA 220, MCL 400.201 to 400.214, the court shall name the superintendent of the institution where the juvenile is committed as a special guardian to receive benefits due the juvenile from the government of the United States. An order of commitment under this subdivision to the department or a county juvenile agency must name that agency as a special guardian to receive those benefits. The benefits received by the special guardian must be used to the extent necessary to pay for the portions of the cost of care in the institution or facility that the parent or parents are found unable to pay.

(f) Provide the juvenile with medical, dental, surgical, or other health care, in a local hospital if available, or elsewhere, maintaining as much as possible a local physician-patient relationship, and with clothing and other incidental items the court determines are necessary.

(g) Order the parents, guardian, custodian, or any other person to refrain from continuing conduct that the court determines has caused or tended to cause the juvenile to come within or to remain under this chapter or that obstructs placement or commitment of the juvenile by an order under this section.

(h) Appoint a guardian under section 5204 of the estates and protected individuals code, 1998 PA 386, MCL 700.5204, in response to a petition filed with the court by a person interested in the juvenile's welfare. If the court appoints a guardian as authorized by this subdivision, it may dismiss the petition under this chapter.

(i) Order the juvenile to engage in community service.

(j) If the court finds that a juvenile has violated a municipal ordinance or a state or federal law, order the juvenile to pay a civil fine in the amount of the civil or penal fine provided by the ordinance or law. Money collected from fines levied under this subsection must be distributed as provided in section 29 of this chapter.

(k) If the court finds that the juvenile has violated a court order under section 2(a)(2) to (4) of this chapter, order the juvenile to be placed in a secure facility. A court order under this subdivision must state all of the following:

(i) The court order the juvenile violated.

(ii) The factual basis for determining that there was reasonable cause to believe that the juvenile violated the court order.

(iii) The court's finding of fact to support a determination that there is no appropriate less restrictive alternative placement available considering the best interests of the juvenile.

(iv) The length of time, not to exceed 7 days, that the juvenile may remain in the secure facility and the plan for the juvenile's release from the facility.

(v) That the order may not be renewed or extended.

(l) For a second or subsequent violation of a court order under section 2(a)(2) to (4) of this chapter, issue a second or subsequent order under subdivision (k), but only if the court finds both of the following:

(i) The juvenile violated a court order after the date that the court issued the first order under subdivision (k).

(ii) The court has procedures in place to ensure that a juvenile held in a secure facility by a court order is not in custody more than 7 days or the length of time authorized by the court, whichever is shorter.

(m) If a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter, order the juvenile's parent or guardian to personally participate in treatment reasonably available in the parent's or guardian's location.

(n) If a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter, place the juvenile in and order the juvenile to complete satisfactorily a program of training in a juvenile boot camp established by the department under the juvenile boot camp act, 1996 PA 263, MCL 400.1301 to 400.1309, as provided in that act. If the county is a county juvenile agency, the court shall commit the juvenile to that county juvenile agency for placement in the program under that act. Upon receiving a report of satisfactory completion of the program from the department, the court shall authorize the juvenile's release from placement in the juvenile boot camp. Following satisfactory completion of the juvenile boot camp program, the juvenile shall complete an additional period of not less than 120 days or more than 180 days of intensive supervised community reintegration in the juvenile's local community. To place or commit a juvenile under this subdivision, the court shall determine all of the following:

(i) Placement in a juvenile boot camp will benefit the juvenile.

(ii) The juvenile is physically able to participate in the program.

(iii) The juvenile does not appear to have any mental handicap that would prevent participation in the program.

(iv) The juvenile will not be a danger to other juveniles in the boot camp.

(v) There is an opening in a juvenile boot camp program.

(vi) If the court must commit the juvenile to a county juvenile agency, the county juvenile agency is able to place the juvenile in a juvenile boot camp program.

(o) If the court entered a judgment of conviction under section 2d of this chapter, enter any disposition under this section or, if the court determines that the best interests of the public would be served, impose any sentence upon the juvenile that could be imposed upon an adult convicted of the offense for which the juvenile was convicted. If the juvenile is convicted of a violation or conspiracy to commit a violation of section 7403(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7403, the court may impose the alternative sentence permitted under that section if the court determines that the best interests of the public would be served. The court may delay imposing a sentence of imprisonment under this subdivision for a period not longer than the period during which the court has jurisdiction over the juvenile under this chapter by entering an order of disposition delaying imposition of sentence and placing the juvenile on probation upon the terms and conditions it considers appropriate, including any disposition under this section. If the court delays imposing sentence under this section, section 18i of this chapter applies. If the court imposes sentence, it shall enter a judgment of sentence. If the court imposes a sentence of imprisonment,

FIREARMS LAWS OF MICHIGAN

the juvenile shall receive credit against the sentence for time served before sentencing. In determining whether to enter an order of disposition or impose a sentence under this subdivision, the court shall consider all of the following factors, giving greater weight to the seriousness of the offense and the juvenile's prior record:

(i) The seriousness of the offense in terms of community protection, including, but not limited to, the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm or other dangerous weapon, and the impact on any victim.

(ii) The juvenile's culpability in committing the offense, including, but not limited to, the level of the juvenile's participation in planning and carrying out the offense and the existence of any aggravating or mitigating factors recognized by the sentencing guidelines.

(iii) The juvenile's prior record of delinquency including, but not limited to, any record of detention, any police record, any school record, or any other evidence indicating prior delinquent behavior.

(iv) The juvenile's programming history, including, but not limited to, the juvenile's past willingness to participate meaningfully in available programming.

(v) The adequacy of the punishment or programming available in the juvenile justice system.

(vi) The dispositional options available for the juvenile.

(p) In a proceeding under section 2(b) or (c) of this chapter, if a juvenile is removed from the parent's custody at any time, the court shall permit the juvenile's parent to have regular and frequent parenting time with the juvenile. Parenting time between the juvenile and his or her parent shall not be less than 1 time every 7 days unless the court determines either that exigent circumstances require less frequent parenting time or that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being. If the court determines that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being, the court may suspend parenting time until the risk of harm no longer exists. The court may order the juvenile to have a psychological evaluation or counseling, or both, to determine the appropriateness and the conditions of parenting time.

(2) An order of disposition placing a juvenile in or committing a juvenile to care outside of the juvenile's own home and under state, county juvenile agency, or court supervision must contain a provision for reimbursement by the juvenile, parent, guardian, or custodian to the court for the cost of care or service. The order shall be reasonable, taking into account both the income and resources of the juvenile, parent, guardian, or custodian. The amount may be based upon the guidelines and model schedule created under subsection (6). If the juvenile is receiving an adoption assistance under sections 115f to 115m or 115t of the social welfare act, 1939 PA 280, MCL 400.115f to 400.115m and 400.115t, the amount must not exceed the amount of the support subsidy. The reimbursement provision applies during the entire period the juvenile remains in care outside of the juvenile's own home and under state, county juvenile agency, or court supervision, unless the juvenile is in the permanent custody of the court. The court shall provide for the collection of all amounts ordered to be reimbursed and the money collected must be accounted for and reported to the county board of commissioners. Collections to cover delinquent accounts or to pay the balance due on reimbursement orders may be made after a juvenile is released or discharged from care outside the juvenile's own home and under state, county juvenile agency, or court supervision. Twenty-five percent of all amounts collected under an order entered under this subsection must be credited to the appropriate fund of the county to offset the administrative cost of collections. The balance of all amounts collected under an order entered under this subsection must be divided in the same ratio in which the county, state, and federal government participate in the cost of care outside the juvenile's own home and under state, county juvenile agency, or court supervision. The court may also collect from the government of the United States benefits paid for the cost of care of a court ward. Money collected for juveniles placed by the court with or committed to the department or a county juvenile agency must be accounted for and reported on an individual juvenile basis. In cases of delinquent accounts, the court may also enter an order to intercept state or federal tax refunds of a juvenile, parent, guardian, or custodian and initiate the necessary offset proceedings in order to recover the cost of care or service. The court shall send to the person who is the subject of the intercept order advance written notice of the proposed offset. The notice must include notice of the opportunity to contest the offset on the grounds that the intercept is not proper because of a mistake of fact concerning the amount of the delinquency or the identity of the person subject to the order. The court shall provide for the prompt reimbursement of an amount withheld in error or an amount found to exceed the delinquent amount.

(3) An order of disposition placing a juvenile in the juvenile's own home under subsection (1)(b) may contain a provision for reimbursement by the juvenile, parent, guardian, or custodian to the court for the cost of service. If an order is entered under this subsection, an amount due must be determined and treated in the same manner provided for an order entered under subsection (2).

(4) An order directed to a parent or a person other than the juvenile is not effective and binding on the parent or other person unless opportunity for hearing is given by issuance of summons or notice as provided in sections 12 and 13 of this chapter and until a copy of the order, bearing the seal of the court, is served on the parent or other person as provided in section 13 of this chapter.

(5) If the court appoints an attorney to represent a juvenile, parent, guardian, or custodian, the court may require in an order entered under this section that the juvenile, parent, guardian, or custodian reimburse the court for attorney fees.

(6) The office of the state court administrator, under the supervision and direction of the supreme court, shall create guidelines that the court may use in determining the ability of the juvenile, parent, guardian, or custodian to pay for care and any costs of service ordered under subsection (2) or (3). The guidelines must take into account both the income and resources of the juvenile, parent, guardian, or custodian.

FIREARMS LAWS OF MICHIGAN

(7) If the court finds that a juvenile comes under section 30 of this chapter, the court shall order the juvenile or the juvenile's parent to pay restitution as provided in sections 30 and 31 of this chapter and in sections 44 and 45 of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.794 and 780.795.

(8) If the court imposes restitution as a condition of probation, the court shall require the juvenile to do either of the following as an additional condition of probation:

(a) Engage in community service or, with the victim's consent, perform services for the victim.

(b) Seek and maintain paid employment and pay restitution to the victim from the earnings of that employment.

(9) If the court finds that the juvenile is in intentional default of the payment of restitution, a court may, as provided in section 30 of this chapter, revoke or alter the terms and conditions of probation for nonpayment of restitution. If a juvenile who is ordered to engage in community service intentionally refuses to perform the required community service, the court may revoke or alter the terms and conditions of probation.

(10) The court shall not enter an order of disposition for a juvenile offense as defined in section 1a of 1925 PA 289, MCL 28.241a, or a judgment of sentence for a conviction until the court has examined the court file and has determined that the juvenile's biometric data have been collected and forwarded as required by section 3 of 1925 PA 289, MCL 28.243, and the juvenile's fingerprints have been taken and forwarded as required by the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.736. If a juvenile's biometric data have not been collected or a juvenile has not had his or her fingerprints taken, the court shall do either of the following:

(a) Order the juvenile to submit himself or herself to the police agency that arrested or obtained the warrant for the juvenile's arrest so the juvenile's biometric data can be collected and forwarded and his or her fingerprints can be taken and forwarded.

(b) Order the juvenile committed to the sheriff's custody for collecting and forwarding the juvenile's biometric data and taking and forwarding the juvenile's fingerprints.

(11) Upon final disposition, conviction, acquittal, or dismissal of an offense within the court's jurisdiction under section 2(a)(1) of this chapter, using forms approved by the state court administrator, the clerk of the court entering the final disposition, conviction, acquittal, or dismissal shall immediately advise the department of state police of that final disposition, conviction, acquittal, or dismissal as required by section 3 of 1925 PA 289, MCL 28.243. The report to the department of state police must include information as to the finding of the judge or jury and a summary of the disposition or sentence imposed.

(12) If the court enters an order of disposition based on an act that is a juvenile offense as defined in section 1 of 1989 PA 196, MCL 780.901, the court shall order the juvenile to pay the assessment as provided in that act. If the court enters a judgment of conviction under section 2d of this chapter for an offense that is a felony, misdemeanor, or ordinance violation, the court shall order the juvenile to pay the assessment as provided in that act.

(13) If the court has entered an order of disposition or a judgment of conviction for a listed offense as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722, the court, the department, or the county juvenile agency shall register the juvenile or accept the juvenile's registration as provided in the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.736.

(14) If the court enters an order of disposition placing a juvenile in a juvenile boot camp program, or committing a juvenile to a county juvenile agency for placement in a juvenile boot camp program, and the court receives from the department a report that the juvenile has failed to perform satisfactorily in the program, that the juvenile does not meet the program's requirements or is medically unable to participate in the program for more than 25 days, that there is no opening in a juvenile boot camp program, or that the county juvenile agency is unable to place the juvenile in a juvenile boot camp program, the court shall release the juvenile from placement or commitment and enter an alternative order of disposition. A juvenile must not be placed in a juvenile boot camp under an order of disposition more than once, except that a juvenile returned to the court for a medical condition, because there was no opening in a juvenile boot camp program, or because the county juvenile agency was unable to place the juvenile in a juvenile boot camp program may be placed again in the juvenile boot camp program after the medical condition is corrected, an opening becomes available, or the county juvenile agency is able to place the juvenile.

(15) If the juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter for an offense other than a listed offense as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722, the court shall determine if the offense is a violation of a law of this state or a local ordinance of a municipality of this state that by its nature constitutes a sexual offense against an individual who is less than 18 years of age. If so, the order of disposition is for a listed offense as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722, and the court shall include the basis for that determination on the record and include the determination in the order of disposition.

(16) The court shall not impose a sentence of imprisonment in the county jail under subsection (1)(m) unless the present county jail facility for the juvenile's imprisonment meets all requirements under federal law and regulations for housing juveniles. The court shall not impose the sentence until it consults with the sheriff to determine when the sentence will begin to ensure that space will be available for the juvenile.

(17) In a proceeding under section 2(h) of this chapter, this section only applies to a disposition for a violation of a personal protection order and subsequent proceedings.

(18) If a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter, the court shall order the juvenile to pay costs as provided in section 18m of this chapter.

FIREARMS LAWS OF MICHIGAN

(19) A juvenile who has been ordered to pay the minimum state cost as provided in section 18m of this chapter as a condition of probation or supervision and who is not in willful default of the payment of the minimum state cost may petition the court at any time for a remission of the payment of any unpaid portion of the minimum state cost. If the court determines that payment of the amount due will impose a manifest hardship on the juvenile or his or her immediate family, the court may remit all or part of the amount of the minimum state cost due or modify the method of payment.

712A.18e Application for entry of order setting aside adjudication; filing; contents; submitting copy of application and fingerprints; report; fee; serving copy of application on attorney general and prosecuting attorney; contesting application; notice to victim; definitions; hearing; affidavits; proofs; entry of order; setting aside adjudication as privilege and conditional; effect of entering order; sending copy of order to arresting agency and department of state police; nonpublic record of order and record; availability of nonpublic record; fee; exemption from disclosure; divulging, using, or publishing information as misdemeanor.

Sec. 18e. (1) Except as provided in subsection (2), a person who has been adjudicated of not more than 1 juvenile offense that would be a felony if committed by an adult and not more than 3 juvenile offenses, of which not more than 1 may be a juvenile offense that would be a felony if committed by an adult and who has no felony convictions may file an application with the adjudicating court or adjudicating courts for the entry of an order setting aside the adjudications. A person may have only 1 adjudication for an offense that would be a felony if committed by an adult and not more than 2 adjudications for an offense that would be a misdemeanor if committed by an adult or if there is no adjudication for a felony if committed by an adult, not more than 3 adjudications for an offense that would be a misdemeanor if committed by an adult set aside under this section. Multiple adjudications arising out of a series of acts that were in a continuous time sequence of 12 hours or less and that displayed a single intent and goal constitute 1 offense provided that none of the adjudications constitute any of the following:

- (a) An assaultive crime as that term is defined in subsection (7).
- (b) An offense involving the use or possession of a weapon.
- (c) An offense with a maximum penalty of 10 or more years imprisonment.

(2) A person shall not apply under this section to have set aside, and a judge shall not under this section set aside, any of the following:

(a) An adjudication for an offense that if committed by an adult would be a felony for which the maximum punishment is life imprisonment.

(b) An adjudication for a traffic offense under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, or a local ordinance substantially corresponding to that act, that involves the operation of a vehicle and at the time of the violation is a felony or misdemeanor.

(c) A conviction under section 2d of this chapter. This subdivision does not prevent a person convicted under section 2d of this chapter from having that conviction set aside as otherwise provided by law.

(3) An application under this section shall not be filed until the expiration of 1 year following imposition of the disposition for the adjudication that the applicant seeks to set aside, or 1 year following completion of any term of detention for that adjudication, or when the person becomes 18 years of age, whichever occurs later.

(4) An application under this section is invalid unless it contains the following information and is signed under oath by the person whose adjudication is to be set aside:

(a) The full name and current address of the applicant.

(b) A certified record of the adjudication that is to be set aside.

(c) A statement that the applicant has not been adjudicated of a juvenile offense other than the juvenile offenses sought to be set aside as a result of this application.

(d) A statement that the applicant has not been convicted of any felony offense.

(e) A statement as to whether the applicant has previously filed an application to set aside this or any other adjudication and, if so, the disposition of the application.

(f) A statement as to whether the applicant has any other criminal charge pending against him or her in any court in the United States or in any other country.

(g) A consent to the use of the nonpublic record created under subsection (13), to the extent authorized by subsection (13).

FIREARMS LAWS OF MICHIGAN

(5) The applicant shall submit a copy of the application and 2 complete sets of fingerprints to the department of state police. The department of state police shall compare those fingerprints with the records of the department, including the nonpublic record created under subsection (13), and shall forward a complete set of fingerprints to the Federal Bureau of Investigation for a comparison with the records available to that agency. The department of state police shall report to the court in which the application is filed the information contained in the department's records with respect to any pending charges against the applicant, any record of adjudication or conviction of the applicant, and the setting aside of any adjudication or conviction of the applicant and shall report to the court any similar information obtained from the Federal Bureau of Investigation. The court shall not act upon the application until the department of state police reports the information required by this subsection to the court.

(6) The copy of the application submitted to the department of state police under subsection (5) shall be accompanied by a fee of \$25.00 payable to the state of Michigan. The department of state police shall use the fee to defray the expenses incurred in processing the application.

(7) A copy of the application shall be served upon the attorney general and, if applicable, upon the office of the prosecuting attorney who prosecuted the offense. The attorney general and the prosecuting attorney shall have an opportunity to contest the application. If the adjudication was for an offense that if committed by an adult would be an assaultive crime or serious misdemeanor, and if the name of the victim is known to the prosecuting attorney, the prosecuting attorney shall give the victim of that offense written notice of the application and forward a copy of the application to the victim under section 46a of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.796a. The notice shall be sent by first-class mail to the victim's last known address. The victim has the right to appear at any proceeding under this section concerning that adjudication and to make a written or oral statement. As used in this subsection:

(a) "Assaultive crime" means that term as defined in section 9a of chapter X of the code of criminal procedure, 1927 PA 175, MCL 770.9a.

(b) "Serious misdemeanor" means that term as defined in section 61 of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.811.

(c) "Victim" means that term as defined in section 31 of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.781.

(8) Upon the hearing of the application, the court may require the filing of affidavits and the taking of proofs as it considers proper.

(9) Except as provided in this subsection and subsection (10), if the court determines that the circumstances and behavior of the applicant from the date of the applicant's adjudication to the filing of the application warrant setting aside the 1 adjudication for a juvenile offense that would be a felony if committed by an adult and not more than 2 adjudications for a juvenile offense that would be a misdemeanor if committed by an adult or if there is no adjudication for a felony if committed by an adult, not more than 3 adjudications for an offense that would be a misdemeanor if committed by an adult and that setting aside the adjudication or adjudications is consistent with the public welfare, the court may enter an order setting aside the adjudication. If the applicant submits to the court a certificate of completion from the Michigan youth challenge academy showing that the applicant has completed that program, the court shall determine that the applicant's circumstances and behavior warrant setting aside the adjudication. If the court also determines that setting aside the adjudication or adjudications is consistent with the public welfare, the court may enter an order setting aside the adjudication as provided in this subsection. Except as provided in subsection (10), the setting aside of an adjudication under this section is a privilege and conditional, and is not a right.

(10) If the person files an application with the court and he or she otherwise meets all the requirements, notwithstanding subsection (9), the court shall set aside the adjudication of a person as follows:

(a) The person was adjudicated for an offense that if committed by an adult would be a violation or an attempted violation of section 413 of the Michigan penal code, 1931 PA 328, MCL 750.413.

(b) The person was adjudicated for an offense that if committed by an adult would be a violation or an attempted violation of section 448, 449, or 450 of the Michigan penal code, 1931 PA 328, MCL 750.448, 750.449, and 750.450, or a local ordinance substantially corresponding to section 448, 449, or 450 of the Michigan penal code, 1931 PA 328, MCL 750.448, 750.449, and 750.450, and he or she committed the offense as a direct result of his or her being a victim of a human trafficking violation.

(11) Upon the entry of an order under this section, the applicant is considered not to have been previously adjudicated, except as provided in subsection (13) and as follows:

(a) The applicant is not entitled to the remission of any fine, costs, or other money paid as a consequence of an adjudication that is set aside.

(b) This section does not affect the right of the applicant to rely upon the adjudication to bar subsequent proceedings for the same offense.

(c) This section does not affect the right of a victim of an offense to prosecute or defend a civil action for damages.

(d) This section does not create a right to commence an action for damages for detention under the disposition that the applicant served before the adjudication is set aside under this section.

(12) Upon the entry of an order under this section, the court shall send a copy of the order to the arresting agency and the department of state police.

(13) The department of state police shall retain a nonpublic record of the order setting aside an adjudication for a juvenile offense that would be a felony if committed by an adult and not more than 2 juvenile offenses that would be misdemeanors if committed by an adult or if there is no adjudication for a felony if committed by an adult, not more than 3 adjudications for

Except as provided in subsection (14), this nonpublic record shall be made available only to a court of competent jurisdiction, an agency of the judicial branch of state government, a law enforcement agency, a prosecuting attorney, the attorney general, or the governor upon request and only for the following purposes:

- (a) Consideration in a licensing function conducted by an agency of the judicial branch of state government.
 - (b) Consideration by a law enforcement agency if a person whose adjudication has been set aside applies for employment with the law enforcement agency.
 - (c) To show that a person who has filed an application to set aside an adjudication has previously had an adjudication set aside under this section.
 - (d) The court's consideration in determining the sentence to be imposed upon conviction for a subsequent offense that is punishable as a felony or by imprisonment for more than 1 year.
 - (e) Consideration by the governor, if a person whose adjudication has been set aside applies for a pardon for another offense.
- (14) A copy of the nonpublic record created under subsection (13) shall be provided to the person whose adjudication is set aside under this section upon payment of a fee determined and charged by the department of state police in the same manner as the fee prescribed in section 4 of the freedom of information act, 1976 PA 442, MCL 15.234.
- (15) The nonpublic record maintained under subsection (13) is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.
- (16) Except as provided in subsection (13), a person, other than the applicant, who knows or should have known that an adjudication was set aside under this section, who divulges, uses, or publishes information concerning an adjudication set aside under this section is guilty of a misdemeanor.

The department of state police shall report to the court in which the application is filed the information contained in the department's records with respect to any pending charges against the applicant, any record of adjudication or conviction of the applicant, and the setting aside of any adjudication or conviction of the applicant and shall report to the court any similar information obtained from the Federal Bureau of Investigation. The court shall not act upon the application until the department of state police reports the information required by this subsection to the court.

(7) A copy of the application must be served upon the attorney general and, if applicable, upon the office of the prosecuting attorney who prosecuted the offense. The attorney general and the prosecuting attorney shall have an opportunity to contest the application. If the attorney general or prosecuting attorney wishes to contest an application, the attorney general or prosecuting attorney must do so not later than 35 days after service. If the adjudication was for an offense that if committed by an adult would be an assaultive crime or serious misdemeanor, and if the name of the victim is known to the prosecuting attorney, the prosecuting attorney shall give the victim of that offense written notice of the application and forward a copy of the application to the victim under section 46a of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.796a. The notice must be sent by first-class mail to the victim's last known address. (8) Upon the hearing of the application, the court may require the filing of affidavits and the taking of proofs as it considers proper.

(9) Except as provided in this subsection and subsection (10), if the court determines that the circumstances and behavior of the applicant from the date of the applicant's adjudication to the filing of the application warrant setting aside the 1 adjudication for a juvenile offense that would be a felony if committed by an adult and not more than 2 adjudications for a juvenile offense that would be a misdemeanor if committed by an adult or if there is no adjudication for a felony if committed by an adult, not more than 3 adjudications for an offense that would be a misdemeanor if committed by an adult and that setting aside the adjudication or adjudications is consistent with the public welfare, the court may enter an order setting aside the adjudication. If the applicant submits to the court a certificate of completion from the Michigan youth challenge academy showing that the applicant has completed that program, the court shall determine that the applicant's circumstances and behavior warrant setting aside the adjudication. If the court also determines that setting aside the adjudication or adjudications is consistent with the public welfare, the court may enter an order setting aside the adjudication as provided in this subsection. Except as provided in subsection (10), the setting aside of an adjudication under this section is a privilege and conditional, and is not a right.

(10) If the person files an application with the court and he or she otherwise meets all the requirements, notwithstanding subsection (9), the court shall set aside the adjudication of a person as follows:

(11) Upon the entry of an order under this section, the applicant is considered not to have been previously adjudicated, except as provided in subsection (13) and as follows:

(a) The applicant is not entitled to the remission of any fine, costs, or other money paid as a consequence of an adjudication that is set aside.

(b) This section does not affect the right of the applicant to rely upon the adjudication to bar subsequent proceedings for the same offense.

(c) This section does not affect the right of a victim of an offense to prosecute or defend a civil action for damages.

FIREARMS LAWS OF MICHIGAN

(d) This section does not create a right to commence an action for damages for detention under the disposition that the applicant served before the adjudication is set aside under this section.

(15) The nonpublic record maintained under subsection (13) is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

However, nothing in this section requires a chief of police or county sheriff to issue written permission to any particular petitioner. The issuance of written permission to purchase, own, possess, or use body armor under this section does not relieve any person or entity from criminal liability that might otherwise be imposed.

(7) A person who receives written permission from a chief of police or county sheriff to purchase, own, possess, or use body armor shall have that written permission in his or her possession when he or she is purchasing, owning, possessing, or using body armor.

The court shall consider the victim's request and shall determine which areas the defendant shall be prohibited from accessing. The court shall instruct the entity monitoring the defendant's position to notify the proper authorities if the defendant violates the order. In determining whether to order a defendant to wear an electronic monitoring device, the court shall consider the likelihood that the defendant's participation in electronic monitoring will deter the defendant from seeking to kill, physically injure, stalk, or otherwise threaten the victim prior to trial. The victim may request the court to terminate the victim's participation in the monitoring of the defendant at any time. The court shall not impose sanctions on the victim for refusing to participate in monitoring under this subsection. A defendant described in this subsection shall only be released if he or she agrees to pay the cost of the device and any monitoring as a condition of release or to perform community service work in lieu of paying that cost. An electronic monitoring device ordered to be worn under this subsection shall provide reliable notification of removal or tampering. As used in this subsection:

(a) "Assaultive crime" means that term as defined in section 9a of chapter X.

(b) "Domestic violence" means that term as defined in section 1 of 1978 PA 389, MCL 400.1501.

(c) "Electronic monitoring device" includes any electronic device or instrument that is used to track the location of an individual or to monitor an individual's blood alcohol content, but does not include any technology that is implanted or violates the corporeal body of the individual.

(d) "Informed consent" means that the victim was given information concerning all of the following before consenting to participate in electronic monitoring:

(i) The victim's right to refuse to participate in that monitoring and the process for requesting the court to terminate the victim's participation after it has been ordered.

(ii) The manner in which the monitoring technology functions and the risks and limitations of that technology, and the extent to which the system will track and record the victim's location and movements.

(iii) The boundaries imposed on the defendant during the monitoring program.

(iv) Sanctions that the court may impose on the defendant for violating an order issued under this subsection.

(v) The procedure that the victim is to follow if the defendant violates an order issued under this subsection or if monitoring equipment fails to operate properly.

(vi) Identification of support services available to assist the victim to develop a safety plan to use if the court's order issued under this subsection is violated or if the monitoring equipment fails to operate properly.

(vii) Identification of community services available to assist the victim in obtaining shelter, counseling, education, child care, legal representation, and other help in addressing the consequences and effects of domestic violence.

(viii) The nonconfidential nature of the victim's communications with the court concerning electronic monitoring and the restrictions to be imposed upon the defendant's movements.

FIREARMS LAWS OF MICHIGAN

(7) A judge or district court magistrate may release under this subsection a defendant subject to conditions reasonably necessary for the protection of the public if the defendant has submitted to a preliminary roadside analysis that detects the presence of alcoholic liquor, a controlled substance, or other intoxicating substance, or any combination of them, and that a subsequent chemical test is pending. The judge or district court magistrate shall inform the defendant on the record, either orally or by a writing that is personally delivered to the defendant, of all of the following:

(a) That if the defendant is released under this subsection, he or she shall not operate a motor vehicle under the influence of alcoholic liquor, a controlled substance, or another intoxicating substance, or any combination of them, as a condition of release.

(b) That if the defendant violates the condition of release under subdivision (a), he or she will be subject to arrest without a warrant, shall have his or her bail forfeited or revoked, and shall not be released from custody prior to arraignment.

(8) The judge or district court magistrate shall immediately direct the issuing court or a law enforcement agency within the jurisdiction of the court, in writing, to enter an order or amended order issued under subsection (7) into LEIN. If the order or amended order is rescinded, the judge or district court magistrate shall immediately order the issuing court or law enforcement agency to remove the order or amended order from LEIN.

(9) The issuing court or a law enforcement agency within the jurisdiction of the court shall immediately enter an order or amended order into LEIN. If the order or amended order is rescinded, the court or law enforcement agency shall immediately remove the order or amended order from LEIN upon expiration of the order under subsection (8).

(10) This section does not limit the authority of judges or district court magistrates to impose protective or other release conditions under other applicable statutes or court rules, including ordering a defendant to wear an electronic monitoring device.

(11) As used in this section, "LEIN" means the law enforcement information network regulated under the C.J.I.S. policy council act, 1974 PA 163, MCL 28.211 to 28.215, or by the department of state police.

CHAPTER VI EXAMINATION OF OFFENDERS

766.14 Proceedings where offense charged not felony; transfer of case to family division of circuit court; waiver of jurisdiction; "specified juvenile violation" defined.

Sec. 14. (1) If the court determines at the conclusion of the preliminary examination of a person charged with a felony that the offense charged is not a felony or that an included offense that is not a felony has been committed, the accused shall not be dismissed but the magistrate shall proceed in the same manner as if the accused had initially been charged with an offense that is not a felony.

(2) If at the conclusion of the preliminary examination of a juvenile the magistrate finds that a specified juvenile violation did not occur or that there is not probable cause to believe that the juvenile committed the violation, but that there is probable cause to believe that some other offense occurred and that the juvenile committed that other offense, the magistrate shall transfer the case to the family division of circuit court of the county where the offense is alleged to have been committed.

(3) A transfer under subsection (2) does not prevent the family division of circuit court from waiving jurisdiction over the juvenile under section 4 of chapter XIII A of 1939 PA 288, MCL 712A.4.

(4) As used in this section, "specified juvenile violation" means any of the following:

(b) A violation of section 84 or 110a(2) of the Michigan penal code, 1931 PA 328, MCL 750.84 and 750.110a, if the juvenile is armed with a dangerous weapon. As used in this subdivision, "dangerous weapon" means 1 or more of the following:

(i) A loaded or unloaded firearm, whether operable or inoperable.

(ii) A knife, stabbing instrument, brass knuckles, blackjack, club, or other object specifically designed or customarily carried or possessed for use as a weapon.

(iii) An object that is likely to cause death or bodily injury when used as a weapon and that is used as a weapon or carried or possessed for use as a weapon.

(iv) An object or device that is used or fashioned in a manner to lead a person to believe the object or device is an object or device described in subparagraphs (i) to (iii).

(c) A violation of section 186a of the Michigan penal code, 1931 PA 328, MCL 750.186a, regarding escape or attempted escape from a juvenile facility, but only if the juvenile facility from which the individual escaped or attempted to escape was 1 of the following:

(i) A high-security or medium-security facility operated by the family independence agency or a county juvenile agency.

(ii) A high-security facility operated by a private agency under contract with the family independence agency or a county juvenile agency.

Sec. 1. (1) A judge of a court having jurisdiction may pronounce judgment against and pass sentence upon a person convicted of an offense in that court. The sentence shall not exceed the sentence prescribed by law. The court shall sentence a juvenile convicted of any of the following crimes in the same manner as an adult:

- (a) Arson of a dwelling in violation of section 72 of the Michigan penal code, 1931 PA 328, MCL 750.72.

- (k) Armed robbery in violation of section 529 of the Michigan penal code, 1931 PA 328, MCL 750.529.
- (l) Carjacking in violation of section 529a of the Michigan penal code, 1931 PA 328, MCL 750.529a.

(2) A person convicted of a felony or of a misdemeanor punishable by imprisonment for more than 92 days shall not be sentenced until the court has examined the court file and has determined that the person's fingerprints have been taken.

(3) Unless a juvenile is required to be sentenced in the same manner as an adult under subsection (1), a judge of a court having jurisdiction over a juvenile shall conduct a hearing at the juvenile's sentencing to determine if the best interests of the public would be served by placing the juvenile on probation and committing the juvenile to an institution or agency described in the youth rehabilitation services act, 1974 PA 150, MCL 803.301 to 803.309, or by imposing any other sentence provided by

FIREARMS LAWS OF MICHIGAN

law for an adult offender. Except as provided in subsection (5), the court shall sentence the juvenile in the same manner as an adult unless the court determines by a preponderance of the evidence that the interests of the public would be best served by placing the juvenile on probation and committing the juvenile to an institution or agency described in the youth rehabilitation services act, 1974 PA 150, MCL 803.301 to 803.309. The rules of evidence do not apply to a hearing under this subsection. In making the determination required under this subsection, the judge shall consider all of the following, giving greater weight to the seriousness of the alleged offense and the juvenile's prior record of delinquency:

(a) The seriousness of the alleged offense in terms of community protection, including, but not limited to, the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm or other dangerous weapon, and the impact on any victim.

(b) The juvenile's culpability in committing the alleged offense, including, but not limited to, the level of the juvenile's participation in planning and carrying out the offense and the existence of any aggravating or mitigating factors recognized by the sentencing guidelines.

(c) The juvenile's prior record of delinquency including, but not limited to, any record of detention, any police record, any school record, or any other evidence indicating prior delinquent behavior.

(d) The juvenile's programming history, including, but not limited to, the juvenile's past willingness to participate meaningfully in available programming.

(e) The adequacy of the punishment or programming available in the juvenile justice system.

(f) The dispositional options available for the juvenile.

(4) With the consent of the prosecutor and the defendant, the court may waive the hearing required under subsection (3). If the court waives the hearing required under subsection (3), the court may place the juvenile on probation and commit the juvenile to an institution or agency described in the youth rehabilitation services act, 1974 PA 150, MCL 803.301 to 803.309, but shall not impose any other sentence provided by law for an adult offender.

(5) If a juvenile is convicted of a violation or conspiracy to commit a violation of section 7403(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7403, the court shall determine whether the best interests of the public would be served by imposing the sentence provided by law for an adult offender, by placing the individual on probation and committing the individual to an institution or agency under subsection (3), or by imposing a sentence of imprisonment for any term of years but not less than 25 years. If the court determines by clear and convincing evidence that the best interests of the public would be served by imposing a sentence of imprisonment for any term of years but not less than 25 years, the court may impose that sentence. In making its determination, the court shall use the criteria specified in subsection (3).

(6) The court shall state on the record the court's findings of fact and conclusions of law for the probation and commitment decision or sentencing decision made under subsection (3). If a juvenile is committed under subsection (3) to an institution or agency described in the youth rehabilitation services act, 1974 PA 150, MCL 803.301 to 803.309, a transcript of the court's findings shall be sent to the family independence agency or county juvenile agency, as applicable.

(7) If a juvenile is committed under subsection (3) or (4) to an institution or agency described in the youth rehabilitation services act, 1974 PA 150, MCL 803.301 to 803.309, the written order of commitment shall contain a provision for the reimbursement to the court by the juvenile or those responsible for the juvenile's support, or both, for the cost of care or service. The amount of reimbursement ordered shall be reasonable, taking into account both the income and resources of the juvenile and those responsible for the juvenile's support. The amount may be based upon the guidelines and model schedule prepared under section 18(6) of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.18. The reimbursement provision applies during the entire period the juvenile remains in care outside the juvenile's own home and under court supervision. The court shall provide for the collection of all amounts ordered to be reimbursed, and the money collected shall be accounted for and reported to the county board of commissioners. Collections to cover delinquent accounts or to pay the balance due on reimbursement orders may be made after a juvenile is released or discharged from care outside the juvenile's own home and under court supervision. Twenty-five percent of all amounts collected pursuant to an order entered under this subsection shall be credited to the appropriate fund of the county to offset the administrative cost of collections. The balance of all amounts collected pursuant to an order entered under this subsection shall be divided in the same ratio in which the county, state, and federal government participate in the cost of care outside the juvenile's own home and under county, state, or court supervision. The court may also collect benefits paid by the government of the United States for the cost of care of the juvenile. Money collected for juveniles placed with or committed to the family independence agency or a county juvenile agency shall be accounted for and reported on an individual basis. In cases of delinquent accounts, the court may also enter an order to intercept state tax refunds or the federal income tax refund of a child, parent, guardian, or custodian and initiate the necessary offset proceedings in order to recover the cost of care or service. The court shall send to the person who is the subject of the intercept order advance written notice of the proposed offset. The notice shall include notice of the opportunity to contest the offset on the grounds that the intercept is not proper because of a mistake of fact concerning the amount of the delinquency or the identity of the person subject to the order. The court shall provide for the prompt reimbursement of an amount withheld in error or an amount found to exceed the delinquent amount.

(8) If the court appoints an attorney to represent a juvenile, an order entered under this section may require the juvenile or person responsible for the juvenile's support, or both, to reimburse the court for attorney fees.

(9) An order directed to a person responsible for the juvenile's support under this section is not binding on the person unless an opportunity for a hearing has been given and until a copy of the order is served on the person, personally or by first-class mail to the person's last known address.

FIREARMS LAWS OF MICHIGAN

(10) If a juvenile is placed on probation and committed under subsection (3) or (4) to an institution or agency described in the youth rehabilitation services act, 1974 PA 150, MCL 803.301 to 803.309, the court shall retain jurisdiction over the juvenile while the juvenile is on probation and committed to that institution or agency.

(11) If the court has retained jurisdiction over a juvenile under subsection (10), the court shall conduct an annual review of the services being provided to the juvenile, the juvenile's placement, and the juvenile's progress in that placement. In conducting this review, the court shall examine the juvenile's annual report prepared under section 3 of the juvenile facilities act, 1988 PA 73, MCL 803.223. The court may order changes in the juvenile's placement or treatment plan including, but not limited to, committing the juvenile to the jurisdiction of the department of corrections, based on the review.

(12) If an individual who is under the court's jurisdiction under section 4 of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.4, is convicted of a violation or conspiracy to commit a violation of section 7403(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7403, the court shall determine whether the best interests of the public would be served by imposing the sentence provided by law for an adult offender or by imposing a sentence of imprisonment for any term of years but not less than 25 years. If the court determines by clear and convincing evidence that the best interests of the public would be served by imposing a sentence of imprisonment for any term of years but not less than 25 years, the court may impose that sentence. In making its determination, the court shall use the criteria specified in subsection (3) to the extent they apply.

(13) If the defendant is sentenced for an offense other than a listed offense as defined in section 2(d)(i) to (ix) and (xi) to (xiii) of the sex offenders registration act, 1994 PA 295, MCL 28.722, the court shall determine if the offense is a violation of a law of this state or a local ordinance of a municipality of this state that by its nature constitutes a sexual offense against an individual who is less than 18 years of age. If so, the conviction is for a listed offense as defined in section 2(d)(x) of the sex offenders registration act, 1994 PA 295, MCL 28.722, and the court shall include the basis for that determination on the record and include the determination in the judgment of sentence.

(14) When sentencing a person convicted of a misdemeanor involving the illegal delivery, possession, or use of alcohol or a controlled substance or a felony, the court shall examine the presentence investigation report and determine if the person being sentenced is licensed or registered under article 15 of the public health code, 1978 PA 368, MCL 333.16101 to 333.18838. The court shall also examine the court file and determine if a report of the conviction upon which the person is being sentenced has been forwarded to the department of consumer and industry services as provided in section 16a. If the report has not been forwarded to the department of consumer and industry services, the court shall order the clerk of the court to immediately prepare and forward the report as provided in section 16a.

The People of the State of Michigan enact:

800.283 Weapons; prohibitions.

Sec. 3. (1) Unless authorized by the chief administrator of the correctional facility, a weapon or other implement which may be used to injure a prisoner or other person, or in assisting a prisoner to escape from imprisonment, shall not be sold, given, or furnished, either directly or indirectly, to a prisoner who is in or on the correctional facility, or be disposed of in a manner or in a place that it may be secured by a prisoner who is in or on the correctional facility.

(2) Unless authorized by the chief administrator of the correctional facility, a person, who knows or has reason to know that another person is a prisoner, shall not sell, give, or furnish, either directly or indirectly, to that prisoner anywhere outside of a correctional facility a weapon or other implement which may be used to injure a prisoner or other person or in assisting a prisoner to escape from imprisonment.

(3) Unless authorized by the chief administrator of the correctional facility, a weapon or other implement which may be used to injure a prisoner or other person, or in assisting a prisoner to escape from imprisonment, shall not be brought into or onto any correctional facility.

Constitutionality: In *People v Stanton*, 400 Mich. 192; 253 NW2d 650 (1977), the Michigan supreme court declared 1972 PA 105, which amended this section, unconstitutional due to a defect in the title to 1909 PA 17. The law as embodied in the 1972 amendment was voided, not the act title. The amendment of the title by 1977 PA 164 following the declaration of unconstitutionality of a portion of the act itself did not suffice to resurrect the voided portion. If the voided portion is to be once again considered a part of the law, it must be “revised, altered, or amended” and “re-enacted and published at length” pursuant to Const 1963, art IV, § 25. *People v Clabin*, 411 Mich 472; 307 NW2d 682 (1981). This section and the title to 909 PA 17 were subsequently amended by 1982 PA 343.

OPINIONS OF THE ATTORNEY GENERAL

Opinion No. 3158

February, 1945

CONCEALED WEAPONS:

General discussion relative to concealed weapons.

MR. CLYDE H. EDGAR,
Sheriff,
Jackson County,
Jackson, Michigan.

DEAR SIR:

Your letter addressed to the Michigan State Police and dated January 31, 1945 has been referred to me for reply. In your letter you ask substantially the following questions on weapons or firearms:

1. Is a weapon considered concealed when carried in a holster outside of all the clothing of a person?
2. Is it necessary to have a license to carry a concealed pistol when such pistol is being transported from a city home to a place in the country, each of which places is owned by the party transporting the pistol, when the purpose of such transportation is target practice? Would the answer be the same if the place to which the pistol was being transported was owned by a near relative?
3. If a pistol is carried concealed or openly, with clip or cylinder removed, must a license be obtained?
4. A number of our local factories hire men for guard work only and furnish them with guns while on duty only. Is it necessary for them to have licenses to carry such guns?

The late Wm. W. Potter rendered an opinion in April of 1927 on the subject of your first question and I quote the following from that opinion:

“The statute does not mean or import that no part of the weapons should be concealed, but the offense is only committed when the weapon is so concealed that it is impossible for one approaching in view of the person carrying the weapon to see any part of it. All that the Legislature meant when it prohibited the carrying of concealed weapons was to compel persons to so wear them that others who might come in contact with them might see that they were armed and dangerous persons, who were to be avoided in consequence, for, if it should be required that no part of the weapon should be concealed, the statute would amount to an infringement of the constitutional right of citizens to have and bear arms, since it would be impossible for one to have and bear about his person a pistol or weapon of any kind without having some part of it concealed.

“*Stockdale v. State*, 32 Ga. 225, 227.

“I am, therefore, of the opinion that if a pistol is carried in a holster or belt, on the outside of the clothing so as to be in plain view, it does not constitute carrying a concealed weapon. If it is worn under a coat, it would be, in my judgment, a violation of the statute, as the same would then not be in plain view.”

I agree with the conclusions reached in that opinion.

Relative to your second question, it is my opinion that Section 231 of Chapter 27 of the Penal Code of the State of Michigan (Sec. 28.428, Mich. Stat. Ann.) fairly defines the exceptions to the licensing act and therefore it is quoted:

“The provisions of the second (2nd), third (3rd), sixth (6th) and seventh (7th) sections of this chapter shall not apply to any peace officer of the state or any subdivision thereof who is regularly employed and paid by the state or such subdivision, or to any member of the army, navy or marine corps of the United States or of organizations authorized by law to purchase or receive weapons from the United States or from this state, nor to the national guard or other duly authorized military organizations when on duty or drill, nor to the members thereof in going to or returning from their customary places of assembly or practice, nor to a person licensed to carry a pistol concealed upon his person issued by another state, nor to the regular and ordinary transportation of pistols as merchandise, or to any person while carrying a pistol unloaded in a wrapper from the place of purchase to his home or place of business or to a place of repair or back to his home or place of business, or in moving goods from one place of abode or business to another.”

This section does not except the case of a person transporting a pistol from his city to his country home for target practice and it is therefore my opinion that it would be illegal to do so without the license to carry concealed weapons. The same would certainly be true in case the pistol was being transported to a place owned by a near relative.

FIREARMS LAWS OF MICHIGAN

Answering your third question, it is my opinion that, if carried openly, no license would be required since the weapon would not be concealed. However, if carried concealed, a license would be required regardless of whether the clip or cylinder were removed.

People v. Williamson, 200 Mich. 342.

Replying to your fourth question, Opinion No. O-926, dated July 6, 1942, copy of which is enclosed, relative to plant protection men who are members of the auxiliary military police, seems to cover that situation adequately. However, as to plant protection men who are not members of military police auxiliary, it is my opinion that a license to carry concealed weapons is required. No license would be required if the weapons are carried openly.

Very truly yours,
JOHN R. DETHMERS,
Attorney General.

FIREARMS LAWS OF MICHIGAN

Opinion No. 5215

FIREARMS:

Return of stolen firearm to owner.

The State Police may return a pistol whose serial number has been altered or removed by another person to its owner after the State Police has restamped the weapon with either its original serial number or a new number issued by the Department and the owner may not be prosecuted for possession of a firearm whose number has been altered, removed or obliterated by another person.

Colonel Gerald L. Hough
Director
Department of State Police
714 South Harrison Road
East Lansing, Michigan 48823

You have requested my opinion on the following questions:

‘1. Can the Department of State Police return to its rightful owner, a pistol whose serial number has been either altered or removed if, prior to being returned, the department restamps the weapon with either its original serial number or a new number issued by the department?’

‘2. In following the procedure suggested in question number 1, would the owner then be secure from prosecution under MCL Sec. 750.230; MSA Sec. 28.427? (The assumption is made that the weapon would be properly registered once returned.)’

Section 230 of the Michigan Penal Code, 1931 PA 328, Sec. 230, provides in pertinent part:

‘A person who shall wilfully alter, remove or obliterate the name of the maker, model, manufacturer’s number or other mark of identify of a pistol, shall be guilty of a felony, punishable by imprisonment for not more than 2 years or a fine of not more than \$1,000.00. Possession of a firearm upon which the number shall have been altered, removed or obliterated, . . . shall be presumptive evidence that the possessor has altered, removed or obliterated the same.’

Thus, although the statute prohibits the alteration, removal, or obliteration of the name of the maker, model, manufacturer’s number or other mark of identity of any pistol, it does not prohibit possession of a pistol on which the mark of identity has been altered. It merely creates a rebuttal presumption that the person in possession of such a weapon is the one who altered the identification. *People v Petro*, 342 Mich 299, 306; 70 NW2d 69, 70 (1955). It must also be noted that the role of a statutory presumption is to establish a prima facie case; however, if the presumption is challenged by rebuttal evidence, the presumption cannot be weighed against the evidence. *Gillette v Michigan United Tractor Co*, 205 Mich 410; 171 NW 576 (1919).

In response to question number 1, it is therefore my opinion that the Department of the State Police may return the weapon in question to its owner, in the event the department restamps the weapon with either its original or a new serial number issued by the department and, in answer to your second question, since the owner can show that he did not alter the identification of the pistol, he may not be prosecuted for violation of 1931 PA 328, Sec. 230, *supra*.

Opinion No. 5960

FIREARMS:

Limitation on target practice within a township

The Game Law of 1929, 1929 PA 286, Sec. 10b does not prohibit target practice within a township.

A hunting area control committee is empowered to adopt regulations prohibiting the discharge of firearms in a township or portions thereof in accordance with 1967 PA 159.

Mr. Doyle A. Rowland
Prosecuting Attorney
County of Midland
Courthouse
Midland, Michigan 48640

You have requested my opinion on the following question:

Does MCLA 312.10b(2) prohibit a land-owner from target practicing on his own property located in a township where other residences are within 150 yards, even though such target practicing is carried on in a safe and prudent manner?

The Game Law of 1929, 1929 PA 286, Sec. 10b, as added by 1968 PA 61, MCLA 312.10b; MSA 13.1339(2),⁽¹⁾ provides as follows:

‘(1) For the purpose of this section, ‘safety zone’ means any area within 150 yards of any occupied dwelling house, residence, or any other building, cabin, camp or cottage when occupied by human beings or any barn or other building used in connection therewith.

‘(2) No person, other than the owner, tenant or occupant, shall shoot or discharge any firearm or other dangerous weapon, or hunt for or shoot any wild bird or wild animal while it is within such safety zone, without the specific permission of the owner, tenant or occupant thereof.

‘(3) The provisions of this section shall not apply to any landowner, tenant or occupant thereof or their invited guest while hunting on their own property, or to any riparian owner or their tenant or guest while shooting waterfowl lakeward over water from their upland or lakeward from a boat or blind over their submerged soil.’

At the time the Legislature enacted amendatory 1968 PA 61, the title to 1929 PA 286, *supra*, stated:

‘AN ACT to provide for the protection of wild animals and wild birds; to regulate the taking, possession, use and transportation of same; to prohibit the sale of game animals and birds; to regulate the manner of hunting, pursuing and killing game animals, birds and fur-bearing animals; to provide for the issuing of licenses and permits for the taking, hunting or killing of all wild animals and birds and the disposition of the moneys derived therefrom; to provide penalties for the violation of any of the provisions of this act, and to repeal certain acts relating thereto.’

1968 PA 61 did not amend the title to 1929 PA 286, *supra*.

It is a cardinal rule of statutory construction that the Legislature is presumed to have intended the plain meaning of words used by it. *Florentine Ristorante, Inc v City of Grandville*, 88 Mich App 614, 619; 278 NW2d 694, *lv den* 406 Mich 963 (1979).

The Legislature in the enactment of 1929 PA 286, *supra*, indicated in the title thereof its intention to provide for the protection of wild animals and wild birds; to regulate the taking, possession, use and transportation of same; and, to regulate the manner of hunting, pursuing and killing game animals, birds and fur-bearing animals.

1929 PA 286, Sec. 10b, *supra*, as set forth above in (2) thereof, further regulates the hunting and taking of wild birds or wild animals within the safety zone as defined in (1). The focus of this section is the hunting and taking of wild birds and wild animals.

Thus, the intention of the Legislature, 1929 PA 286, Sec. 10b, *supra*, was the control and limitation of the discharge of weapons in the hunting and taking of wild birds and wild game and not the discharge of weapons in target practice activities.

It is my opinion, therefore, that 1929 PA 286, Sec. 10b(2), *supra*, does not prohibit a landowner from target practicing on his own property where other residences are within 150 yards, even though target practice is carried on in a safe and prudent manner.

⁽¹⁾ The Legislature has enacted the Hunting and Fishing License Act, 1980 PA 86, MCLA 316.10 *et seq*; MSA 13.1350(101) *et seq*, repealing many sections of 1929 PA 286, *supra*, but leaving Sec. 10b intact.

FIREARMS LAWS OF MICHIGAN

While 1929 PA 286, Sec. 10b, *supra*, does not regulate or prohibit target practice within a township not involving hunting, the Legislature has provided for the regulation and prohibition of the discharge of firearms in townships by 1967 PA 159, MCLA 317.331 *et seq*; MSA 13.1397(101) *et seq*. In 1967 PA 159, *supra*, Sec. 1, the Legislature has authorized the creation of a hunting area control committee and empowered it, in the interest of public safety and general welfare, to regulate and prohibit the discharge of firearms upon resolution of the township board that the safety and well being of persons or property are in danger because of the discharge of firearms. 1967 PA 159, *supra*, Sec. 2. After a public hearing, the committee submits its findings and recommendations in the form of proposed regulations to the township board for its approval. 1967 PA 159, *supra*, Sec. 3. If the township board approves the proposed regulations, the committee reports them in accordance with 1969 PA 306, MCLA 24.201 *et seq*; MSA 3.560(101) *et seq*. For examples of regulations promulgated by such committees, see 1979 MAC R 317.120.3 *et seq*.

It is further my opinion that a hunting area control committee is empowered to prohibit the discharge of firearms in the township or portions thereof.

FIREARMS LAWS OF MICHIGAN

Opinion No. 6015
November 30, 1981

WEAPONS:

Peace officers possessing automatic weapons

A peace officer may acquire and possess, without a license, an automatic weapon provided that the employer of the peace officer does not adopt a rule or policy prohibiting the acquisition or possession of such automatic weapons.

Honorable Dan L. DeGrow
State Representative
State Capitol Building
Lansing, Michigan

You have requested my opinion on whether peace officers may possess automatic weapons.

The Michigan Penal Code, 1931 PA 328, Ch XXXVII, Sec. 224(1), as last amended by 1980 PA 346; MCLA 750.224; MSA 28.421, provides:

‘A person shall not manufacture, sell, offer for sale, or possess a machine gun or firearm which shoots or is designed to shoot automatically more than 1 shot without manual reloading, by a single function of the trigger; a muffler, silencer, or device for deadening or muffling the sound of a discharged firearm; a bomb or bombshell; a blackjack, slungshot, billy, metallic knuckles, sand club, sand bag, or bludgeon; or any type of device, weapon, cartridge, container, or contrivance designed for the purpose of rendering a person either temporarily or permanently disabled by the ejection, release, or emission of a gas or other substance. A person who violates this section is guilty of a felony, punishable by imprisonment for not more than 5 years, or a fine of not more than \$2,500.00, or both.’ (Emphasis added.)

OAG, 1977-1978, No 5210, p 189 (August 10, 1977), concluded that it is unlawful for a private citizen to acquire or possess, without a license, a machine gun or a weapon with a silencer.

In 1931 PA 328, Ch XXXVII, Sec. 231; MCLA 750.231; MSA 28.428, the Legislature has provided an exception to the restrictions of 1931 PA 328, Ch XXXVII, Sec. 224, *supra*, as follows:

‘Sections 224 and 227 do not apply to any peace officer of a duly authorized police agency of the United States or of the state or any subdivision thereof who is regularly employed and paid by the United States or the state or such subdivision, nor to any person regularly employed by the state department of corrections, and authorized in writing by the director of corrections to carry a concealed weapon while in the official performance of his duties or while going to or returning from such duties, nor to any member of the army, air force, navy or marine corps of the United States when carrying weapons in line of or incidental to duty, nor to organizations authorized by law to purchase or receive weapons from the United States or from this state, nor to members of the national guard, armed forces reserves or other duly authorized military organizations when on duty or drill, or in going to or returning from their places of assembly or practice by a direct route or otherwise, while carrying weapons used for purposes of the national guard, armed forces reserves or other duly authorized military organizations.’ (Emphasis added.)

A plain reading of 1931 PA 328, Ch XXXVII, Sec. 231, *supra*, indicates that the proscriptions contained in 1931 PA 328, Ch XXXVII, Sec. 224, *supra*, have no application to peace officers who are regularly employed and paid by the State of Michigan or any subdivision thereof. The Legislature has imposed no conditions upon the peace officer exemption other than the requirements that the peace officer be regularly employed and paid by the state or any subdivision thereof. On the other hand, persons employed by the Department of Corrections are exempted from 1931 PA 328, Ch XXXVII, Sec. 224, *supra*, only if that person has authorization in writing to carry a concealed weapon and only ‘while in the official performance of his duties or while going to or returning from such duties.’ Similarly, members of the Army, Air Force, Navy or Marine Corps are exempt only ‘when carrying weapons in the line of or incidental to duty.’ Likewise, members of the National Guard, Armed Forces Reserves or other duly authorized military organizations are exempt ‘when on duty or drill,’ in transportation of these weapons by direct route or otherwise, or while carrying such weapons for purposes arising out of their military duties.

If a statute is clear and unambiguous, judicial construction or interpretation is unwarranted. *Nordman v Calhoun*, 332 Mich 460; 51 NW2d 906 (1952). Moreover, because 1931 PA 328, Ch XXXVII, Secs. 224 and 231, *supra*, are penal in nature, they must be strictly construed. *People v Lockwood*, 308 Mich 618, 622; 14 NW2d 517, 518 (1944); *People v Reynolds*, 71 Mich 343, 348; 38 NW 923, 925 (1888). 1931 PA 328, Ch XXXVII, Sec. 231, *supra*, is clear and unambiguous. Unlike employees of the Department of Corrections or military personnel, no conditions are attached to the exemption as it relates to peace officers regularly employed and paid by the state or any subdivision thereof.

FIREARMS LAWS OF MICHIGAN

While the wisdom of a public policy permitting peace officers to acquire automatic weapons is open to doubt, I am constrained to conclude that the Legislature has permitted regularly employed and paid peace officers to acquire and possess automatic weapons without a license.

However, there is nothing in 1931 PA 328, Ch XXXVII, Sec. 231, *supra*, which would prevent or limit the director of the Department of State Police, county sheriffs, local chiefs of police, or other police supervisory councils from placing restrictions upon the acquisition and possession of such weapons. In *Eaton County Deputy Sheriffs Associations v Eaton County Sheriff*, 37 Mich App 427; 195 NW2d 12 (1971), the court held that a sheriff has the authority to prohibit his deputies from carrying their own service revolvers while off duty notwithstanding the statutory exemption for peace officers contained in 1931 PA 328, Ch XXXVII, Sec. 231, *supra*. In its opinion, the court noted:

‘We find that the exemption of peace officers from obtaining licenses to carry concealed weapons in no way limits the power inherent in the office of sheriff to promulgate rules and regulations pertaining to the employment of deputies. MCLA Sec. 750.231 (Stat Ann 1971 Cum Supp Sec. 28.428) merely provides that Secs. 224 and 227 do not apply to peace officers. Therefore, the officers may carry concealed weapons without being guilty of a felony.

‘However, in our opinion, MCLA Sec. 750.231 in no way limits the power of the sheriff to make rules and regulations which, in his opinion, improve the quality of law enforcement and increase the safety of the citizens in the community. We therefore hold that the trial court was correct in dismissing the plaintiff’s complaint.’

It also should be observed that 1935 PA 59, Sec. 9; MCLA 28.9; MSA 4.439, vests the director of the Department of State Police with authority to adopt rules and regulations for the control, discipline and conduct of members of the department; 1895 PA 3, Ch VII, Sec. 45; MCLA 67.45; MSA 5.1329, authorizes the village council to make all necessary rules for the government of the village police department; and 1951 PA 181, Sec. 5; MCLA 41.855; MSA 5.2640(35), empowers the township board of any township to establish rules and regulations for the operation of the township police department and its officers, detectives and employees. As to cities, the Michigan Supreme Court has held that members of a city police department subject themselves to reasonable rules and regulations adopted by the board of control of the department. *Aller v Detroit Police Department Trial Board*, 309 Mich 382; 15 NW2d 676 (1944).

It is my opinion, therefore, that peace officers in Michigan may possess, without a license, machine guns or other automatic weapons, subject to restrictions placed upon such acquisition or possession by their supervisory board or official, as the case may be.

CONCEALED WEAPON LICENSE:

Michigan resident with a concealed weapon license acquired from another state

A Michigan resident may not carry a concealed pistol in Michigan if the resident has only acquired a license to carry a concealed pistol from another state.

Honorable David Jaye

State Representative

The Capitol

Lansing, MI

You have asked whether a Michigan resident may carry a concealed pistol in Michigan if the resident has only acquired a license to carry a concealed pistol from another state.

MCL 28.432a; MSA 28.98(1), provides:

Section 6 [requiring a concealed weapon license to carry a concealed pistol] does not apply to:

(f) A person licensed to carry a pistol concealed upon his or her person issued by another state.

Similarly, MCL 750.231a; MSA 28.428(1), states:

(1) Section 227 [prohibiting carrying a concealed pistol without a license] does not apply to any of the following:

(a) To a person holding a valid license to carry a pistol concealed upon his or her person issued by another state except where the pistol is carried in non-conformance with a restriction appearing on the license.

The above-quoted statutory provisions clearly apply to a resident of another state that obtains a license to carry a concealed pistol in that state and then comes into the State of Michigan. The question is whether the exemption is also applicable to a Michigan resident that obtains a license to carry a concealed pistol from another state and, on that basis, claims an exemption from the requirements of Michigan's concealed weapon laws.

In section 6 of 1927 PA 372, MCL 28.426; MSA 28.93, the Legislature has established a comprehensive procedure for determining whether a Michigan resident should be issued a license to carry a pistol concealed on the person or in a vehicle operated or occupied by the applicant. Subsection (1) of section 6 provides:

The prosecuting attorney, the sheriff, and the director of the department of state police, or their respective authorized deputies, shall constitute boards exclusively authorized to issue a license to an applicant residing within their respective counties, to carry a pistol concealed on the person and to carry a pistol, whether concealed or otherwise, in a vehicle operated or occupied by the applicant. The county clerk of each county shall be clerk of the licensing board, which board shall be known as the concealed weapon licensing board. A license to carry a pistol concealed on the person or to carry a pistol, whether concealed or otherwise, in a vehicle operated or occupied by the person applying for the license, shall not be granted to a person unless the person is 18 years of age or older, is a citizen of the United States, and has resided in this state 6 months or more. A license shall not be issued unless it appears that the applicant has good reason to fear injury to his or her person or property, or has other proper reasons, and is a suitable person to be licensed. A license shall not be issued to a person who was convicted of a felony or confined for a felony conviction in this state or elsewhere during the 8-year period immediately preceding the date of the application or was adjudged insane unless the person was restored to sanity and so declared by court order.
[Emphasis added.]

Subsection (4) requires fingerprinting the applicant and sending the fingerprints to the Michigan Department of State Police and the Federal Bureau of Investigation to ascertain whether there has been a felony conviction or confinement for a felony conviction within the 8-year period. Subsection (5) provides that the concealed pistol license may be restricted, on the face of the license, consistent with the reasons the license was issued. Under subsection (6), a concealed pistol license may not be issued for more than three years and a renewal may not be granted unless a new application is filed.

Michigan's appellate courts have consistently recognized that the Legislature has imposed comprehensive requirements an applicant must meet to obtain a concealed pistol license from a county gun board. In *People v McFadden*, 31 Mich App 512, 516; 188 NW2d 141 (1971), the court stated:

Pursuant to constitutional requirements, the statute enumerates explicit criteria to guide the concealed weapon licensing board in processing applications. Thus, any suggestion that absence of standards creates a potential for arbitrary action lacks merit.

FIREARMS LAWS OF MICHIGAN

Subsequently, in *Hanselman v Wayne County Weapon Bd*, 419 Mich 168, 189; 351 NW2d 544 (1984), the Supreme Court declared:

Each concealed weapon licensing board must determine “proper reason” and “suitability” based upon consideration of local needs and an exercise of its discretion. As the Court of Appeals recognized in *Bay County Concealed Weapons Licensing Board v Gasta*, 96 Mich App 784, 789-791; 293 NW2d 707 (1980), the Legislature intends the concealed weapon licensing boards to apply local and discretionary standards in deciding whether to grant an applicant a concealed weapon license:

“The licensing board is comprised of one representative each from the County Prosecutor’s Office, the State Police, and the County Sheriff’s Department. By creating a board composed of law enforcement officials and giving it the exclusive authority to issue, deny and revoke permits for concealed weapons, the Legislature has insured that an individual’s perceived need to carry a concealed weapon will be evaluated in light of the experience and knowledge of community needs possessed by these local officials. The potential danger which a concealed weapon poses to the unsuspecting public justifies that licensing procedures be entrusted to a board comprised of law enforcement officials.

“In view of the inherent potential danger which accompanies the issuance of a permit to carry a concealed weapon, the licensing board as composed reflects the Legislature’s intent that power to issue and revoke such [concealed weapon] licenses is properly placed with those professionals most able to assess community needs and problems in this area.” [*Emphasis added.*]

There are many rules for interpreting statutes. The ultimate goal of all such rules is to ascertain and implement the legislative intent, even if the intent might appear in conflict with the literal language of the statute. *People v Stoudemire*, 429 Mich 262, 266; 414 NW2d 693 (1987). Also, statutes must be interpreted to avoid absurd consequences. *Webster v Rotary Electric Steel Co*, 321 Mich 526, 531; 33 NW2d 69 (1948).

Here, the Legislature has created local gun boards with the exclusive authority to issue concealed pistol licenses. The Legislature has imposed specific statutory requirements applicants must meet to obtain these licenses. In addition, whether applicants have good reasons and are suitable persons to be licensed is within the sound discretion of a board of local professionals who apply their knowledge of community needs and problems in evaluating applications. It is inconceivable that the Legislature, after crafting these statutory requirements for obtaining a concealed pistol license, intended to permit Michigan residents to avoid them by obtaining a concealed pistol license in another state that may not impose many of the Michigan requirements. That construction of the statute would result in the absurd consequence that a Michigan resident could avoid the legislatively imposed requirements for obtaining a concealed pistol license in Michigan by obtaining that type of license in another state without having to meet the Michigan requirements. Thus, it must be concluded that a Michigan resident with a concealed pistol license obtained in another state may not carry a concealed pistol in Michigan unless the resident first obtains a concealed pistol license in Michigan by meeting the requirements for obtaining the license imposed by Michigan law.

It is my opinion, therefore, that a Michigan resident may not carry a concealed pistol in Michigan if the resident has only acquired a license to carry a concealed pistol from another state.

Small arms ammunition primers and caps as explosives

Small arms ammunition primers and black powder ignition caps do not fall within the definition of “explosive” regulated by the Explosives Act of 1970.

Honorable Christopher D. Dingell
State Senator
The Capitol
Lansing, MI 48909-7536

You have asked if small arms ammunition primers and black powder ignition caps fall within the definition of “explosive” regulated by the Explosives Act of 1970.

Information supplied with your request indicates that small arms ammunition primers are devices used to detonate the explosive in firearm cartridges. Black powder ignition caps are devices used to detonate the explosive in black powder weapons. Both of these devices are commonly understood to contain a small quantity of explosive material to serve as a detonator or detonating device for a larger quantity of explosive material which, when detonated, propels the bullet or other projectile.

The Explosives Act of 1970, 1970 PA 202, MCL 29.41 *et seq*; MSA 4.559(41) *et seq* (Act), regulates and requires a permit for the possession, storage, sale, use, and other disposition of explosives. Violations of the Act are punishable by a monetary fine and/or imprisonment. Section 15. Because the Act is a penal statute, its provisions must be strictly construed. *People v Gilbert*, 414 Mich 191, 211; 324 NW2d 834 (1982).

For the purposes of the Act, the Legislature has defined the term “explosive” in section 2(a), which provides in pertinent part that:

“Explosive” means blasting powder, nitroglycerine, dynamite, TNT and any other form of high explosive, blasting material, fuse other than an electric circuit breaker, detonator and other detonating agent, a chemical compound or mechanical mixture containing oxidizing or combustible units, or other ingredients, in such proportions, quantities or packing that ignition by fire, friction, concussion or other means of detonation of the compound or mixture or any part thereof may result in the sudden generation and release of highly heated gases or gaseous pressures capable of producing effects damaging or detrimental to or destructive of life, limb or property.

(Emphasis added.)

The first step in ascertaining legislative intent is to look to the text of the statute. *Piper v Pettibone Corp*, 450 Mich 565, 571; 542 NW2d 269 (1995). A clear and unambiguous statement must be enforced by the court as written according to its plain meaning. *Dean v Dep't of Corrections*, 453 Mich 448, 454; 556 NW2d 458 (1996). The first sentence of section 2(a) of the Act lists specific exclusions from the Act's definition of “explosive,” the operative words being *other than an electric circuit breaker; detonator or other detonating agent*. Thus, if small arms ammunition primers and ignition caps constitute detonators or detonating agents, they are not an “explosive” under the Act.

The Act does not define *detonator or other detonating agent*. Where statutory terms are not defined, it is customary to consult dictionary definitions. *People v Lee*, 447 Mich 552, 558; 526 NW2d 882 (1994). The word “detonator” is defined as “[a]n explosive (as mercury fulminate) that is more sensitive to heat or shock than the common high explosives and is used in small quantity to detonate another explosive.” *Websters Third New International Dictionary*, Unabridged Edition (1986), p 617. “Primer” is defined as “[a] cap or tube containing a small amount of explosive used to detonate the main explosive charge of a firearm or mine.” *American Heritage College Dictionary* (1997), p 1087. “Percussion cap” is defined as “[a] thin metal cap containing gunpowder or another detonator that explodes on being struck.” *Id*, p 1014. Based on these definitions, I am constrained to conclude that ammunition primers and ignition caps constitute “detonators” and, as such, are excluded from the Act's definition of “explosive.”

This result is consistent with the conclusion reached in Letter Opinion of the Attorney General to Colonel John R. Plants, dated March 30, 1972, which concluded that smokeless and black gun powder do not constitute an “explosive” as defined by the Act. The opinion reasoned that, because smokeless and black gun powder were originally included in the bill's definition of

FIREARMS LAWS OF MICHIGAN

“explosive,” but were subsequently deleted before enactment, the Legislature must have intended to exclude these items from the definition of an “explosive” under the Act. The Legislature has not since amended the Act to include smokeless and black gun powder. It is, therefore, reasonable to conclude that, since the Legislature has chosen not to regulate smokeless and black gun powder, it likewise did not intend to include small arms ammunition primers and black powder ignition caps which contain smaller explosive charges used to detonate these materials.

It is my opinion, therefore, that small arms ammunition primers and black powder ignition caps do not fall within the definition of “explosive” regulated by the Explosives Act of 1970.

The Legislature is, of course, free to amend the Act if it determines that these devices should be regulated under its provisions.

CONCEALED WEAPONS: Application of Concealed Pistol Licensing Act's licensing requirement to police officer and reserve police officer

FIREARMS:

LAW ENFORCEMENT: Application of Concealed Pistol Licensing Act's gun-free zone restrictions to police officer and reserve police officer

PEACE OFFICERS:

POLICE:

A police officer, including a reserve police officer, is exempt from the licensing requirements of the Concealed Pistol Licensing Act if the officer possesses the full authority of a peace officer and is regularly employed and paid by a police agency of the United States, this state, or a political subdivision of the state.

A police officer who is exempt from the licensing requirements of the Concealed Pistol Licensing Act, but who voluntarily obtains a concealed pistol license under that act, is not subject to the act's gun-free zone restrictions unless the officer is off-duty and is relying solely on the authority of that license.

Honorable Christopher D. Dingell
State Senator
The Capitol
Lansing, MI 48913

Honorable Ruth Johnson
State Representative
The Capitol
Lansing, MI 48913

You have asked two questions regarding the treatment of police officers under the Concealed Pistol Licensing Act as most recently amended by 2000 PA 381.

Your first question asks whether a police officer, including a reserve police officer, is required to obtain a concealed pistol license under section 6 of the Concealed Pistol Licensing Act in order to lawfully carry a concealed pistol.

The Concealed Pistol Licensing Act (Act), 1927 PA 372, MCL 28.421 *et seq.*, regulates the possession and carrying of certain firearms. As originally enacted, section 6 of the Act created a county concealed weapon licensing board and granted to that board considerable discretion in determining whether to issue a license to carry a concealed pistol to individual residents of the county. 2000 PA 381 made substantial amendments to the Act and added numerous new provisions. Among these new provisions is a new section 5b(7) that now sets forth the specific qualifications a person must possess in order to receive a concealed pistol license and further provides that the county concealed weapon licensing board "shall issue" licenses to persons meeting all of those qualifications.

Section 12a of the Act, as added by 1964 PA 216, has long provided that the licensure provisions of section 6 do not apply to various classes of persons, including peace officers who are regularly employed and paid by a police agency of the United States, this state, or a political subdivision. That exemption is continued in the current version of the Act. As most recently amended by 2000 PA 381, section 12a of the Act provides, in pertinent part, that:

The requirements of this act for obtaining a license to carry a concealed pistol do not apply to any of the following:

(a) *A peace officer* of a duly authorized police agency of the United States or of this state or a *political subdivision of this state*, who is *regularly employed and paid* by the United States or this state or of a *subdivision of this state*, except a township constable. [*Emphasis added.*]

Thus, in order to come within the scope of this exemption, a person must be a "peace officer" and must be "regularly employed and paid" by a qualifying unit of government.

The term "peace officer" as used in the Concealed Pistol Licensing Act refers to members of police forces of governmental units who have been given broad, general authority by law to enforce and preserve the public peace. *People v Bissonette*, 327 Mich 349, 356; 42 NW2d 113 (1950). Police officers of a police department of a political subdivision of this state possess such authority and are, therefore, "peace officers." 1 OAG, 1955, No 1891, p 72 (February 24, 1955); 2 OAG, 1958, No 3212, p 60 (February 21, 1958). Conversely, police officers who possess only restricted or special enforcement authority do not meet this standard and therefore do not qualify as "peace officers." *People v Bissonette, supra*; OAG, 1987-1988, No 6530, p 362 (August 5, 1988).

FIREARMS LAWS OF MICHIGAN

The phrase “regularly employed” as used in section 12a of the Act has not been defined by the Legislature. The meaning of this phrase, however, was addressed in OAG, 1973-1974, No 4792, p 78 (August 27, 1973), which concluded that in order to be considered “regularly employed,” a peace officer’s work should be “substantial rather than merely occasional” and should form “at least a large part of his daily activity.” *Id.*, at 79. See also OAG, 1979-1980, No 5806, p 1055 (October 28, 1980). Under this standard, a regular police officer who is employed on a full-time basis clearly is “regularly employed” for purposes of section 12a of the Act.

A more difficult problem is presented in the case of reserve police officers who are typically employed on less than a full-time basis. In such cases, it is necessary to address the factual issue of whether the individual officer in question is “regularly employed and paid” within the meaning of section 12a of the Act. OAG No 5806, *supra*, at 1054, considered the status of such reserve officers and concluded that, in order to be exempt from the Act’s licensing requirement, a reserve police officer must first apply to the county concealed weapon licensing board to obtain a determination by the board whether the individual officer qualifies for the section 12a exemption. The board must determine, *inter alia*, whether the individual officer is “regularly employed,” i.e., whether the officer performs substantial work that constitutes a large part of the officer’s daily activity. OAG No 4792, *supra*. If the board finds that a particular reserve police officer is “regularly employed and paid” by a police agency of the United States, this state, or a political subdivision of this state, the officer is exempt from the Act’s licensing requirements for carrying a concealed pistol. If, however, the licensing board finds that the reserve officer is not regularly employed and paid by one of such police agencies, licensure is required under the Act before the officer may carry a concealed pistol. OAG No 4792, *supra*, reached the same conclusion with respect to constables.

It is my opinion, therefore, in answer to your first question, that a police officer, including a reserve police officer, is exempt from the licensing requirements of the Concealed Pistol Licensing Act if the officer possesses the full authority of a peace officer and is regularly employed and paid by a police agency of the United States, this state, or a political subdivision of the state.

Your second question asks if a police officer who is exempt from the licensure requirements of the Concealed Pistol Licensing Act, by voluntarily obtaining a license under that Act, becomes subject to the Act’s gun-free zone restrictions, either while on or off duty.

As noted in the answer to your first question, the Act clearly and unambiguously exempts regularly employed peace officers from its licensing requirements. Accordingly, such officers need not obtain a license under the Act in order to lawfully carry a concealed pistol. Nothing in the Act, however, prohibits a police officer from voluntarily applying for and obtaining a concealed pistol license if that officer chooses to do so. Moreover, assuming that the officer meets all of the statutory requirements specified in section 5b(7) of the Act, the county licensing board “shall issue” a license to that individual. In these circumstances, the officer would then possess two separate and independent sources of authority for carrying such a concealed pistol: (1) the officer’s authority as a regularly employed peace officer; and (2) the authority conferred by the license issued under the Act. Your question asks, in effect, whether the statutory restrictions attached to the latter source of authority might somehow modify or restrict the officer’s separate authority as a peace officer. Specifically, you inquire about the effect of section 5o of the Act, as added by 2000 PA 381, which creates certain gun-free zones as follows:

(1) An individual licensed under this act to carry a concealed pistol . . . shall not carry a concealed pistol on the premises of any of the following:

(a) A school or school property except that a parent or legal guardian of a student of the school is not precluded from carrying a concealed pistol while in a vehicle on school property, if he or she is dropping the student off at the school or picking up the child from the school. As used in this section, “school” and “school property” mean those terms as defined in section 237a of the Michigan penal code, 1931 PA 328, MCL 750.237a.

(b) A public or private day care center, public or private child caring agency, or public or private child placing agency.

(c) A sports arena or stadium.

(d) A dining room, lounge, or bar area of a premises licensed under the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1101 to 436.2303. This subdivision shall not apply to an owner or employee of the premises.

(e) Any property or facility owned or operated by a church, synagogue, mosque, temple, or other place of worship, unless the presiding official or officials of the church, synagogue, mosque, temple, or other place of worship permit the carrying of concealed pistol on that property or facility.

(f) An entertainment facility that the individual knows or should know has a seating capacity of 2,500 or more individuals or that has a sign above each public entrance stating in letters not less than 1-inch high a seating capacity of 2,500 or more individuals.

(g) A hospital.

(h) A dormitory or classroom of a community college, college, or university.

FIREARMS LAWS OF MICHIGAN

The first step in ascertaining legislative intent is to look to the text of the statute. *Piper v Pettibone Corp*, 450 Mich 565, 571; 542 NW2d 269 (1995). Where the language of the statute is clear and unambiguous, the Legislature's intent must be carried out according to its plain meaning. *Dean v Dep't of Corrections*, 453 Mich 448, 454; 556 NW2d 458 (1996). In such instances, statutory construction is neither required nor permitted; rather, the court must apply the statutory language as written. *Piper, supra*, at 572.

The gun-free zone restrictions described in section 5o of the Act, by their express terms, apply only to a person who is carrying a concealed pistol under the authority of a license issued under the Act. Nothing in the Act in any way indicates or suggests that the gun-free zone restrictions are to be extended to a police officer acting under his or her authority as a regularly employed peace officer, even if that officer has elected to apply for and obtain a concealed pistol license under the Act. Thus, as a practical matter, the application of these gun-free zone restrictions to a police officer would depend upon the facts and circumstances of the incident. If the officer is off-duty and chooses to rely solely on his or her concealed pistol license under the Act, the Act's gun-free zone restrictions applicable to that license would apply. But those restrictions plainly do not apply if the police officer, whether on or off duty, can and does rely on his or her independent authority to carry a concealed pistol as a peace officer regularly employed and paid by a police agency of the United States, this state, or a political subdivision.

It is my opinion, therefore, in answer to your second question, that a police officer who is exempt from the licensing requirements of the Concealed Pistol Licensing Act, but who voluntarily obtains a concealed pistol license under that Act, is not subject to the act's gun-free zone restrictions unless the officer is off-duty and is relying solely on the authority of that license.

CRIMINAL LAW: Reserve police officer carrying exposed but holstered handgun is not brandishing firearm in violation of Michigan Penal Code

FIREARMS:

LAW ENFORCEMENT:

PEACE OFFICERS:

POLICE:

A reserve police officer, by carrying a handgun in a holster that is in plain view, does not violate section 234e of the Michigan Penal Code, which prohibits brandishing a firearm in public.

Honorable Bill Bullard, Jr.
State Senator
The Capitol
Lansing, MI

You have asked if a reserve police officer, by carrying a handgun in a holster that is in plain view, violates section 234e of the Michigan Penal Code, which prohibits brandishing a firearm in public.

The Michigan Penal Code, MCL 750.1 *et seq.*, revises, consolidates, and codifies the state's criminal statutes. Section 234e(1) of the Code criminalizes¹ the brandishing of a firearm in public as follows:

(1) Except as provided in subsection (2), a person shall not knowingly brandish a firearm in public.

Subsection (2) of the same section states that “[s]ubsection (1) does not apply to . . . [a] peace officer lawfully performing his or her duties as a peace officer.”

The term “peace officer” refers to members of governmental police forces who have been given broad, general authority by law to enforce and preserve the public peace. *People v Bissonette*, 327 Mich 349, 356; 42 NW2d 113 (1950). Most governmental police officers, i.e., officers who are employed by the state or its political subdivisions, possess such authority and are, therefore, “peace officers.” 1 OAG, 1955, No 1891, p 72 (February 24, 1955); 2 OAG, 1958, No 3212, p 60 (February 21, 1958). Conversely, police officers such as motor carrier enforcement officers who possess only restricted or special enforcement authority do not meet this standard and therefore do not qualify as “peace officers.” *People v Bissonette, supra*; OAG, 1987-1988, No 6530, p 362 (August 5, 1988). Thus, a reserve police officer with limited law enforcement authority would not qualify as a “peace officer” under subsection 2 of section 234e of the Michigan Penal Code. A reserve police officer with general law enforcement authority who is regularly employed would qualify as a “peace officer” under subsection (2) of section 234e. See OAG, 1973-1974, No 4792, p 78 (August 27, 1973), and OAG, 1979-1980, No 5806, p 1055 (October 28, 1980).

Section 234e of the Michigan Penal Code does not define the crime of brandishing a firearm in public. The Michigan Criminal Jury Instructions, published by the Committee on Standard Criminal Jury Instructions, does not include a recommended jury instruction on brandishing a firearm. Research discloses that while the term “brandishing” appears in reported Michigan cases,² none of the cases define the term.

In the absence of any reported Michigan appellate court decisions defining “brandishing,” it is appropriate to rely upon dictionary definitions. *People v Denio*, 454 Mich 691, 699; 564 NW2d 13 (1997). According to *The American Heritage Dictionary, Second College Edition (1982)*, at p 204, the term brandishing is defined as: “1. To wave or flourish menacingly, as a weapon. 2. To display ostentatiously. –n. A menacing or defiant wave or flourish.” This definition comports with the meaning ascribed to this term by courts of other jurisdictions. For example, in *United States v Moerman*, 233 F3d 379, 380 (CA 6, 2000), the court recognized that in federal sentencing guidelines, “brandishing” a weapon is defined to mean “that the weapon was pointed or waved about, or displayed in a threatening manner.”

¹ Violation of this section is a misdemeanor punishable by imprisonment for up to 90 days, or a fine of not more than \$100, or both.

² See, for example: *People v Jones*, 443 Mich 88, 90; 504 NW2d 158 (1993), *People v Kregger*, 214 Mich App 549, 552; 543 NW2d 55 (1995), and *People v Stubbs*, 15 Mich App 453, 455; 166 NW2d 477 (1968).

FIREARMS LAWS OF MICHIGAN

Applying these definitions to your question, it is clear that a reserve police officer, regardless whether he or she qualifies as a “peace officer,” when carrying a handgun in a holster in plain view, is not waving or displaying the firearm in a threatening manner. Thus, such conduct does not constitute brandishing a firearm in violation of section 234e of the Michigan Penal Code.

It is my opinion, therefore, that a reserve police officer, by carrying a handgun in a holster that is in plain view, does not violate section 234e of the Michigan Penal Code, which prohibits brandishing a firearm in public.

CONCEALED WEAPONS: Reserve police officer carrying exposed pistol in gun-free zones established by Concealed Pistol Licensing Act

FIREARMS: Reserve police officer carrying exposed pistol in gun-free zones established by Michigan Penal Code.

LAW ENFORCEMENT:

PEACE OFFICERS:

A uniformed reserve police officer acting as an unpaid volunteer for a local police agency may carry an exposed, holstered pistol within the gun-free zones established by the Concealed Pistol Licensing Act; and if the officer is either a fully authorized “peace officer” or, alternatively, possesses a valid concealed pistol license issued under the Concealed Pistol Licensing Act, he or she may also carry an exposed, holstered pistol within the gun-free zones established by the Michigan Penal Code.

Honorable Gary C. Peters

Honorable Larry Julian
State Representative
The Capitol
Lansing, MI

You have asked whether a uniformed reserve police officer acting as an unpaid volunteer for a local police agency may carry an exposed, holstered pistol within a “gun-free zone” established by the Concealed Pistol Licensing Act.

Your inquiry is governed by the interplay between two separate but related statutes, both of which regulate the possession of firearms.

The Concealed Pistol Licensing Act, 1927 PA 372, MCL 28.421 *et seq.*, regulates the possession and carrying of concealed pistols. The Act prohibits persons from carrying a concealed pistol unless they have been licensed in accordance with the provisions of that Act. Amendatory 2000 PA 381 made significant changes to the Act. Section 5b(7) sets forth specific qualifications a person must possess in order to receive a license to carry a concealed pistol and further provides that a county concealed weapon licensing board “shall issue a license” to an applicant who meets those requirements. The Act also provides that a person who is issued a license under the Act may carry a concealed pistol “anywhere in this state” except in certain designated classes of locations listed in section 5o of the Act. Those exceptions, commonly referred to as “gun free zones,” include the following:

- a) A school or school property...
- b) A public or private day care center, public or private child caring agency, or public or private child placing agency.
- c) A sports arena or stadium.
- d) A dining room, lounge, or bar area of a premises licensed under the Michigan liquor control code of 1998... This subdivision shall not apply to an owner or employee of the premises.
- e) Any property or facility owned or operated by a church, synagogue, mosque, temple, or other place of worship, unless the presiding official or officials of the church, synagogue, mosque, temple, or other place of worship permit the carrying of concealed pistol on that property or facility.
- f) An entertainment facility [that has a seating capacity of 2,500 or more]...
- g) A hospital.
- h) A dormitory or classroom of a community college, college, or university. [Section 5o(1).]

FIREARMS LAWS OF MICHIGAN

Section 12a of the Act expressly exempts certain persons from the requirements of the Act, including:

(a) A *peace officer* of a duly authorized police agency of the United States or of this state or a political subdivision of this state, *who is regularly employed* and paid by the United States or this state or a subdivision of this state, except a township constable. *[Emphasis added.]*

Under the express terms of this section, a police officer or reserve police officer is exempt from the requirements of the Concealed Pistol Licensing Act, including the prohibition against carrying a concealed weapon in a “gun free zone,” but only if the officer (1) possesses the full authority of a peace officer, and not merely special or limited law enforcement authority; and (2) is regularly employed and paid for those services. See OAG, 2001-2002, No 7098, p 74 (January 11, 2002). Your inquiry does not specify whether the uniformed reserve officer in question possesses the full authority of a peace officer. You do, however, specify that the officer in question serves as an unpaid volunteer. Because the exemption contained in section 12a(a) is limited to officers who are “regularly employed,” an unpaid volunteer officer is not exempt from the provisions of the Concealed Pistol Licensing Act and is, therefore, prohibited from carrying a *concealed* pistol in a designated “gun free zone.” OAG No 7098, *supra*.

A plain reading of section 5o(1) of the Concealed Pistol Licensing Act discloses, however, that its prohibition applies only to the carrying of pistols that are “concealed.” A holstered pistol carried openly and in plain view is not “concealed” and therefore does not violate the prohibition contained in that section. See, e.g., OAG, 1951-1952, No 1388, p 228 (April 18, 1951) (“Should they be so directed by their superior officers, auxiliary police while on duty may carry weapons openly, the prohibition in the Penal Code applying only to ‘concealed’ weapons.”), Cf., *People v Johnnie W. Jones*, 12 Mich App 293, 296; 162 NW2d 847 (1968); and *People v Kincade*, 61 Mich App 498, 502; 233 NW2d 54 (1975).

This, however, does not end the analysis of your question. The carrying of firearms in public is also restricted by the Michigan Penal Code, 1931 PA 328, MCL 750.1 *et seq.* Section 234d of the Penal Code identifies certain “gun free zones” similar to those enumerated in section 5o of the Concealed Pistol Licensing Act; within those specified zones, the possession of firearms is strictly prohibited, subject to limited exceptions. Specifically, section 234d(1) of the Penal Code provides that:

(1) Except as provided in subsection (2), a person shall not possess a firearm on the premises of any of the following:

- (a) A depository financial institution or a subsidiary or affiliate of a depository financial institution.
- (b) A church or other house of religious worship.
- (c) A court.
- (d) A theatre.
- (e) A sports arena.
- (f) A day care center.
- (g) A hospital.
- (h) An establishment licensed under the Michigan liquor control act, Act No. 8 of the Public Acts of the Extra Session of 1933, being sections 436.1 to 436.58 of the Michigan Compiled Laws.

This language is significantly broader than that employed by section 5o of the Concealed Pistol Licensing Act. By its express terms, section 234d(1) of the Penal Code applies to firearms generally, not merely to pistols, and applies to firearms whether concealed or not. Subsection (2) of this provision creates several specific exceptions to this prohibition, two of which are germane to your inquiry. It provides, in pertinent part that:

(2) This section does not apply to any of the following:

* * *

- (b) A peace officer.
- (c) A person licensed by this state or another state to carry a concealed weapon.

Similarly, section 237a(4) of the Penal Code prohibits possession of a firearm in a weapon free school zone, a term defined in section 237a(6)(d) as “school property and a vehicle used by a school to transport students to or from school property.” Like section 234d(2), the prohibition against possessing firearms in a school zone does not apply to a peace officer or to a person licensed to carry a concealed weapon. Section 237a(5).

If a reserve officer qualifies as a peace officer, then the officer is exempt from the prohibition contained in sections 234d(1) and 237a(4) of the Penal Code concerning the possession of firearms on specified premises. If not, sections 234d(2)(c) and

FIREARMS LAWS OF MICHIGAN

237a(5)(c) of the Penal Code also exempt “[a] person licensed by this state or another state to carry a concealed weapon.” A license issued by a county concealed weapon licensing board under section 5b(7) of the Concealed Pistol Licensing Act clearly satisfies the latter exemption. Thus, possession of such a license would enable a reserve police officer to carry an exposed, holstered pistol in the “gun free zones” described in sections 234d and 237a of the Penal Code.

It is my opinion, therefore, that a uniformed reserve police officer acting as an unpaid volunteer for a local police agency may carry an exposed, holstered pistol within the gun-free zones established by the Concealed Pistol Licensing Act; and if the officer is either a fully authorized “peace officer” or, alternatively, possesses a valid concealed pistol license issued under the Concealed Pistol Licensing Act, he or she may also carry an exposed, holstered pistol within the gun-free zones established by the Michigan Penal Code.

CONCEALED WEAPONS: Outdoor park as “entertainment facility” constituting gun-free zone established by Concealed Pistol Licensing Act

FIREARMS:

LAW ENFORCEMENT:

MUNICIPALITIES:

POLICE:

A municipal outdoor recreation park does not, by itself, constitute an “entertainment facility” within the meaning of section 5o(1)(f) of the Concealed Pistol Licensing Act, and thus is not a gun-free zone as established by that statute.

Honorable Mike Kowall
State Representative
The Capitol
Lansing, Michigan 48913

You have asked whether a municipal outdoor recreation park, by itself, constitutes an “entertainment facility” within the meaning of section 5o(1)(f) of the Concealed Pistol Licensing Act that creates gun-free zones.

We understand that by the use of the term “outdoor recreation park” you mean a natural area of land and water, consisting of lawns, trees, gardens, picnic tables, baseball diamonds, tennis courts, ponds, lakes, or rivers.

The Concealed Pistol Licensing Act, 1927 PA 372, MCL 28.421 *et seq.*, regulates the possession and carrying of concealed pistols. The Act prohibits persons from carrying a concealed pistol unless they have been licensed in accordance with the provisions of that Act. Amendatory 2000 PA 381 made significant changes to the Act. Section 5b(7) sets forth specific qualifications a person must possess in order to receive a license to carry a concealed pistol and further provides that a county concealed weapon licensing board “shall issue a license” to an applicant who meets those requirements. The Act also provides that a person who is issued a license under the Act may carry a concealed pistol “anywhere in this state” except in certain designated classes of locations listed in section 5o of the Act. Section 5c(2). Those excepted locations, commonly referred to as “gun free zones,” include the following:

- (f) An entertainment facility that the individual knows or should know has a seating capacity of 2,500 or more individuals or that has a sign above each public entrance stating in letters not less than 1-inch high a seating capacity of 2,500 or more individuals.

The statutory term “entertainment facility” is not defined by the Legislature. The question therefore arises whether a municipal outdoor park, as described in your request, constitutes an entertainment facility for purposes of the gun-free zones created by section 5o(1)(f) of the Act. Words not defined by the Legislature are to be given their generally understood meaning consistent with the intent of the Legislature. *Royal Globe Ins Co v Frankenmuth Mutual Ins Co*, 419 Mich 565, 573; 357 NW2d 652 (1984). Courts will consult dictionaries to ascertain the meaning of undefined statutory terms unless the legislative intent may be discerned from the statute itself. *People v Stone*, 463 Mich 558, 563; 621 NW2d 702 (2001). The term “entertainment” is defined as an act to divert, amuse or to cause someone’s time to pass agreeably, such as a concert. *Webster’s Third New International Dictionary, Unabridged* (1964). The term “facility” is defined as something built or constructed to perform some particular function. *Id.*

A reading of all the words contained in section 5o(1)(f) of the Act supports the conclusion that the Legislature intended that the term “entertainment facility” constitute a structure or building that has a known seating capacity of 2,500 or more persons, or that has signs above each public entrance stating that the facility has a seating capacity of 2,500 or more persons. Since the Legislature has not required that an entertainment facility be totally self-enclosed, such a facility could consist of a bandshell, amphitheater, or similar structure, provided it has the required, known seating capacity noted above or has appropriate signage above each public entrance indicating a seating capacity of 2,500 or more. This reading of section 5o(1)(f) is supported by the legislative history of 2000 HB 4530, enacted as 2000 PA 231. Both House Legislative Analyses, HB 4530, June 8, 1999, and January 4, 2001, state that HB 4530 would “[p]rohibit a licensee from carrying a concealed weapon in certain public places, such as a school, theater, sports arena, library, or hospital.” There is no mention in either bill analysis that an outdoor recreation park, by itself, would constitute a gun-free zone. It is appropriate to rely on the legislative history because of the ambiguity in the statutory language. *Luttrell v Dep’t of Corr*, 421 Mich 93, 103; 365 NW2d 74 (1985).

FIREARMS LAWS OF MICHIGAN

While the Legislature could certainly have included municipal and other outdoor recreation parks within the Act's list of gun-free zones, it chose not to do so. An entertainment facility having a seating capacity of 2,500 or more persons clearly refers to a building or other structure. Accordingly, if an outdoor recreation park includes a band shell, amphitheater, or similar structure that has the required seating capacity, that portion of the park would constitute a gun-free zone under section 5o(f) of the Act.

Finally, section 5o of the Act is a penal statute that must be strictly construed unless the Legislature indicates otherwise. MCL 750.2; *People v Gilbert*, 414 Mich 191, 211; 324 NW2d 834 (1982). There is nothing in the Concealed Pistol Licensing Act or in its legislative history to suggest that this statute be construed in a manner different from the plain language adopted by the Legislature.

It is my opinion, therefore, that a municipal outdoor recreation park does not, by itself, constitute an "entertainment facility" within the meaning of section 5o(1)(f) of the Concealed Pistol Licensing Act, and thus is not a gun-free zone as established by that statute.

CONCEALED WEAPONS: Eligibility for concealed pistol license of persons whose felony convictions have been set aside

FIREARMS:

CRIMINAL LAW:

A person convicted of a felony whose conviction has been set aside by order of a Michigan court in accordance with 1965 PA 213, as amended, if otherwise qualified, may not be denied a concealed pistol license under section 5b(7)(f) of the Concealed Pistol Licensing Act. A person convicted of one of the offenses described under section 5b(8) of the Concealed Pistol Licensing Act, whose conviction has been set aside, may nevertheless be denied a concealed pistol license on the basis of information concerning that conviction if the concealed weapon licensing board determines that denial is warranted under section 5b(7)(o) of the Act.

Col. Tadarial J. Sturdivant, Director
Department of State Police
714 South Harrison Road
East Lansing, MI 48823

Your predecessor has asked whether a person convicted of a felony whose conviction has been set aside by order of a Michigan court in accordance with 1965 PA 213, as amended, if otherwise qualified, may apply for and obtain a concealed pistol license under the Concealed Pistol Licensing Act.

The Concealed Pistol Licensing Act (CPLA), 1927 PA 372, as amended, MCL 28.421 *et seq.*, authorizes a county concealed weapon licensing board to issue a license to carry a concealed pistol to an eligible applicant. MCL 28.425b. An applicant is required to provide a statement whether the applicant “has ever been convicted” of a felony or a misdemeanor. MCL 28.425b(1)(e). A concealed weapon licensing board “shall issue” a license to qualified persons who have “never been convicted of a felony.” MCL 28.425b(7)(f). Thus, it must be determined whether a person who has had his or her felony conviction set aside by order of a Michigan court is properly considered “never” to have been convicted of a felony for purposes of the CPLA.

The Legislature has addressed this question in the Set Aside Law, 1965 PA 213, as amended, MCL 780.621 *et seq.* Under section 1 of this law, courts are empowered to set aside the conviction of a person for certain criminal offenses, provided that the person has been convicted only once, five years have expired since the date sentencing was imposed or the term of imprisonment was completed, whichever is later, and the applicant satisfies the other requirements of the act. MCL 780.621. The court may not enter its order setting aside the conviction unless it determines that the circumstances and behavior of the applicant since his or her conviction warrant setting it aside and that such an order “is consistent with the public welfare.” MCL 780.621. Once entered, the effect of a court order setting aside a conviction is plainly stated in section 2(1) of the Set Aside Law:

Upon the entry of an order pursuant to section 1, the applicant, for purposes of the law, *shall be considered not to have been previously convicted*, except as provided in this section [2] and section 3. [MCL 780.622(1); *emphasis added.*]

Thus, unless one of the exceptions stated in section 2 or 3 of the Set Aside Law applies for licensing purposes under the CPLA, the effect of section 2 is clear and unmistakable and must be given effect. *Storey v Meijer Inc*, 431 Mich 368, 376; 429 NW2d 169 (1988).

None of the exceptions set out in section 2 implicate the CPLA. Thus, the answer to the question turns on an analysis of section 3.

Subsection 1 of section 3 requires the court to send a copy of an order setting aside a conviction to the arresting agency and the Department of State Police. Subsection 2 then describes certain obligations of the State Police regarding that order and strictly limits the persons or entities who may have access to that order and the purposes for which such an order may be used:

(2) The department of state police shall retain a nonpublic record of the order setting aside a conviction and of the record of the arrest, fingerprints, conviction, and sentence of the applicant in the case to which the order applies. Except as provided in subsection (3),¹ this nonpublic record shall be made available only to a court of competent

¹ Subsection (3), which permits a person whose conviction was set aside to obtain a copy of the nonpublic record upon payment of a fee, is not impacted here and need not be discussed.

FIREARMS LAWS OF MICHIGAN

jurisdiction, an agency of the judicial branch of state government, a law enforcement agency, a prosecuting attorney, the attorney general, or the governor upon request and *only* for the following purposes:

- (a) Consideration in a licensing function conducted by an agency of the judicial branch of state government.
- (b) To show that a person who has filed an application to set aside a conviction has previously had a conviction set aside pursuant to this act.
- (c) The court's consideration in determining the sentence to be imposed upon conviction for a subsequent offense that is punishable as a felony or by imprisonment for more than 1 year.
- (d) Consideration by the governor if a person whose conviction has been set aside applies for a pardon for another offense.
- (e) Consideration by a law enforcement agency if a person whose conviction has been set aside applies for employment with the law enforcement agency.
- (f) Consideration by a court, law enforcement agency, prosecuting attorney, or the attorney general in determining whether an individual required to be registered under the sex offenders registration act has violated that act, or for use in a prosecution for violating that act. [MCL 780.623(2); *emphasis added*.]

Significantly, the Legislature has also prescribed criminal penalties for a violation of these provisions:

- (5) Except as provided in subsection (2), a person, other than the applicant, who knows or should have known that a conviction was set aside under this section and who divulges, uses, or publishes information concerning a conviction set aside under this section is guilty of a misdemeanor punishable by imprisonment for not more than 90 days or a fine of not more than \$500.00, or both. [MCL 780.623(5).]

A concealed weapon licensing board is not among the agencies or persons to whom the state police may provide access to its nonpublic record of the set aside order and related documents. Moreover, consideration in determining eligibility for licensure under the CPLA is not among the limited purposes for which a set aside conviction may be used. Indeed, the only licensing function for which the Legislature has carved out an exception is one “conducted by an agency of the judicial branch of state government.” Words in a statute must be construed according to the common and approved usage of the language. MCL 8.3a. Affording the words of section 3(2) their commonly understood meaning, this exception must be read as written and may not be extended to a concealed weapon licensing board in the executive branch of government. See *Taylor v Michigan Public Utilities Comm*, 217 Mich 400, 402-403; 186 NW 485 (1922). Moreover, the express mention of one thing in a statute implies the exclusion of all other similar things. *Jennings v Southwood*, 446 Mich 125, 142; 521 NW2d 230 (1994).

The legislative history of the Set Aside Law is also instructive. When first enacted in 1965, the Set Aside Law consisted of only two sections. Section 2 of the act then provided, like its modern counterpart, that a successful applicant for an order setting aside a conviction “shall be deemed not to have been previously convicted.” 1965 PA 213, section 2. Unlike current section 2, however, the original version included no exceptions to this general rule.² Most of the exceptions contained in current section 3 were added in 1982 by 1982 PA 495. The exception stated in subsection 3(2)(e) was added in 1988 by 1988 PA 11 and subsection 3(2)(f) was added in 1994 by 1994 PA 294. Thus, when the Legislature has seen fit to add to the limited purposes for which a set aside conviction may be used, it has done so, but it has not done so with regard to licensing purposes under the CPLA.

The Attorney General has considered the meaning and effect of sections 2 and 3 of the Set Aside Law and has construed that law as requiring that a person whose conviction has been set aside by a court is deemed not to have been previously convicted of the crime, except for those express limited purposes identified in the statute. See, e.g., OAG, 1973-1974, No 4774, pp 53, 55 (June 15, 1973); OAG, 1977-1978, No 5349, p 568 (August 9, 1978); OAG, 1993-1994, No 6780, p 89 (January 4, 1994). These opinions also construed the phrase “purposes of the law” contained in section 2(1) of the Act to apply to statutes of this state. OAG, 1973-1974, No 4774, and OAG, 1977-1978, No 5349, *supra*. See also *McBride v Callahan*, 173 Wash 609; 24 P 2d 105, 112 (1933). Thus, as the Set Aside Law contains no exceptions relevant to licensing under the CPLA, a person whose felony conviction has been set aside may be considered as “never having been convicted” for purposes of applying for a concealed weapon license and may not be denied a license to carry a concealed pistol under section 5b(7)(f) of the CPLA. MCL 28.425b(7)(f).

Under the Set Aside Law, the Department of State Police is required to retain a nonpublic record of the order setting aside a conviction and shall make it available to the courts and court agencies, law enforcement agencies, a prosecuting attorney, the Attorney General, or the Governor for the specific purposes enumerated in that statute. MCL 780.623(2). Section 5b(8) of the CPLA similarly requires the Department of State Police to maintain certain conviction information:

² Also, only a person whose crime was committed before he or she reached 21 years of age could apply for a set aside under the original act. The 1982 amendment extended the law's reach beyond persons who made “one youthful mistake” to everyone, regardless of age. House Legislative Analysis, HB 5229, H-3, September 21, 1982.

FIREARMS LAWS OF MICHIGAN

Upon entry of a court order³ or conviction of 1 of the enumerated prohibitions for using, transporting, selling, purchasing, carrying, shipping, receiving or distributing a firearm in this section [section 5b] the department of state police shall immediately enter the order or conviction into the law enforcement network. *For purposes of this act, information of the court order or conviction shall not be removed from the law enforcement information network, but may be moved to a separate file intended for the use of the county concealed weapon licensing boards, the courts, and other government entities as necessary and exclusively to determine eligibility to be licensed under this act.* [MCL 28.425b(8). *Emphasis added.*]

The “prohibitions” referred to in section 5b(8) above are enumerated in section 5b(7) of the Act.⁴ Section 5b(7)(d) refers to certain court orders that would prohibit a person subject to the order from obtaining a permit to carry a concealed pistol. In addition, section 5b(7)(e) refers to section 224f of the Penal Code, MCL 750.224f, as a provision that prohibits a person from “possessing, using, transporting, selling, purchasing, carrying, shipping, receiving, or distributing a firearm.” MCL 750.224f removes these gun rights from a convicted felon for a period of at least three years, depending on the crime committed. Even though persons described in these sections may later have their gun rights restored or convictions or other orders set aside, section 5b(8) nonetheless prohibits the State Police from removing the information from the Law Enforcement Information Network, but allows the Department to move the information “to a separate file intended for the use of the county concealed weapon licensing boards, the courts, and other government entities as necessary and exclusively to determine eligibility to be licensed under this act.” Thus, the court orders and convictions referred to in section 5b(8) of the CPLA are those that the Legislature has determined bear on the ability of persons to exercise their firearm rights.

Reading the Set Aside Law and the CPLA together, the question arises whether the State Police may divulge information concerning a set aside conviction to a concealed weapon licensing board, and whether the board may use such information, without violating sections 3(3) and 3(5) of the Set Aside Law. In that regard, statutes should be harmonized and meaning and effect given to each of them wherever possible. *Nelson v Transamerica Ins Services*, 441 Mich 508, 513; 495 NW2d 370 (1992).

The Legislature has provided guidance in addressing this issue in section 5b(7)(o) of the CPLA. This section provides the following among the several circumstances that must exist for a concealed weapon licensing board to issue a license:

Issuing a license to the applicant to carry a concealed pistol in this state is not detrimental to the safety of the applicant or to any other individual. A determination under this subdivision shall be based on clear and convincing evidence of civil infractions, crimes, personal protection orders or injunctions, or police reports or other clear and convincing evidence of the actions of, or statements of, the applicant that bear directly on the applicant’s ability to carry a concealed pistol. [MCL 28.425b(7)(o).]

Under this section, evidence of a crime that bears directly on the applicant’s ability to carry a concealed pistol is appropriately considered by the boards.

The reading of sections 5b(7)(f), 5b(7)(o), and 5b(8) of the CPLA and the Set Aside Law that best harmonizes them all and gives effect to each is one that allows the State Police to share with concealed weapon licensing boards only that information pertaining to set aside “conviction[s] of 1 of the enumerated prohibitions for using, transporting, selling, purchasing, carrying, shipping, receiving or distributing a firearm in [section 5b].” This conviction information, in turn, may be used by concealed weapon licensing boards in making the determinations required under section 5b(7)(o) of the CPLA, but may not be used under section 5b(f).

This interpretation gives effect to the Legislature’s unmistakable intent to make information “that bear[s] directly on the applicant’s ability to carry a concealed pistol” available “for the use” of the gun boards “as necessary and exclusively to determine eligibility to be licensed” under the CPLA. MCL 28.425b(8) and MCL 28.425b(7)(o). It is also consistent with the provision of the CPLA that requires an applicant to authorize the licensing board to access any records, including otherwise privileged information, that may pertain to the applicant’s qualifications to carry a concealed pistol license. MCL 28.425b(c).

It is my opinion, therefore, that a person convicted of a felony whose conviction has been set aside by order of a Michigan court in accordance with 1965 PA 213, as amended, if otherwise qualified, may not be denied a concealed pistol license under section 5b(7)(f) of the Concealed Pistol Licensing Act. A person convicted of one of the offenses described under section 5b(8) of the Concealed Pistol Licensing Act, whose conviction has been set aside, may nevertheless be denied a concealed pistol license on the basis of information concerning that conviction if the concealed weapon licensing board determines that denial is warranted under section 5b(7)(o) of the Act.

MIKE COX

³ The court order referred to here is one that has the effect of removing or limiting certain of a person’s firearm rights as enumerated in section 5b(7)(d) of the CPLA, MCL 28.425b(7)(d). This section does not refer to orders setting aside felony convictions.

⁴ No other provisions of section 5b can reasonably be construed as enumerating the “prohibitions” described in section 5b(8).

CONCEALED WEAPONS: Carrying of a pistol in a motor vehicle

FIREARMS:

CRIMINAL LAW:

A person licensed to carry a concealed pistol may lawfully occupy a motor vehicle in which a pistol has been left that belongs to another person who has exited the vehicle.

A person who is not licensed to carry a concealed pistol may lawfully occupy a vehicle in which a pistol has been left that is lawfully contained and that belongs to another person who has exited the vehicle, only if the occupant is not carrying the weapon, a determination that depends on the facts of each case.

Honorable Scott Shackleton
State Representative
The Capitol
Lansing, Michigan

You have asked two questions concerning the carrying of a pistol in a motor vehicle. You first ask if a person licensed to carry a concealed pistol may lawfully occupy a motor vehicle in which a pistol has been left that belongs to another person who has exited the vehicle.

Section 227(2) of the Michigan Penal Code, MCL 750.227(2), makes it a crime to carry a pistol, whether concealed or otherwise, in a vehicle. Section 227(2) states, in pertinent part, as follows:

A person shall not carry a pistol concealed on or about his or her person, or, whether concealed or otherwise, in a vehicle operated or occupied by the person, except in his or her dwelling house, place of business, or on other land possessed by the person, *without a license to carry the pistol as provided by law* and if licensed, shall not carry the pistol in a place or manner inconsistent with any restrictions upon such license. *[Emphasis added.]*

By its express terms, the criminal prohibition in section 227(2) does not apply to a person licensed to carry a pistol, provided that the pistol is carried in a manner or place consistent with any restriction upon that license. This conclusion is further supported by section 425c(2) of the Concealed Pistol Licensing Act, MCL 28.425c(2), which expressly authorizes a concealed pistol licensee to “[c]arry a pistol in a vehicle, whether concealed or not concealed, anywhere in this state.” Moreover, section 231a(1)(a) of the Penal Code, MCL 750.231a(1)(a), provides that the prohibition against carrying a concealed pistol in a motor vehicle does not apply to a person holding a valid license to carry a concealed pistol, provided that the pistol is carried in conformity with any restrictions appearing on the license.¹

The primary rule of statutory construction is to effectuate the intent of the Legislature. *Wickens v Oakwood Healthcare System*, 465 Mich 53, 60; 631 NW2d 686 (2001). If the language of a statute is clear and unambiguous, it is assumed the Legislature intended its plain meaning to be enforced as written. *People v Stone*, 463 Mich 558, 562; 621 NW2d 702 (2001). Here, the statutes clearly provide that a person licensed to carry a concealed pistol is not subject to the prohibition against carrying a pistol in a motor vehicle, regardless of whether the pistol belongs to the licensee or another person.

It is my opinion, therefore, in answer to your first question, that a person licensed to carry a concealed pistol may lawfully occupy a motor vehicle in which a pistol has been left that belongs to another person who has exited the vehicle.

Your second question asks if a person who is not licensed to carry a concealed pistol may lawfully occupy a vehicle in which a pistol has been left that is lawfully contained,² and that belongs to another person who has exited the vehicle.

As previously noted, MCL 750.227(2) generally prohibits a person from carrying a concealed pistol in a motor vehicle unless that person is licensed to carry a concealed pistol. MCL 750.231a(1) contains several exceptions to the prohibition. Subsection (d) exempts a person “while transporting a pistol for a lawful purpose that is licensed by the owner or occupant of the motor vehicle in compliance with section 2 of 1927 PA 372, MCL 28.422, and the pistol is unloaded in a closed case designed

¹ This analysis is limited to consideration of a violation of MCL 750.227 only and assumes that the pistol is lawfully owned, inspected, and has not been used in the commission of a crime.

² By using the term “lawfully contained,” it is understood that the pistol left in the vehicle is either (1) unloaded in a closed case designed for the storage of firearms in the trunk of the vehicle; or (2) unloaded in a closed case designed for the storage of firearms in a vehicle that does not have a trunk and is not readily accessible to the occupants of the vehicle. See MCL 750.231a(1)(d) and (e).

FIREARMS LAWS OF MICHIGAN

for the storage of firearms in the trunk of the vehicle.”³ MCL 750.231a(1)(d). Subsection (e) applies to vehicles without trunks by requiring that the firearm not be readily accessible to the occupants of the vehicle. MCL 750.231a(1)(e).

Under the facts provided in your request, the passenger has remained in the vehicle with a properly stored pistol belonging to the driver. Under these facts, the exceptions contained in MCL 750.231a(d) and (e) are inapplicable since the passenger is not “transporting” the firearm. “To transport is to convey from one place or station to another...” *People v Al-Saiegh*, 244 Mich App 391, 399; 625 NW2d 419 (2001).

Nonetheless, a violation of MCL 750.227(2) must be proven by evidence of the following: (1) that a weapon is present in a vehicle operated or occupied by the defendant; (2) that the defendant knew or was aware of its presence; and (3) that the defendant was “carrying” the weapon. *People v Courier*, 122 Mich App 88; 322 NW2d 421 (1982), citing *People v Butler*, 414 Mich 377; 319 NW2d 540 (1982). “Carrying” is an essential element that must be proven to establish a violation of the prohibition in section 227(2) and may not automatically be inferred from evidence that the defendant had knowledge that the weapon was present in the vehicle. *People v Emery*, 150 Mich App 657; 667; 389 NW2d 472 (1986).

The element of “carrying” depends on the particular facts of each case. It cannot be stated, as a definitive matter of law, what conduct constitutes carrying for the purposes of section 227(2). Nevertheless, Michigan courts have articulated several factors to be considered in resolving whether the essential element of “carrying” a weapon in a vehicle has been established. Factors that have been considered include: (1) the defendant’s awareness of the weapon; (2) the accessibility or proximity of the weapon to the defendant; (3) the defendant’s possession of items which connect him to the weapon, such as ammunition; (4) the defendant’s ownership or operation of the vehicle; and (5) the length of time during which the defendant drove or occupied the vehicle. *People v Emery*, 150 Mich App at 667.

The fact that a pistol is lawfully contained does not necessarily exempt a person from possible prosecution under section 227(2). See, for example, *People v Wilson*, 2001 Mich App LEXIS 1144 (unpublished), in which the Court of Appeals held that the defendant was subject to prosecution under section 227(2), notwithstanding that the pistol was locked in the trunk of a vehicle.

It is my opinion, therefore, in answer to your second question, that a person who is not licensed to carry a concealed pistol may lawfully occupy a vehicle in which a pistol has been left that is lawfully contained and that belongs to another person who has exited the vehicle, only if the occupant is not carrying the weapon, a determination that depends on the facts of each case.

FIREARMS LAWS OF MICHIGAN

FIREARMS: License to purchase pistols

LICENSES:

A local unit of government may not require an applicant for a license to purchase a pistol to provide his or her fingerprints before issuing the license. Where an applicant's identity is reasonably called into question, a local law enforcement official who is unable for that reason to determine that the applicant has demonstrated the existence of all the circumstances necessary to deem that applicant "qualified" may deny the application. If the applicant chooses to provide his or her fingerprints, the local law enforcement official may accept them to attempt to resolve the matter.

Honorable John Garfield
State Representative
The Capitol
Lansing, Michigan

You have asked whether a local unit of government may require an applicant for a license to purchase a pistol to provide his or her fingerprints before issuing the license.

The Legislature has established the circumstances under which a person may obtain a license to purchase a pistol, commonly referred to as a "pistol purchase permit." Section 2(3) of the Firearms Law, 1927 PA 372, MCL 28.422(3), provides that "[t]he commissioner or chief of police of a city, township, or village police department that issues licenses to purchase, carry, or transport pistols, or his or her duly authorized deputy, or the sheriff or his or her duly authorized deputy, in the parts of a county not included within a city, township, or village having an organized police department...shall with due speed and diligence issue licenses to purchase, carry, or transport pistols to qualified applicants" unless the local official has probable cause to believe that the applicant would be a threat to himself or herself or to other individuals, or would commit an offense with the pistol that would violate a law of this or another state or of the United States. The statute provides that an applicant is qualified if all of the following circumstances exist:

- (a) The person is not subject to an order or disposition for which he or she has received notice and an opportunity for a hearing, and which was entered into the law enforcement information network pursuant to [seven specified statutes].
- (b) The person is 18 years of age or older or, if the seller is licensed pursuant to section 923 of title 18 of the United States Code, 18 U.S.C. 923, is 21 years of age or older.
- (c) The person is a citizen of the United States and is a legal resident of this state.
- (d) A felony charge against the person is not pending at the time of application.
- (e) The person is not prohibited from possessing, using, transporting, selling, purchasing, carrying, shipping, receiving, or distributing a firearm under section 224f of the Michigan penal code, Act No. 328 of the Public Acts of 1931, being section 750.224f of the Michigan Compiled Laws.
- (f) The person has not been adjudged insane in this state or elsewhere unless he or she has been adjudged restored to sanity by court order.
- (g) The person is not under an order of involuntary commitment in an inpatient or outpatient setting due to mental illness.
- (h) The person has not been adjudged legally incapacitated in this state or elsewhere. This subdivision does not apply to a person who has had his or her legal capacity restored by order of the court.
- (i) The person correctly answers 70% or more of the questions on a basic pistol safety review questionnaire approved by the basic pistol safety review board and provided to the individual free of charge by the licensing authority...[MCL 28.422(3)(a)-(i).]

Applications for licenses must be signed by the applicant under oath on forms provided by the Department of State Police. MCL 28.422(4). Under MCL 28.422(11), a person who forges any matter on an application for a license under this section is guilty of a felony. As you observe in your letter, however, no provision of MCL 28.422 requires that an applicant provide his

FIREARMS LAWS OF MICHIGAN

or her fingerprints in order to receive a license to purchase a pistol or authorizes a local law enforcement officer to impose such a requirement.¹

MCL 28.422 differs in this respect from section 5b of the Firearms Law, MCL 28.425b, which describes the process for obtaining a license to carry a concealed pistol. Section 5b(9), MCL 28.425b(9), states in pertinent part: “An individual, after submitting an application and paying the fee prescribed under subsection (5), shall request and have classifiable fingerprints taken by the county sheriff or a local police agency if that local police agency maintains fingerprinting capability... The county sheriff or local police agency shall take the fingerprints within 5 business days after the request.” The fingerprints must be taken on forms and in a manner prescribed by the Department of State Police. MCL 28.425b(10). They are then forwarded to the Department of State Police for comparison with fingerprints already on file with the department, which then forwards the fingerprints to the Federal Bureau of Investigation. MCL 28.425b(10). Under this section, the concealed weapon licensing board may deny a license if an individual’s fingerprints are not “classifiable” by the Federal Bureau of Investigation. MCL 28.425b(10).²

In construing a statute, the primary task is to discern and give effect to the intent of the Legislature. *Dan De Farms Inc v Sterling Farm Supply Inc*, 465 Mich 872; 633 NW2d 824 (2001). Provisions that the Legislature did not include may not be added into a statute. *In re Wayne County Prosecutor*, 232 Mich App 482, 486; 591 NW2d 359 (1998). In the absence of a statutory provision authorizing a local law enforcement agency to impose such a requirement, as here, one cannot be read into the statute.

Further support for this conclusion is found in MCL 123.1102, which provides:

A local unit of government shall not impose special taxation on, enact or enforce any ordinance or regulation pertaining to, *or regulate in any other manner the ownership, registration, purchase, sale, transfer, transportation, or possession of pistols or other firearms, ammunition for pistols or other firearms, or components of pistols or other firearms, except as otherwise provided by federal law or a law of this state.* [Emphasis added.]

While this section refers to a “local unit of government” and not individual local officers, its meaning is plain. The Legislature has occupied the field of firearm regulation and has authorized local regulation in this area only to the extent expressly provided by law. *Michigan Coalition for Responsible Gun Owners v City of Ferndale*, 256 Mich App 401, 418; 662 NW2d 864 (2003).

It is important to emphasize, however, that section 2(3) of the Firearms Law, MCL 28.422(3), confers discretion on the law enforcement officials specified in that section to deny an application for a license to purchase a pistol where he or she has probable cause to believe the applicant would be a threat to himself or herself or to other individuals, or would commit an offense with the pistol that would violate the law. Moreover, if the official processing an individual’s application reasonably believes the applicant has falsified his or her identity such that the official cannot adequately determine that the applicant has demonstrated the existence of all the necessary circumstances establishing that the applicant is “qualified,” such a belief would also justify denying the application. Under these circumstances, if the applicant chooses to provide his or her fingerprints, the local law enforcement official may accept them to attempt to resolve the matter.

It is my opinion, therefore, that a local unit of government may not require an applicant for a license to purchase a pistol to provide his or her fingerprints before issuing the license. Where an applicant’s identity is reasonably called into question, a local law enforcement official who is unable for that reason to determine that the applicant has demonstrated the existence of all the circumstances necessary to deem that applicant “qualified” may deny the application. If the applicant chooses to provide his or her fingerprints, the local law enforcement official may accept them to attempt to resolve the matter.

¹ A review of the current form the Department of State Police provides law enforcement officers for their use in processing applications for a license to purchase a pistol reveals no provision requiring an applicant to provide fingerprints or authorizing a law enforcement officer to impose such a requirement. This opinion should not be read to foreclose the state police from making a change in the form to add such a requirement. This opinion only addresses the authority of a local unit of government or its officers to impose such a requirement in the absence of such a form.

In addition, administrative rules promulgated by the Department of State Police, 1979 AC, R 28.91 and R 28.92, do not apply here. Each of these rules was adopted pursuant to authority in MCL 28.422 and MCL 28.426. The latter of these statutes was repealed by 2000 PA 381. The rules, while they remain in effect, appear to address circumstances that do not apply to your question.

² For other statutes in which the Legislature has expressly authorized or required the taking of fingerprints under certain circumstances, see, e.g., MCL 207.1056 (application for license under Motor Fuel Tax Act); MCL 256.604(1) (application for license to engage in driver training school business); MCL 257.248f(2) (applications for vehicle dealer or salvage vehicle agent license under Michigan Vehicle Code); MCL 257.307 (application for operator’s or chauffeur’s license under Michigan Vehicle Code); MCL 338.1710 (application for license under Forensic Polygraph Examiners Act); MCL 451.602 (application for registration under Uniform Securities Act); MCL 600.949 (application for admission to state bar); and MCL 711.1 (petition for name change under Probate Code).

FIREARMS: Meaning of retired police or law enforcement officer in the Concealed Pistol Licensing Act

LAW ENFORCEMENT OFFICERS:

The terms “retired police officer” or “retired law enforcement officer,” as used in the Concealed Pistol Licensing Act, MCL 28.421 *et seq.*, mean a certified police or law enforcement officer who retired in good standing from his or her employment as a police or law enforcement officer and who is receiving a retirement benefit.

Honorable Herb Kehrl
State Representative
The Capitol
Lansing, MI 48909

You have asked several questions concerning the meaning of the terms “retired police officer” or “retired law enforcement officer” as used in the Michigan Concealed Pistol Licensing Act (CPLA), 2000 PA 381, MCL 28.421 *et seq.*

Section 5b(7)(c) of the CPLA, MCL 28.425b(7)(c), provides that, in order to become licensed to carry a concealed pistol, the applicant must have successfully completed a firearms course that satisfies the basic requirements of section 5j, MCL 28.425j, which includes such subjects as the safe handling of a pistol, fundamentals of pistol shooting, legal issues relating to firearms, avoiding confrontation, as well as training and practice on a firing range. Section 5l(2), MCL 28.425l(2), exempts from the educational requirements of section 5b(7)(c) an applicant “who is a retired police officer or retired law enforcement officer.” The CPLA also prohibits licensees from carrying a concealed pistol in certain locations, such as schools, hospitals, and day care centers. MCL 28.425o. However, that prohibition does not apply to a licensee who is a “retired police officer or retired law enforcement officer.” MCL 28.425o(4)(a).

You ask whether the term “retired police officer” or “retired law enforcement officer” includes an officer who worked part time and is not eligible for retirement benefits. Your other questions present additional factual variations on the first, including whether an officer would be deemed “retired” under the CPLA if the officer was receiving less than full benefits, lacks a retirement card, or retired for medical reasons and was collecting workers compensation benefits. By way of background, you advise that a prosecutor who serves as the chairperson of a county concealed weapon licensing board has taken the position that a retired police or law enforcement officer must be receiving retirement benefits in order to be eligible for the exemptions found in the CPLA.

The terms “retired police officer” and “retired law enforcement officer” are defined in section 1(h) of the CPLA, MCL 28.421(h):

“Retired police officer” or “retired law enforcement officer” means an individual who was a certified police officer or certified law enforcement officer as those terms are defined under section 2(k) of the commission on law enforcement standards act, 1965 PA 203, MCL 28.602,^[1] and retired in good standing from his or her employment as a police officer or law enforcement officer.

The Michigan Commission on Law Enforcement Standards Act (MCOLES Act), MCL 28.601 *et seq.*, does not expressly define the terms “certified police officer” or “certified law enforcement officer.” Section 2(l) of that act, however, does define “police officer” or “law enforcement officer”:

“Police officer” or “law enforcement officer” means, unless the context requires otherwise, any of the following:

(i) A regularly employed member of a law enforcement agency authorized and established pursuant to law, including common law, who is responsible for the prevention and detection of crime and the enforcement of the general criminal laws of this state. Police officer or law enforcement officer does not include a person serving solely because he or she occupies any other office or position.

(ii) A law enforcement officer of a Michigan Indian tribal police force, subject to the limitations set forth in section 9(3).

¹ Former section 2(k) of the Commission on Law Enforcement Standards Act is now section 2(l) by virtue of an amendment to that act by 2004 PA 379.

FIREARMS LAWS OF MICHIGAN

(iii) The sergeant at arms or any assistant sergeant at arms of either house of the legislature who is commissioned as a police officer by that respective house of the legislature as provided by the legislative sergeant at arms police powers act, 2001 PA 185, MCL 4.381 to 4.382.

(iv) A law enforcement officer of a multicounty metropolitan district, subject to the limitations of section 9(7).

(v) A county prosecuting attorney's investigator sworn and fully empowered by the sheriff of that county.

(vi) Until December 31, 2007, a law enforcement officer of a school district in this state that has a membership of at least 20,000 pupils and that includes in its territory a city with a population of at least 180,000 as of the most recent federal decennial census. [MCL 28.602(l).]

The MCOLES Act further defines "certification" in section 2(b), MCL 28.602(b):

"Certification" means either of the following:

(i) A determination by the commission that a person meets the law enforcement officer minimum standards to be employed as a commission certified law enforcement officer and that the person is authorized under this act to be employed as a law enforcement officer.

(ii) A determination by the commission that a person was employed as a law enforcement officer before January 1, 1977 and that the person is authorized under this act to be employed as a law enforcement officer.

The primary rule of statutory construction is to discern and effectuate the intent of the Legislature. *Sun Valley Foods Co v Ward*, 460 Mich 230; 236; 596 NW2d 119 (1999). Reading the relevant definitions together, it is reasonable to conclude that, for the purposes of the CPLA, the Legislature intended "certified police or law enforcement officer" to mean a person who meets the definition of a police or law enforcement officer in the MCOLES Act and who has met the qualifications for certification under that act.²

The question then turns to whether an officer who meets these requirements is "retired." Again, the primary goal of statutory construction is to ascertain and give effect to legislative intent. *People v Stanaway*, 446 Mich 643, 658; 521 NW2d 557 (1994). The word "retired" is not defined in either the CPLA or the MCOLES Act. The rules of statutory construction also require that every word or phrase of a statute be given its commonly accepted meaning. *Western Michigan Univ Bd of Control v Michigan*, 455 Mich 531, 539; 565 NW2d 828 (1997); MCL 8.3a. In the absence of a statutory definition, it is proper to resort to dictionary definitions. *State ex rel Wayne County Prosecuting Attorney v Levenburg*, 406 Mich 455, 465; 280 NW2d 810 (1979). *Webster's Third New International Dictionary, Unabridged Edition* (1964), defines "retired" as having "withdrawn from active duty or business" while "retire" is defined as "to withdraw from office, public station, business, occupation, or active duty." A person who is retired is a "retiree," which is synonymous with "retirant." *Id. Black's Law Dictionary* (7th ed) defines "retirement" as the "voluntary termination of one's own employment or career, [especially] upon reaching a certain age."

Applying these definitions alone, however, does not answer the question of whether an officer must be receiving retirement benefits in order to be deemed "retired" for the purposes of the CPLA. A literal application of the dictionary definition could lead to the conclusion that any certified officer who is separated from his or her position as a police or law enforcement officer, regardless of whether the officer meets the age and longevity requirement needed to qualify for retirement benefits, would qualify as "retired." By requiring that the officer be "retired," however, rather than merely a "former" officer, it is apparent that the Legislature contemplated more than that the officer has received basic training, been employed for the minimum period of time to become certified, and then left that position.

It is helpful in determining legislative intent to examine other statutes that relate to the same subject or share a common purpose. Such statutes are *in pari materia*, and may be read together as one law, even if they contain no reference to one another and were enacted on different dates. *Palmer v State Land Office Bd*, 304 Mich 628, 636; 8 NW2d 664 (1943). The purpose of the *in pari materia* rule is to give effect to the legislative purpose as found in harmonious statutes. *Jennings v Southwood*, 446 Mich 125, 136-137; 521 NW2d 230 (1994). In addition, the Legislature is deemed to be aware of the meaning given to the words it uses, *Anzaldua v Band*, 457 Mich 530, 543; 578 NW2d 306 (1998), and of the existence of the law in effect at the time of its enactments. *Malcolm v East Detroit*, 437 Mich 132, 139; 468 NW2d 479 (1991).

The term "retired" person or "retirant" has a particular meaning under various pension and employment statutes that are, therefore, relevant in determining the meaning of the terms "retired police officer" and "retired law enforcement officer" under the CPLA. For retirement purposes, a "retirant" is defined in section 2(c) of the Public Employee Retirement Benefits Forfeiture Act, 1994 PA 350, MCL 38.2702(c), as a "person who has retired with a retirement benefit payable from a retirement system."

² Michigan Administrative Code, 1988 AACS, R 28.4151(c) defines the term "certified as a police officer" as a "person who has met all the selection, employment, training, or waiver of training standards and who is approved by the training council or pursuant to the act to exercise the authority of a police officer."

FIREARMS LAWS OF MICHIGAN

A “member” is defined as a person who is “a member, vested former member, or deferred member of a retirement system.” MCL 38.2702(b). Thus, different terminology is employed for a person who is receiving a pension benefit (a “retirant”) and a person who may qualify for a pension benefit but is not yet receiving it (a “member”).³

The Fire Fighters and Police Officers Retirement Act, 1937 PA 345, MCL 38.551 *et seq.*, provides that a “member” who is at least 55 years of age and has 25 years of service may “retire.” MCL 38.556(1)(a). A member who becomes incapacitated due to a duty-related injury or disease “shall be retired” and receive a disability retirement pension. MCL 38.556(2)(d). A member who has at least five years of service and suffers a non-duty related injury or disease “may be retired by the retirement board” and receive a formula-based disability retirement pension. MCL 38.556(2)(e). In either case, “a retired member restored to active service shall again become a member of the retirement system” and any workers disability compensation benefits are to be offset against any retirement benefits. MCL 38.556(2)(f). The State Police Retirement Act of 1986, 1986 PA 182, MCL 38.1601 *et seq.*, defines a “retirant” as “a member who separates from service and retires with a retirement allowance payable from the appropriate reserve of the retirement system.” MCL 38.1604(3). These statutes governing retirement benefits, including those applicable to police officers, support the conclusion that a “retired” police or law enforcement officer is one who separates from service with a retirement benefit. This conclusion would apply regardless of the amount of retirement benefit the officer receives, whether the benefit is based on the officer being injured in the line of duty, or whether the officer receives a retirement card.⁴ Given the changes that are being made in retirement benefits in various communities – such as “401(k)” defined contribution plans replacing defined benefit plans, and the possibility of delayed receipt of vested retirement benefits – the Legislature may wish to consider amending MCL 28.421(h) to assure that the language of the statute continues to reflect the underlying intent of the Legislature.

It is my opinion, therefore, that the terms “retired police officer” or “retired law enforcement officer,” as used in the Concealed Pistol Licensing Act, MCL 28.421 *et seq.*, mean a certified police or law enforcement officer who retired in good standing from his or her employment as a police or law enforcement officer and who is receiving a retirement benefit.

MIKE COX
Attorney General

³ A similar distinction in terminology is also found in section 2 of the Public Employee Retirement Benefit Protection Act, 2002 PA 100, under which “retirant” means a person “who has retired with a retirement benefit payable from a retirement system,” MCL 38.1682(e), and “member” means “a member, vested former member, deferred member” MCL 38.1682(c).

⁴ This conclusion is also supported by the decision in *Clexton v Detroit*, 179 Mich App 209, 214; 445 NW2d 201 (1989). That case involved the interpretation of a city charter provision that defined a “retirant” as a member of the City’s retirement system “who retires with a retirement allowance or pension paid by the retirement system.” The plaintiff had left his employment before becoming eligible to receive his pension, retaining the right to a retirement allowance upon reaching retirement age. The plaintiff sought to receive payment of unused sick leave payable by the City to a “retirant.” Since the plaintiff was not receiving a retirement benefit, the court found he was not a “retirant.”

FIREARMS: Possession and transfer of a machine gun

MICHIGAN PENAL CODE:

A person in Michigan may only possess a machine gun if it was lawfully possessed before May 19, 1986, and is properly registered under federal law. A person in Michigan may only transfer possession of a machine gun if authorized to do so by the federal Director of the Bureau of Alcohol, Tobacco, Firearms and Explosives.

Honorable Leon Drolet
State Representative
The Capitol
Lansing, Michigan 48909

You have asked whether a person^[1] in Michigan may transfer possession of a federally registered machine gun.

Possession of a machine gun by a person in Michigan is controlled by section 224 of the Michigan Penal Code, MCL 750.224:

(1) A person shall not manufacture, sell, offer for sale, or possess any of the following:

(a) A machine gun or firearm that shoots or is designed to shoot automatically more than 1 shot without manual reloading, by a single function of the trigger.

* * *

(3) Subsection (1) does not apply to any of the following:

(a) A self-defense spray device as defined in section 224d.

(b) A person manufacturing firearms, explosives, or munitions of war by virtue of a contract with a department of the government of the United States.

(c) *A person licensed by the secretary of the treasury of the United States or the secretary's delegate^[2] to manufacture, sell, or possess a machine gun, or a device, weapon, cartridge, container, or contrivance described in subsection (1). [Emphasis added.]*

Of greatest relevance to your question is the exception stated in subsection 3(c) above. Michigan law, therefore, prohibits the possession of a machine gun by a person unless that person has been "licensed" by the United States Government to manufacture, sell, or possess the weapon.

To determine how one becomes "licensed" by the federal government, the governing provision is subsection (o) of section 922 of the federal Firearms Owners' Protection Act of 1986 (FOPA), 18 USC 922(o). That subsection states in relevant part:

(1) Except as provided in paragraph (2), it shall be unlawful for any person to transfer or possess a machinegun.

(2) This subsection does not apply with respect to—

* * *

(B) any lawful transfer or lawful possession of a machinegun that was lawfully possessed before the date this subsection takes effect [effective May 19, 1986]. [18 USC 922(o)(1) and (2)(B).]

After enactment of the FOPA, the Bureau of Alcohol, Tobacco, Firearms and Explosives promulgated implementing regulations permitting private ownership of a machine gun under specified circumstances. One of those regulations, 27 CFR 479.105, provides:

(a) General. As provided by 26 U.S.C. 5812 and 26 U.S.C. 5822, an application to make or transfer a firearm shall be denied if the making, transfer, receipt, or possession of the firearm would place the maker or transferee in violation of law...

¹ Because your request only concerns private individuals, this opinion does not address any other classes of persons, such as law enforcement officers and military personnel.

² The historical responsibility of the Secretary of Treasury of the United States to regulate firearms through the Bureau of Alcohol, Tobacco, Firearms and Explosives was transferred by Congress to the United States Attorney General by Public Law No 107-296, Title XI, Subtitle B, § 1112(f)(4), (6), 116 Stat 2276 (2002).

FIREARMS LAWS OF MICHIGAN

(b) Machine guns lawfully possessed prior to May 19, 1986. A machine gun possessed in compliance with the provisions of this part prior to May 19, 1986, may continue to be lawfully possessed by the person to whom the machine gun is registered and may, upon compliance with the provisions of this part, be lawfully transferred to and possessed by the transferee.

Thus, under federal law, a person may possess a machine gun if that person lawfully possessed it before May 19, 1986, or if the person is one to whom a person in lawful possession lawfully transferred possession after that date. Another regulation, 27 CFR 479.84, generally prohibits the transfer of a firearm “unless an application, Form 4 (Firearms), Application for Transfer and Registration of Firearm, in duplicate, executed under the penalties of perjury to transfer the firearm and register it to the transferee has been filed with and approved by the Director [of the Bureau of Alcohol, Tobacco, Firearms and Explosives].” The regulation further requires that the application provide a complete description of the firearm and detailed identification of both parties to the transfer. Under the current Form 4 (copy attached), the transferee is required to certify whether the transferee has been convicted of or is facing criminal felony charges, whether the transferee is a fugitive, illegal alien, addicted to controlled substances, subject to a domestic relations restraining order, has received a military dishonorable discharge, has been adjudicated mentally defective, or has been convicted of domestic violence. An affirmative answer to any of these questions results in a denial of the application. Another regulation, 27 CFR 479.85, requires that the application include the transferee’s photograph and set of fingerprints. The application must also be certified by the appropriate state or local law enforcement official as to whether the official has any information indicating that the machine gun will be used for other than a lawful purpose or that possession of the gun by the transferee would be in violation of state or federal law. 27 CFR 479.85. The Form 4 application is then reviewed by the Director and, if approved, is returned to the transferor who may then transfer the weapon. The transferee is required to retain the approved Form 4 application as proof that the firearm is properly registered. 27 CFR 479.86.

In light of this federal regulatory background, it must next be determined whether this federal approval process culminates in the issuance of a “license” for purposes of the exception to the prohibition on the possession of a machine gun found in MCL 750.224.

The foremost rule in construing a statute is to discern and give effect to the intent of the Legislature. *Nastal v Henderson & Associates Investigations, Inc.*, 471 Mich 712, 720; 691 NW2d 1 (2005). The first step in ascertaining that intent is to review the language of the statute. The plain meaning of the critical word itself as well as its placement and purpose in the statutory scheme must be considered. *Sun Valley Foods Co v Ward*, 460 Mich 230, 236-237; 596 NW2d 119 (1999).

The concept of licensure was discussed in *Bostrom v Jennings*, 326 Mich 146, 167; 40 NW2d 97 (1949) (Boyles, J. concurring):

[A] license means “to confer on a person the right to do something which otherwise he would not have the right to do.” 33 Am Jur, “Licenses,” § 2, p 325.

“The object of a license is to confer a right that does not exist without a license.” *Chilvers v. People*, 11 Mich 43, 49.

“The popular understanding of the word license undoubtedly is, a permission to do something which without the license would not be allowable...” *Youngblood v. Sexton*, 32 Mich 406, 419 (20 Am Rep 654).

The general understanding of a license is stated in Webster’s New International Dictionary (2d ed), p 1425, as follows:

“License, license, n * * * Authority or liberty given to do or forbear any act; permission to do something.”

Although the application and registration scheme provided for under the federal laws and regulations discussed above do not result in the issuance of a document labeled “license,”³ the Form 4 application and resulting approval process bears all the hallmarks of licensure. The permission granted by the Director of the Bureau of Alcohol, Tobacco, Firearms and Explosives to transfer and possess a machine gun is the official authority required in order to avoid the federal proscription. Absent such approval, a person possessing a machine gun would be subject to serious sanctions, including prosecution and incarceration under both federal and state law. See 18 USC 924 and MCL 750.224(2).

Moreover, there is no indication in the plain text of MCL 750.224 that the Legislature intended the word “license” to have a meaning other than its ordinary meaning as described by the Court in *Bostrom*. Its purpose in the statutory scheme appears to be to assure that only those persons receiving the proper authorization from the appropriate federal officials are allowed to manufacture, sell, or possess a machine gun. The statute does not focus on the particular title or name given to that authorizing instrument. Accordingly, the authorization provided under the federal regulatory scheme embodied in 18 USC 922(o) and related regulations constitutes a “license” within the meaning of MCL 750.224.⁴

³ Compare 18 USC 923 (providing for the licensure of manufacturers, importers, dealers, and collectors).

FIREARMS LAWS OF MICHIGAN

It is my opinion, therefore, that a person in Michigan may only possess a machine gun if it was lawfully possessed before May 19, 1986, and is properly registered under federal law. A person in Michigan may only transfer possession of a machine gun if authorized to do so by the federal Director of the Bureau of Alcohol, Tobacco, Firearms and Explosives.

MIKE COX
Attorney General

⁴ OAG, 1977-1978, No 5210, p 189 (August 10, 1977), reached the opposite conclusion on this question. However, at the time that opinion was issued, MCL 750.224 allowed a person to possess a machine gun if the person was “duly licensed to manufacture, sell, or possess any machine gun.” As that opinion noted, when MCL 750.224 was amended in 1959, the Legislature considered a companion bill to license the possession of machine guns. The opinion concluded that the failure to enact the bill was evidence that no law existed to allow for the possession of a machine gun. The opinion further noted that then existing federal law only provided for the registration and not the licensing of machine guns. As discussed above, Congress subsequently enacted legislation authorizing the Director of Alcohol, Tobacco, Firearms and Explosives to formally approve the possession of certain machine guns. Moreover, soon after the issuance of OAG No 5210, the Legislature amended MCL 750.224 by 1978 PA 564 to specifically recognize an exception for a license issued by the United States Government. The Attorney General was also quick to recognize that with the amendment, the machine gun prohibition in MCL 750.224 did not apply to a person duly licensed by the Secretary of Treasury of the United States or the Secretary’s delegate to possess a machine gun. Letter opinion of the Attorney General to Phillip Price, Chief, National Firearms Act Branch, United States Department of Treasury, dated April 25, 1979. Accordingly, OAG No 5210 is superseded by this opinion.

FIREARMS: Possession of a firearm that shoots shotgun shells, has not been modified from a shotgun, and has a barrel length of less than 18 inches, and an overall length of less than 26 inches

FIREARMS ACT:

MICHIGAN PENAL CODE:

SHORT-BARRELED SHOTGUN:

A person in Michigan may lawfully possess a weapon that fires shotgun shells; has not been constructed from a modified shotgun; has an overall length of less than 26 inches and a barrel length of less than 18 inches; and is not designed or intended to be fired from the shoulder, if the person complies with the purchase and registration requirements for owning a pistol set forth in the Firearms Act, 1929 PA 372, MCL 28.421 *et seq.*

Honorable Phillip Pavlov
State Representative
The Capitol
Lansing, MI 48909

You ask whether a person may legally own a weapon that fires shotgun shells; was not constructed from a modified shotgun; has an overall length of less than 26 inches and a barrel length of less than 18 inches; and is registered as a pistol.

Answering your question requires addressing two initial issues. The first is whether the weapon you have described is an unlawful short-barreled shotgun. MCL 750.224b(1) provides that “[a] person shall not manufacture, sell, offer for sale, or possess a short-barreled shotgun or short-barreled rifle.” Violation of this prohibition is a felony punishable by up to five years imprisonment or a fine of up to \$42,500. MCL 750.224b(2).¹ Short-barreled shotgun is defined in MCL 750.222(i) as:

[A] *shotgun* having 1 or more barrels less than 18 inches in length or a weapon made from a *shotgun*, whether by alteration, modification, or otherwise, if the weapon as modified has an overall length of less than 26 inches. [Emphasis added.]

The term “shotgun” is defined as “a firearm designed or redesigned, made or remade, and *intended to be fired from the shoulder* and designed or redesigned and made or remade to use the energy of the explosive in a fixed *shotgun shell* to fire through a smooth bore either a number of ball shot or a single projectile for each single function of the trigger.” MCL 750.222(h) (emphasis added).

The primary goal of statutory interpretation is to give effect to the intent of the Legislature as expressed in the plain language of the statute. *Brown v Detroit Mayor*, 478 Mich 589, 593; 734 NW2d 514 (2007); *Houdek v Centerville Twp*, 276 Mich App 568, 581; 741 NW2d 587 (2007). “[I]f the language of the statute is clear and unambiguous, no interpretation is necessary and the court must follow the clear wording of the statute.” *American Alternative Ins Co v Farmers Ins Exchange*, 470 Mich 28, 30; 679 NW2d 306 (2004).

Based on the plain language of the definitions quoted above, an illegal short-barreled shotgun is either a firearm: (1) designed or intended to be fired from the shoulder and having a barrel length of less than 18 inches; or (2) modified from a shotgun to be less than 26 inches in overall length. MCL 750.222(i) and 750.222(h); *People v Walker*, 166 Mich App 299, 301; 420 NW2d 194 (1988). A number of unmodified weapons fire shotgun shells, have barrel lengths of less than 18 inches, but are not designed or intended to be fired from the shoulder, and therefore do not fall within the statutory definition of “short-barreled shotgun.”² It is, however, illegal to possess a weapon with a barrel length of less than 18 inches or an overall length of less than 26 inches created by modifying a shotgun originally designed or intended to be fired from the shoulder.

The second issue is whether a weapon that fires shotgun shells but does not meet the definition of a shotgun, and which has a barrel length of less than 18 inches and an overall length of less than 26 inches, may be possessed in Michigan. In other words, if such a weapon is not a shotgun, how should it be classified for purposes of ownership in Michigan.

¹ MCL 750.224b(3) exempts from the prohibition short-barreled shotguns that have been deemed by the United States Secretary of Treasury to be a “curio, relic, antique, museum piece, or collector’s item” and not likely to be used as a weapon, and the owner has registered the weapon as a pistol in accordance with MCL 28.422 and 28.422a.

² An example of such a weapon is the “Super-Shorty” manufactured by Serbu Firearms, Inc. The company describes the weapon as a short 12-gauge pump shotgun available with pistol grips (its overall length is 16.5 inches), and markets the firearm as being concealable. Its overall design reveals that it is not designed or intended to be fired from the shoulder. See (accessed October 20, 2010).

FIREARMS LAWS OF MICHIGAN

MCL 750.222(e) defines a “pistol” as “a loaded or unloaded *firearm* that is 30 inches or less in length, or a loaded or unloaded firearm that by its construction and appearance conceals itself as a firearm.” (Emphasis added.) “Firearm” is defined as “a weapon from which a dangerous projectile may be propelled by an explosive, or by gas or air.” MCL 750.222(d).

Based on the plain language of these definitions, the weapon described in your request is plainly a “firearm” since it is a weapon that projects or fires shotgun shells. It also falls within the definition of “pistol” because it is a firearm with an overall length of less than 30 inches. The weapon is not designed or intended to be fired from the shoulder and is concealable. This further supports a conclusion that the weapon is a pistol under Michigan law.

As a pistol, the weapon you describe may not be owned or lawfully possessed unless the requirements of the Firearms Act, 1929 PA 372, MCL 28.421 *et seq.*, are met. Under that Act, “a person shall not purchase, carry, possess, or transport a pistol in this state without first having obtained a license for the pistol as prescribed in this section.” MCL 28.422(1).³

It is my opinion, therefore, that a person in Michigan may lawfully possess a weapon that fires shotgun shells; has not been constructed from a modified shotgun; has an overall length of less than 26 inches and a barrel length of less than 18 inches; and is not designed or intended to be fired from the shoulder, if the person complies with the purchase and registration requirements for owning a pistol set forth in the Firearms Act, 1929 PA 372, MCL 28.421 *et seq.*

MIKE COX
Attorney General

³ The federal government treats pistols with a smooth barrel as an “any other weapon” (AOW), rather than a pistol. 26 USC 5845(e). However, Michigan law makes no such distinction over barrel rifling. Thus, for federal purposes the weapon is taxed as an AOW, while for state purposes it is a pistol.

CONST 1963, ART 1, § 6: Restrictions on right to bear arms under Const 1963, art 1, § 6

FIREARMS:

NATURAL RESOURCES COMMISSION:

Const 1963, art 1, § 6 provides a constitutional right in Michigan to bear firearms for self defense, subject to reasonable regulation by the State.

The firearm and ammunition restrictions set forth in Wildlife Conservation Order section 2.1(3) dealing with the possession of a rifle or shotgun in areas frequented by deer during the five-day period immediately preceding the beginning of firearm deer season are a reasonable exercise of the State's police power, and do not violate the right to bear arms established by Const 1963, art 1, § 6.

The Legislature may, by statute, amend or repeal the firearm and ammunition restrictions set forth in Wildlife Conservation Order section 2.1(3).

Honorable Michael Prusi
State Senator
The Capitol
Lansing, MI 48909

You have asked two questions regarding a provision within the Wildlife Conservation Order (WCO)¹ that restricts possession of certain firearms and types of ammunition during the five days preceding opening day of Michigan's firearm deer season on November 15.

The WCO is issued under Part 401, Wildlife Conservation, of the Natural Resources and Environmental Protection Act (NREPA), 1994 PA 451, MCL 324.40101 *et seq.* Part 401 vests the authority for managing wild birds and mammals in the Department of Natural Resources and Environment (Department),² and the Natural Resources Commission (Commission). Section 40113a of the NREPA, MCL 324.40113a, shifted primary responsibility for one aspect of wildlife management, regulating the taking of game, to the Commission from the Department:

The commission of natural resources shall have the exclusive authority to regulate the taking of game as defined in section 40103 in this state. The commission of natural resources shall, to the greatest extent practicable, utilize principles of sound scientific management in making decisions regarding the taking of game. Issuance of orders by the commission of natural resources regarding the taking of game shall be made following a public meeting and an opportunity for public input. [MCL 324.40113a(2).]³

The particular provision of the WCO identified in your request is found in Chapter II, section 2.1, which states:

(1) Unless otherwise specified in this order, a person shall not do any of the following:

* * *

(3) During the five days immediately preceding November 15, transport or possess in an area frequented by deer a rifle or shotgun with buckshot, slug load, ball load, or cut shell. A person may transport a rifle or shotgun to or from a hunting camp if the rifle or shotgun is unloaded and securely encased or carried in the trunk of a vehicle. This section shall not prohibit a resident who holds a fur harvester's license from carrying a rimfire firearm .22 caliber or smaller while hunting or checking a trap line during the open season for hunting or trapping fur-bearing animals.

The origins of this provision can be found in an amendment to the Game Law, 1929 PA 286, by 1947 PA 326, which stated, in part, in Chapter IV, section 6, 1948 CL 314.6:

Provided further, That during the 5 days immediately preceding the opening of the season for the taking of deer with firearms it shall be unlawful to transport or possess in any area frequented by deer a rifle larger than .22 caliber rim fire, or shotgun with buckshot, or slug load or ball load or cut shell. [Emphasis in original.]

¹ The Wildlife Conservation Order is actually made up of numerous orders that have been issued and amended over the course of many decades. It may be viewed by accessing the Michigan Department of Natural Resources and Environment website at: <http://michigan.gov/documents/Wcao_134367_7.html> (accessed August 19, 2010).

² All statutory functions and authorities of the former Department of Natural Resources were transferred to the new Michigan Department of Natural Resources and Environment by Executive Order 2009-45, effective January 17, 2010.

³ Section 40113a was added to Part 401 by 1996 PA 377. In the past, the Department's and the Commission's authority were indistinguishable because the Commission was the head of the Department. But through a series of Executive Orders, beginning in 1991, the Commission's role has changed, and it now only retains certain authority including authority over the taking of game.

FIREARMS LAWS OF MICHIGAN

This statutory provision and other sections of the Game Law were repealed by 1980 PA 86, the Hunting and Fishing License Act. That Act, however, included a prohibition similar to 1948 CL 314.6 at Article 8, section 805, MCL 316.805:

During the 5 days immediately preceding the opening of the earliest season for the taking of deer with firearms, a person shall not transport or possess in any area frequented by deer a rifle or shotgun with buckshot, slug load, ball load, or cut shell. A person may transport a rifle or shotgun to or from a hunting camp if the rifle or shotgun is unloaded and locked in the trunk of a motor vehicle or otherwise inaccessible to an occupant of the motor vehicle from the interior of the vehicle.

The authority of the Commission was later expanded by 1988 PA 256, the Wildlife Conservation Act, which stated that the Commission “shall manage animals in this state,” and authorized the Commission to “issue orders” to do so, including orders establishing the lawful time, place, and method of hunting. The Act also required the Commission to issue orders that would take the place of the remaining sections of the Game Law, effectively repealing those sections. These changes consolidated the various game regulations under the Commission, and were intended to provide for the more consistent and efficient management of the State’s wildlife resources. Senate Fiscal Analysis, SB 374, July 12, 1988, p 1.

Subsequently, many of the regulations in the Hunting and Fishing License Act, 1980 PA 86, were repealed by 1993 PA 144. This included MCL 316.805, which was described as having been superseded by the earlier Wildlife Conservation Act, 1988 PA 256. Senate Fiscal Analysis, SB 147, August 8, 1994, pp 2-3. 1993 PA 144 was signed by the Governor on August 13, 1993, and took immediate effect. On September 9, 1993, the Department issued amendment 19 to the WCO, adding section 2.1(3).

This history reveals that the ammunition and firearm restrictions set forth in section 2.1(3), or at least similar provisions, have been in force since 1947. As your letter acknowledges, the Department’s position is that section 2.1(3) was intended to, and does, help prevent the poaching of deer during the five days preceding opening day. This intent is demonstrated by the fact that the types of ammunition and firearms subject to the five-day period are those typically used when hunting deer. Furthermore, embedded within the protection against poaching immediately before the season opens are the concepts of fair play and a level playing field for hunters. The restriction helps ensure that all hunters enter the season with an equal opportunity for the taking of game.

You first ask whether this provision of the WCO violates an individual’s right to bear arms as established by Const 1963, art 1, § 6.

Section 6 states: “Every person has a right to keep and bear arms for the defense of himself and the state.” Const 1963, art 1, § 6. It was preceded by Const 1908, art 2, § 5, which provided: “Every person has a right to bear arms for the defense of himself and the state.” Because of the similarity of the provisions and since the Convention Comment to Const 1963, art 1, § 6 indicates no intent to reduce the protection of the right to bear arms granted by the 1908 Constitution, the rights guaranteed under both provisions have been viewed as identical. *People v Swint*, 225 Mich App 353, 359, n 2; 572 NW 2d 666 (1997).

Const 1963, art 1, § 6 is similar to the Second Amendment of the United States Constitution, which provides that “the right of the people to keep and bear Arms, shall not be infringed.” *In McDonald v Chicago*, 561 US ___; 130 S Ct 3020, 3042; 177 L Ed 2d 894, 921 (2010), the United States Supreme Court confirmed that this provision provides a “fundamental” and “basic” right of self defense, and that it is applicable to the States by virtue of the Fourteenth Amendment of the United States Constitution:

In sum, it is clear that the Framers and ratifiers of the Fourteenth Amendment counted the right to keep and bear arms among those fundamental rights necessary to our system of ordered liberty.

In reaching that conclusion, however, the Supreme Court recognized that the right was not without limits. Quoting from its decision in *District of Columbia v Heller*, 554 US ___; 128 S Ct 2783; 171 L Ed 2d 637 (2008), the *McDonald Court* stated:

It is important to keep in mind that *Heller*, while striking down a law that prohibited the possession of handguns in the home, recognized that the right to keep and bear arms is not “a right to keep and carry any weapon whatsoever in any manner whatsoever and for whatever purpose.” 554 US, at ___; 128 S Ct 2783; 171 L Ed 2d at 678. We made it clear in *Heller* that our holding did not cast doubt on such longstanding regulatory measures as “prohibitions on the possession of firearms by felons and the mentally ill,” “laws forbidding the carrying of firearms in sensitive places such as schools and government buildings, or laws imposing conditions and qualifications on the commercial sale of arms.” *Id.*, at ___; 128 S Ct 2783; 171 L Ed 2d at 678. We repeat those assurances here.

Consistent with *McDonald*, the Michigan Supreme Court construed former Const 1908, art 2, § 5, which created a right to bear arms for specific purposes, as being subject to the reasonable exercise of the State’s police power. In *People v Brown*, 253 Mich 537, 539-541; 235 NW 245 (1931) (citations omitted), the Court observed:

It is generally recognized that the constitutional declaration, in both Federal and State constitutions, of the right to bear arms had its origin in the fear of the American colonists of a standing army and its use to oppress the people, and in their attachment to a militia composed of all able-bodied men. Probably the necessity of self-protection in a frontier society also was a factor.

FIREARMS LAWS OF MICHIGAN

* * *

The protection of the Constitution is not limited to militiamen nor military purposes, in terms, but extends to “every person” to bear arms for the “defense of himself” as well as of the State. This includes the right of a foreigner to possess a revolver for the legitimate defense of his person and property, subject, however, to the valid exercise of the police power of the State to regulate the carrying of firearms. [Emphasis added.]

More recently, the Court of Appeals in *People v Swint*, recognizing the State’s police power, upheld as constitutional under Const 1963, art 1, § 6, a statute that restricted the right of felons to possess firearms.

Applying the *Brown* and *Swint* Courts’ reasoning to the WCO’s prohibition on possessing certain types of firearms and ammunition in the field before the opening day of deer season, the restriction does not violate Const 1963, art 1, § 6. The WCO imposes a restriction of short duration that only applies to a limited number of specifically described firearms and ammunition, which are typically used to hunt deer. A person subject to section 2.1(3) may otherwise possess a handgun for self defense. Consequently, the WCO would not violate the Second Amendment as interpreted by the United States Supreme Court in *Heller* and *McDonald*. As there is a legitimate police power justification for the WCO – the prevention of poaching and the assurance of a level playing field for all hunters awaiting opening day – and it only places reasonable limits on the right to carry firearms, it is not unconstitutional.

It is my opinion, therefore, that Const 1963, art 1, § 6 provides a constitutional right in Michigan to bear firearms for self defense, subject to reasonable regulation by the State. The firearm and ammunition restrictions set forth in Wildlife Conservation Order section 2.1(3) dealing with the possession of a rifle or shotgun in areas frequented by deer during the five-day period immediately preceding the beginning of firearm deer season are a reasonable exercise of the State’s police power, and do not violate the right to bear arms established by Const 1963, art 1 § 6.

You next ask whether the Legislature may “rescind” section 2.1(3) of the WCO by legislation. It is a general rule of law that: “An agency has no inherent power. Any authority it may have is vested by the Legislature, in statutes, or by the Constitution.” *Deleuw v Bd of State Canvassers*, 263 Mich App 497, 500; 688 NW2d 847 (2004), quoting *Belanger & Sons, Inc v Dep’t of State*, 176 Mich App 59, 62-63; 438 NW2d 885 (1989).

The Commission’s authority to adopt section 2.1(3) is not derived from the Michigan Constitution. The Commission was vested with exclusive authority to regulate the taking of game by the enactment of 1996 PA 377, which was submitted by the Legislature to the electors for vote under the referendum process provided for in Const 1963, art 4, § 34. It was approved by a majority of the electors on November 5, 1996. While a citizen initiated law under art 2, § 9 of the Constitution expressly requires the votes of three-fourths of the members of each house of the legislature to amend or repeal it, art 4, § 34 lacks that requirement and thus laws adopted through referendum may be amended at any time by a simple majority vote of the Legislature:

No law initiated or adopted by the people shall be subject to the veto power of the governor, and no law adopted by the people at the polls under the initiative provisions of this section shall be amended or repealed, except by a vote of the electors unless otherwise provided in the initiative measure or by three-fourths of the members elected to and serving in each house of the legislature. Laws approved by the people under the referendum provision of this section may be amended by the legislature at any subsequent session thereof. [Const 1963, art 2, § 9.]

OAG, 1997-1998, No 6990, p 161 (August 10, 1998), addressed the Legislature’s power to make, amend or repeal a law:

Const 1963, art 4, § 1, provides that: “The legislative power of the State of Michigan is vested in a senate and a house of representatives.” This legislative power has been described as plenary and equivalent to the legislative powers asserted by the Parliament of the United Kingdom, except so far as the people of this state have limited it. *Harsha v Detroit*, 261 Mich 586, 590; 246 NW 849 (1933); *Advisory Opinion on Constitutionality of 1976 PA 240*, 400 Mich 311; 254 NW2d 544 (1977); and *Sessa v State Treasurer*, 117 Mich App 46, 54; 323 NW2d 586 (1982).

The Legislature has plenary authority, except where specifically limited by the Constitution. The WCO was issued by the Commission under authority granted it by the Legislature and the voters through the referendum process. That authority can be altered or repealed entirely by the Legislature and the Governor through the process for passage of a bill.⁴

It is my opinion, therefore, that the Legislature may, by statute, amend or repeal the firearm and ammunition restrictions set forth in Wildlife Conservation Order section 2.1 (3).

MIKE COX
Attorney General

⁴ For example, the Legislature previously used its authority to override a firearms rule promulgated by the then Department of Natural Resources when it enacted 2004 PA 129 and 130. That law exempted persons licensed to carry concealed pistols or otherwise exempt from licensure under 1927 PA 372 from a rule that prohibited the possession of firearms while hunting deer during “bow and arrow” season. FIREARMS: Possession of firearm silencers or mufflers

SILENCERS OR MUFFLERS:

MICHIGAN PENAL CODE:

The possession, manufacture, or sale of a firearm silencer is permitted in Michigan under MCL 750.224(1)(b) if the person is licensed or approved to possess, manufacture, or sell such a device by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives, as required by MCL 750.224(3)(c). Possession, manufacture, or sale of a firearm silencer by an unlicensed or unapproved person is a felony, punishable by up to five years imprisonment under MCL 750.224(2).

In separate requests, you have asked whether, assuming the appropriate license or approval is obtained from the federal Bureau of Alcohol, Tobacco, Firearms and Explosives, a Michigan citizen may legally possess, manufacture, or sell a firearm silencer or muffler.¹

Federal law imposes restrictions and taxes on the transfer or making of certain firearms, including devices such as silencers or mufflers. 28 USC 5845(a); 18 USC 921(a)(3).² The Department of Justice regulates firearms through the Bureau of Alcohol, Tobacco, Firearms and Explosives.³ The federal licensing or approval process is set forth in the National Firearms Act, 26 USC 5811 *et seq* (transfers of firearms), and 26 USC 5821 *et seq* (making of firearms), and promulgated regulations. See 27 CFR Part 479. Both the transfer and the making of a silencer may be approved by the Bureau upon submitting the proper application forms.

In either case, the application process involves a detailed background check to ensure that the applicant complies with federal law, including a determination that the applicant has not been charged with or been convicted of a disqualifying crime; is a lawful resident and at least 21 years of age; does not use illegal substances; has not been adjudicated mentally defective or committed to a mental institution; and has not been convicted of a crime involving domestic violence. In addition, the applicant must undergo an identification verification process and secure a certification from a local law enforcement agency having

¹ Section 224(4) of the Michigan Penal Code, MCL 750.224(4), defines “muffler” or “silencer” to mean one or more of the following:

- (a) A device for muffling, silencing, or deadening the report of a firearm.
- (b) A combination of parts, designed or redesigned, and intended for use in assembling or fabricating a muffler or silencer.
- (c) A part, designed or redesigned, and intended only for use in assembling or fabricating a muffler or silencer.

⁴These devices are also often referred to as “sound suppressors.” For convenience, reference to the term “silencer” or “silencers” throughout this opinion should be understood as referring to all the items listed in this definition.

² Federal law also requires that all firearms be registered and listed on the National Firearms Registration and Transfer Record. See 26 USC 5841 *et seq*.

³ Historical responsibility of the Secretary of the Treasury of the United States to regulate firearms through the Bureau of Alcohol, Tobacco, Firearms and Explosives was transferred by Congress to the Department of Justice by Public Law No 107-296, Title XI, Subtitle B, § 1112(f)(4), (6), 116 Stat 2276 (codified at 18 USC 922 (2002)).

FIREARMS LAWS OF MICHIGAN

jurisdiction in the area of the applicant's residence that the device will be used for lawful purposes, and that its possession does not violate state or local law. See 27 CFR Part 479, Subparts E and F.⁴

Turning to your question, the analysis begins with section 224 of the Michigan Penal Code, MCL 750.224, found in Chapter 37 relating to firearms. Public Act 33 of 1991 reorganized the section into its present structure, including four subsections: prohibitions are stated in subsection (1)(a) through (e); the penalty for violating the section is stated in subsection (2); the exceptions are stated in subsection 3(a) through (c); and subsection (4) provides a definition of the term "muffler" or "silencer."⁵ Section 224 thus provides, in part:

(1) *A person shall not manufacture, sell, offer for sale, or possess any of the following:*

a) A machine gun or firearm that shoots or is designed to shoot automatically more than 1 shot without manual reloading, by a single function of the trigger.

(b) *A muffler or silencer.*

(c) A bomb or bombshell.

(d) A blackjack, slugshot, billy, metallic knuckles, sand club, sand bag, or bludgeon.

(e) A device, weapon, cartridge, container, or contrivance designed to render a person temporarily or permanently disabled by the ejection, release, or emission of a gas or other substance.

(2) A person who violates subsection (1) is guilty of a felony, punishable by imprisonment for not more than 5 years, or a fine of not more than \$2,500.00, or both.

(3) *Subsection (1) does not apply to any of the following:*

(a) A self-defense spray or foam device as defined in section 224d.^[6]

(b) A person manufacturing firearms, explosives, or munitions of war by virtue of a contract with a department of the government of the United States.

(c) A person licensed by the [Director of the Bureau of Alcohol, Tobacco, Firearms and Explosives] to manufacture, sell, or possess a machine gun, *or a device, weapon, cartridge, container, or contrivance described in subsection (1).* [Emphasis added.]

The plain language of MCL 750.224(1) prohibits the possession, manufacture, or sale of silencers. But subsection 3 of section 224 states a number of exceptions to the general prohibition set forth in subsection (1). The question, therefore, is whether any of these exceptions apply to silencers. The first two subsections, (3)(a) and (b), do not relate to silencers. Thus, an exception to the prohibition against possessing silencers stated in subsection (1) may only be found in the language of subsection (3)(c).⁷ When construing a statute, the foremost obligation is to discern and effectuate the intent of the Legislature as may reasonably be inferred from the words expressed in the statute. *Halloran v Bhan*, 470 Mich 572, 576-578; 683 NW2d 129 (2004); *Massey v Mandell*, 462 Mich 375, 380-381; 614 NW2d 70 (2000). Unless defined in the statute, every word or phrase of a statute should be accorded its plain and ordinary meaning, taking into account the context in which the words are used. MCL 8.3a; *Western Michigan Univ Bd of Control v Michigan*, 455 Mich 531, 539; 565 NW2d 828 (1997). Both the plain meaning of the critical word or phrase as well as its placement and purpose in the statutory scheme must be considered. *Sun Valley Foods Co v Ward*, 460 Mich 230, 237; 596 NW2d 119 (1999). Nothing may be read into an unambiguous statute that is not within the manifest intent of the Legislature as derived from the words of the statute itself. *Roberts v Mecosta County General Hosp*, 466 Mich 57, 63; 642 NW2d 663 (2002). But effect must be given to every word in a statute so as to avoid an interpretation that would render any part surplusage. *Jenkins v Patel*, 471 Mich 158, 167; 684 NW2d 346 (2004).

The language of subsection (3)(c) of section 224 must be analyzed with these guiding principles in mind. That language states that subsection (1) does not apply to: "A person licensed by" the Bureau of Alcohol, Tobacco, Firearms and Explosives "to manufacture, sell, or possess a machine gun, or a device, weapon, cartridge, container, or contrivance described in subsection (1)." The plain text applies to a person federally licensed "to manufacture, sell, or possess a machine gun." OAG, 2005-2006, No 7183, p 63 (December 27, 2005), examined this provision and the applicable federal licensing law and concluded that it authorized a person in Michigan to possess a machine gun if it was lawfully possessed before May 19, 1986, and was

⁴ More detailed information regarding this process may be found on the Bureau of Alcohol, Tobacco, Firearms and Explosives website at <<http://www.atf.gov>> (accessed August 31, 2011).

⁵ See the full text of the current definition quoted in n 1.

⁶ MCL 750.224d defines a self-defense spray device to include those devices capable of carrying, and ejects, releases, or emits not more than 35 grams of any combination of orthochlorobenzalmalononitrile and inert ingredients or a solution containing not more than 10% oleoresin capsicum.

⁷ But see MCL 750.231 for additional exceptions, not relevant to your questions, afforded to law enforcement, armed forces, and similar personnel.

FIREARMS LAWS OF MICHIGAN

properly registered under federal law. This language does not apply to silencers, however, leaving the balance of subsection (3)(c) for review.

The remaining part of subsection (3)(c) states that subsection (1) does not apply to a person federally licensed to manufacture, sell, or possess “a *device*, weapon, cartridge, container, or contrivance *described in subsection (1)*.” MCL 750.224(3)(c) (emphasis added). Answering your question requires determining the meaning of this emphasized language, which is important in several respects.

First, the language refers to specific items mentioned in subsection (1) of section 224: a machine gun, as mentioned in subsection (1)(a), and the five items mentioned in subsection (1)(e) (“device, weapon, cartridge, container, or contrivance”). But it does not incorporate the same clause used in subsection (1)(e) to limit the items listed there (“designed to render a person temporarily or permanently disabled by the ejection, release, or emission of a gas or other substance”).

Second, when qualifying the terms “device, weapon, cartridge, container, or contrivance,” the exception refers to “subsection (1)” and not the more limiting subdivision (e) of subsection (1). The question therefore arises whether the Legislature intended to authorize possession of only federally-registered machine guns and certain gas-emitting devices or whether it intended to authorize possession of all the items listed in subsection (1) if federally registered.

Again, the foremost rule is to ascertain and effectuate the intent of the Legislature. *Halloran*, 470 Mich at 576-578. “[I]t is the court’s duty to give effect to the intent of the Legislature as expressed in the actual language used in the statute. It is the role of the judiciary to interpret, not write the law. If the statutory language is clear and unambiguous, the statute is enforced as written. Judicial construction is neither necessary nor permitted because it is presumed that the Legislature intended the clear meaning it expressed.” *People v Schaefer*, 473 Mich 418, 430-431; 703 NW2d 774 (2005) (footnotes omitted).

Here, the Legislature exempted from the prohibition set forth in subsection 224(1) any federally-licensed “device . . . described in subsection (1).” MCL 750.224(3)(c). A silencer is a “*device* for muffling, silencing, or deadening the report of a firearm.” MCL 750.224(4)(a) (emphasis added). Had the Legislature intended to limit the exception in subsection (3)(c) of section 224 to machine guns and devices that eject, release, or emit gas or other substances, it would have limited the application of the exception to machine guns and those weapons and devices set out in subsection (1)(a) and (e). Instead, the Legislature chose neither option, electing to use statutory language indicating that any of the devices listed in “subsection (1)” qualify for the federal licensee exception to the state prohibition. Whether all of the devices listed in subsection (1) should fall within the exception for federally-registered devices is a policy determination for the Legislature alone to make; unambiguous statutes must be enforced as written. The wisdom of a statute is for the Legislature to determine and not the courts; the law must be enforced as written. *Smith v Cliffs on the Bay Condo Ass’n*, 463 Mich 420, 430; 617 NW2d 536 (2000).⁸

Moreover, since section 224 is part of the Penal Code and criminal penalties are provided for the illegal possession of a firearm silencer, specific rules of statutory construction involving criminal laws must also be considered. A fundamental rule of statutory construction is that criminal statutes must be strictly construed. *People v Carlson*, 466 Mich 130, 138; 644 NW2d 704 (2002). But see MCL 750.2 (requiring that the provisions of the Penal Code be construed according to the “fair import of their terms, to promote justice and to effect the objects of the law”). Any doubt whether conduct is criminal must be resolved in favor of the defendant. *People v Jahner*, 433 Mich 490; 446 NW2d 151 (1989). The fair and plain application of the exception set forth in MCL 750.224(3)(c) supports the conclusion that each of the devices or weapons “described in subsection (1)” of section 224 is exempted from the otherwise applicable prohibition of that subsection if possession is federally approved.

It could be argued that the Legislature’s use of the phrases “machine gun” and “device, weapon, cartridge, container, or contrivance,” which initially appear in subsection (1)(a) and (e), and then are repeated in subsection (3)(c), evidence its intent to restrict the exception to the enumerated items in (1)(a) and (e). Under this argument, the prohibition of subsection (1) would not apply based on the exception of subsection (3)(c) for a person licensed by the Department of Alcohol, Tobacco, Firearms and Explosives to possess, manufacture, or sell a “machine gun,” see (1)(a), or for a “device, weapon, cartridge, container, or contrivance *designed to render a person temporarily or permanently disabled by the ejection, release, or emission of a gas or other substance*,” see (1)(e) (emphasis added). A silencer does not fit either category, and thus, under this reading, would not be exempt from prohibition.

But this interpretation assumes that the Legislature mistakenly omitted from subsection 3(c) language it placed in subsection 1(e). Alternatively, it requires assuming that the Legislature intended “described in subsection (1)” to mean “described in subsection 1(e).” But under basic principles of statutory interpretation, language cannot be added to a statutory provision that the Legislature did not itself include. *Empire Iron Mining Partnership v Orhanen*, 455 Mich 410, 423; 565 NW2d 844 (1997); *Farrington v Total Petroleum, Inc.*, 442 Mich 201, 210; 501 NW2d 76 (1993). Moreover, an interpretation that the Legislature intended to limit the “subsection (1)” exception to subsection 1(e) would require persons wishing to acquire any devices that disable a person through the ejection or release of a “gas or other substance” to secure a federal permit in order to qualify for

⁸ In OAG, 1977-1978, No 5210, p 189 (August 10, 1977), the Attorney General opined that MCL 750.224 prohibited a person from possessing either an automatic weapon or a weapon equipped with a silencer. However, section 224 has undergone various amendments since that time, and these changes to the law supersede that opinion. See 1978 PA 564; 1980 PA 346; 1991 PA 33.

FIREARMS LAWS OF MICHIGAN

the exception, which is not possible since the National Firearms Act does not generally regulate such devices, unless they are in the form of a poison gas bomb, missile, grenade, etc. 28 USC 921 and 922. A fundamental rule of statutory construction is that the Legislature did not intend to do a useless thing. *Girard v Wagenmaker*, 437 Mich 231, 244; 470 NW2d 372 (1991). Accordingly, the better reasoned interpretation, and the interpretation consistent with the rules of statutory construction that guide this office and the courts, is that a silencer is a “device” exempt from the prohibition of subsection 1 under the plain language of subsection 3(c).

It is my opinion, therefore, that the possession, manufacture, or sale of a firearm silencer is permitted in Michigan under MCL 750.224(1)(b) if the person is licensed or approved to possess, manufacture, or sell such a device by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives, as required by MCL 750.224(3)(c). Possession, manufacture, or sale of a firearm silencer by an unlicensed or unapproved person is a felony, punishable by up to five years imprisonment under MCL 750.224(2).

FIREARMS ACT: Exemptions for residents and nonresidents from pistol licensing requirements.

LICENSES AND PERMITS:

CONCEALED WEAPONS:

A resident of another state who holds a license to carry a pistol concealed upon his or her person issued by a state other than Michigan is exempt under subsection 12(1)(f), MCL 28.432(1)(f), of the Firearms Act, from obtaining a license to purchase, carry, possess, or transport a pistol as required by section 2, MCL 28.422, of the Act. A Michigan resident who holds a concealed pistol license issued by another state is exempt under subsection 12(1)(f), MCL 28.432(1)(f), of the Firearms Act, from obtaining a license to purchase, carry, possess, or transport a pistol as required by section 2, MCL 28.422, but is not exempt from obtaining a concealed pistol license under section 5b, MCL 28.425b, of the Act, in order to carry a concealed pistol in Michigan.

The Honorable Mike Nofs
State Senator
The Capitol
Lansing, MI 48909

The Honorable Lee Chatfield
State Representative
The Capitol
Lansing, MI 48909

You have asked whether a person who holds a concealed pistol license issued by a state other than Michigan is exempt from the requirement to register his or her handgun in Michigan.¹

The Firearms Act (Act), 1927 PA 372, as amended, MCL 28.421 *et seq.*, regulates the possession and carrying of certain firearms by Michigan residents, and, to some extent, by residents of another state while in Michigan. As explained below, the Act provides for a general licensing requirement for people who wish to purchase, carry, possess, or transport regulated firearms, and a specific licensing requirement for those who want to carry a concealed pistol. Both licensing schemes are implicated by your question, so a brief summary of each follows.

I. Pistol licensing

Section 2 of the Firearms Act, MCL 28.422, provides that “[e]xcept as otherwise provided in this act, a person shall not purchase, carry, possess, or transport a pistol in this state *without first having obtained a license for the pistol as prescribed in this section.*” (Emphasis added).² Subsection 2(3) provides that an “applicant” will be “qualified” to receive a “license” if certain criteria are met. MCL 28.422(3).

First, the person cannot be the subject of an order or disposition issued under various statutes, including personal protection orders, orders requiring involuntary hospitalization, or orders adjudging an individual as legally incapacitated. MCL 28.422(3)(a)(i)-(vii). Second, the person must be “18 years of age or older” or “21 years of age or older” if the “seller is licensed under 18 USC 923,” a federal law. MCL 28.422(3)(b). Third, the person must be “a citizen of the United States or an alien lawfully admitted into the United States and [] a legal resident of this state.” MCL 28.422(3)(c). Fourth, the person must not have a felony or a criminal charge listed in section 5b of the Act, MCL 28.425b, pending against him or her at the time of application. MCL 28.422(3)(d).³ Fifth, the person must not be prohibited from “possessing, using, transporting, selling, purchasing, carrying, shipping, receiving, or distributing a firearm under . . . MCL 750.224f,” the felon in possession of a firearm statute. MCL 28.422(3)(e). Sixth, the person “has not been adjudged insane in this state or elsewhere unless he or she has been adjudged restored to sanity by court order.” MCL 28.422(3)(f). Seventh, the person “is not under an order of involuntary commitment in an inpatient or outpatient setting due to mental illness.” MCL 28.422(3)(g). And eighth, the “person has not been adjudged legally incapacitated in this state or elsewhere. This subdivision does not apply to a person who has had his or her legal capacity restored by order of the court.” MCL 28.422(3)(h).

¹ Your request uses the term “handgun.” While federal law uses the term “handgun,” see 18 USC 921a(29), relevant Michigan law uses the term “pistol.” This opinion thus uses the term “pistol.”

² A “pistol” is defined as “a loaded or unloaded firearm that is 26 inches or less in length, or a loaded or unloaded firearm that by its construction and appearance conceals it as a firearm.” MCL 28.421(1)(i). Like pistols, a short-barreled shotgun or short-barreled rifle that is 26 inches or less in length is subject to section 2, MCL 28.422, or section 2a, MCL 28.422a, whichever is applicable. MCL 750.224b(4).

³ Subsection 5b(7), MCL 28.425b(7), contains an extensive list of misdemeanors that can effect an applicant’s ability to obtain a license to purchase or acquire a pistol or a concealed pistol license.

FIREARMS LAWS OF MICHIGAN

In addition to these requirements, another section of the Firearms Act specifies that “[a] license shall not be issued to an applicant under section 2 . . . unless . . . [t]he issuing agency has determined through the federal national instant criminal background check system (NICS) that the applicant is not prohibited under federal law from possessing or transporting a firearm.” MCL 28.426.⁴

Any person meeting all the criteria must fill out an application for a license and sign it under oath, and in return will receive a license to purchase a pistol (often referred to as a pistol purchase permit) signed by the licensing authority (the local police department or county sheriff). MCL 28.422(3)-(4). This license to purchase is void unless used within 30 days. MCL 28.422(4). At the time the person “purchases or otherwise acquires a pistol, the seller shall fill out the license forms describing the pistol, together with the date of sale or acquisition, and sign his or her name in ink indicating that the pistol was sold to or otherwise acquired by the purchaser. The purchaser shall also sign his or her name in ink indicating the purchase or other acquisition of the pistol from the seller.” MCL 28.422(5) (emphasis added).

The person purchasing or otherwise acquiring the pistol must then return a copy of the completed license to the local police department or county sheriff within 10 days of the purchase or acquisition. *Id.* Within 10 days of receiving the completed license from the purchaser, the local police department or county sheriff must enter the information into the pistol entry database or otherwise provide the information to the Department of State Police. MCL 28.422(6). And within 48 hours of entering the information in the database or otherwise providing it to the State Police, the local police department or county sheriff must forward a copy of the completed license to the State Police. *Id.* Thereafter, “[t]he licensee may carry, use, possess, and transport the pistol for 30 days beginning on the date of purchase or acquisition only while he or she is in possession of his or her copy of the license.” *Id.* After the 30 days, “the person is not required to have the license in his or her possession while carrying, using, possessing, or transporting the pistol . . .” *Id.*

Under the Michigan Penal Code, Chapter 37, Firearms, 1931 PA 328, MCL 750.222 *et seq.*, it is a misdemeanor for a person to “obtain” a pistol in violation of section 2, MCL 28.422. MCL 750.232a(1). A person who makes a false statement on an application to purchase a pistol under section 2, MCL 28.422, is guilty of a felony. MCL 750.232a(3). In addition, a person who “knowingly sells a pistol without complying with section 2” is guilty of a misdemeanor. MCL 750.223.

II. Concealed pistol licensing

Subsection 227(2) of the Michigan Penal Code, MCL 750.227(2), generally prohibits the carrying of a pistol concealed upon a person’s body without a license:

A person shall not carry a pistol concealed on or about his or her person . . . except in his or her dwelling house, place of business, or on other land possessed by the person, without a license to carry the pistol as provided by law and if licensed, shall not carry the pistol in a place or manner inconsistent with any restrictions upon such license. [Emphasis added.]

A person who violates this subsection is guilty of a felony. MCL 750.227(3).

Consistent with the language of subsection 227(2), subsection 231a(1)(a) expressly provides that the prohibition regarding concealed carry does not apply “[t]o a person holding a valid license to carry a pistol concealed upon his or her person issued by his or her state of residence except where the pistol is carried in nonconformance with a restriction appearing on the license.” MCL 750.231a(1)(a).⁵

As noted above, the Firearms Act sets forth the licensing scheme for carrying a concealed pistol in Michigan. See MCL 28.421a (“It is the intent of the legislature to create a standardized system for issuing concealed pistol licenses . . .”). Section 5b of the Firearms Act, MCL 28.425b, prescribes the requirements for obtaining such a license. A person must apply for a license by filling out an application and providing the required information, including that: the applicant meets the requirements for licensure; the applicant authorizes access to certain personal records, like medical records; the applicant discloses relevant mental health history, along with any felony convictions and specific misdemeanors; and the applicant discloses whether the person was dishonorably discharged from the military. MCL 28.425b(1)(a)-(f). The applicant must also provide a certificate stating that he or she has completed pistol safety training as required by the Act. MCL 28.425b(1)(j); MCL 28.425b(7)(c). Applications are then returned to the relevant county clerk. MCL 28.425b(1).⁶

After the applicant submits a completed application, pays the required fee, MCL 28.425b(5), and has fingerprints taken, MCL 28.425b(9), the Department of State Police verifies whether the applicant meets certain requirements for licensure. MCL 28.425b(6). The requirements are similar to those stated above for receiving a license to purchase or acquire a pistol

⁴ If the applicant is not a United States citizen, the licensing agency must also verify “through the United States immigration and customs enforcement databases that the applicant is not an illegal alien or a nonimmigrant alien.” MCL 28.426(b). These requirements also apply to applicants for a concealed pistol license under section 5b, MCL 28.425b. See MCL 28.426.

⁵ The Michigan Penal Code also exempts other individuals, see MCL 750.231, or certain circumstances, see MCL 750.231a(1)(b)-(e), from subsection 227(2)’s concealed carry prohibition.

⁶ Public Act 3 of 2015 abolished county concealed weapon licensing boards and transferred the duties to county clerks.

FIREARMS LAWS OF MICHIGAN

under section 2, but the applicant must be at least 21 years of age; reside in Michigan for at least six months;⁷ have completed the required training; not be dishonorably discharged from the military; and have no felony convictions or pending felony charges and no convictions or pending charges for certain misdemeanors within 3 or 8 years preceding the application. MCL 28.425b(7)(a)-(m). The person must also have a valid state-issued driver license or personal identification card. MCL 28.425b(7)(n). The person seeking licensure must also submit fingerprints, which are sent to the Department of State Police and the Federal Bureau of Investigation for review. MCL 28.425b(1), (9)-(10).

If an applicant does not meet the requirements of subsection 5b(7), the license must be denied. MCL 28.425b(11). The license generally must be granted or denied within 45 days after the applicant has classifiable fingerprints taken, and if denied, the applicant must be informed of the reason for the denial and the right to appeal. MCL 28.425b(13)-(14). If the license is granted, it “authorizes the licensee” to “[c]arry a pistol concealed on or about his or her person anywhere in this state,” and in “a vehicle, whether concealed or not concealed, anywhere in this state” except as otherwise provided by section 5o, MCL 28.425o, and other laws. MCL 28.425c(3)(a)-(b).

III. Interplay between pistol licensing and concealed pistol licensing

Subsection 2a(1) of the Firearms Act, MCL 28.422a(1), provides that certain “individuals are not required to obtain a license under section 2 to purchase, carry, possess, use, or transport a pistol[.]” The exemptions include “[a]n individual licensed under section 5b” to carry a concealed pistol. MCL 28.422a(1)(a).⁸ In that case, if a person licensed to carry a concealed pistol purchases or otherwise acquires a pistol, the seller records the purchase information on a record (presently called a pistol sales record), including the purchaser’s concealed weapon license number, and the purchaser must return a copy of the record to his or her local police department or county sheriff within 10 days of the purchase or acquisition. MCL 28.422a(2).

Within 10 days of receiving the pistol sales record from the purchaser, the local police department or county sheriff must enter the information into the pistol entry database or otherwise provide the information to the Department of State Police. MCL 28.422a(3). Within 48 hours of entering the information in the database or otherwise providing it to the State Police, the local police department or county sheriff must forward a copy of the record to the State Police. *Id.* “The purchaser may carry, use, possess, and transport the pistol for 30 days beginning on the date of purchase or acquisition only while he or she is in possession of his or her copy of the record.” *Id.* After the 30 days, “the person is not required to have the record in his or her possession while carrying, using, possessing, or transporting the pistol . . .” *Id.* Thus, section 2a, MCL 28.422a, relieves Michigan concealed pistol license holders of the obligation to obtain a license to purchase a pistol under section 2. Nevertheless, the purchase or acquisition information is shared with law enforcement just as in a purchase or acquisition under section 2.

IV. Application of pistol licensing requirements to a person holding a concealed pistol license from another state

You ask whether “an individual who holds a concealed pistol license from a state other than Michigan [is] exempt from the requirement to register” his or her pistol in Michigan. The word “register” is understood as referring to the general licensing requirements set forth in section 2 of the Act, which includes a pistol registration component, as discussed above. You also note that this question “arises from the exemption offered in MCL 28.432(1)(f)[.]”

Again, section 2 sets forth a general licensing requirement for the purchase, possession, carrying, and transporting of a pistol in Michigan. Section 2 itself provides exemptions to the licensing requirement for various individuals. See MCL 28.422(7) (dealers who purchase from wholesalers; persons who sell or exchange antique firearms); 422(9) (nonresidents); 422(12) (persons under age 18 at a target range or shooting facility); 422(13) (other persons at target range or shooting facility).

In addition, section 2a provides exemptions to the licensing requirement. See MCL 28.422a(1)(a) (individual with concealed pistol license under section 5b, with certain exceptions); 422a(1)(b) (federally licensed firearms dealer); 422a(1)(c) (individual who purchases a pistol from a federally licensed firearms dealer in compliance with 18 USC 922(t)); 422a(1)(d) (individual employed as a police officer and licensed or certified under 1965 PA 203).

And finally, section 12 of the Act, MCL 28.432, establishes other exemptions to section 2. Section 12 provides that “[s]ection 2 does not apply to any of the following,” and it sets forth a number of entities and individuals, including:

A United States citizen holding a license to carry a pistol concealed upon his or her person issued by another state. [MCL 28.432(1)(f).]

The question is who is exempted from complying with section 2 under the plain language of subsection 12(1)(f)—a resident of another state, a resident of Michigan, or both. Because your request does not expressly identify whether the person at issue is a resident of Michigan or of another state, both scenarios are addressed.

⁷ The six months applies unless an emergency concealed pistol license is sought or, at the time the applicant’s residence in Michigan is established, the applicant has a valid concealed pistol license issued by another state. MCL 28.425b(7)(b).

⁸ That exemption, however, does not include “an individual who has an emergency license issued under section 5a(4) or a receipt serving as a concealed pistol license under section 5b(9) or 5(3).” MCL 28.422a(1)(a).

A. Resident of another state

When interpreting a statute, the primary rule of construction is to discern and give effect to the Legislature’s intent, the most reliable indicator of which is the clear and unambiguous language of the statute. *Jespersion v Auto Club Ins Ass’n*, 499 Mich 29, 34 (2016). The language must be enforced as written, giving effect to every word, phrase, and clause. *Id.*

Subsection 12(1)(f) plainly applies to a United States citizen residing in another state who holds a license to carry a concealed pistol, whether issued by the person’s state of residence or by state other than Michigan.⁹ This exemption is consistent with section 2’s internal exemption from its requirements for nonresidents, except section 2 requires the nonresident to be licensed to purchase, carry, or transport a pistol by that individual’s “state of residence.” MCL 28.422(9).¹⁰

It is my opinion, therefore, that a resident of another state who holds a license to carry a pistol concealed upon his or her person issued by that state or a state other than Michigan is exempt under subsection 12(1)(f), MCL 28.432(1)(f), of the Firearms Act, from obtaining a license to purchase, carry, possess, or transport a pistol as required by section 2, MCL 28.422, of the Act.

B. Resident of Michigan

For purposes of licensing under section 2, “a person is considered a legal resident” of Michigan if (1) the person has a valid, lawfully obtained Michigan driver license or personal identification card; or (2) the person is lawfully registered to vote in Michigan; or (3) the person is on active duty status with the United States armed forces and is stationed outside of Michigan, but the person’s home of record is in Michigan; or (4) the person is on active duty with the United States armed forces and is permanently stationed in Michigan, but the person’s home of record is in another state. MCL 28.422(3)(c)(i)-(iv).¹¹

Assuming an individual is a resident of Michigan for purposes of section 2, the question is whether the resident’s possession of a concealed pistol license from a state other than Michigan exempts the resident from obtaining a license to possess, purchase, carry, or transport a pistol in Michigan under section 2.

“When the plain and ordinary meaning of statutory language is clear, [] construction is neither necessary nor permitted.” *Pace v Edel-Harrelson*, 499 Mich 1, 6 (2016). The language of subsection 12(1)(f) is plain; it applies to a “United States citizen holding a license to carry a pistol concealed upon his or her person issued by another state.” MCL 28.432(1)(f). A Michigan resident with an out-of-state concealed pistol license who is also a United States citizen falls within this broad language and is exempt from section 2’s licensing requirements. This conclusion is consistent both with the Act’s treatment of Michigan residents with Michigan concealed pistol licenses, and with the legislative history of subsection 12.

Statutory provisions “ ‘are not to be read in isolation; rather, context matters, and thus statutory provisions are to be read as a whole.’ ” *McCahan v Brennan*, 492 Mich 730, 740 (2012), quoting *Robinson v City of Lansing*, 486 Mich 1 (2010). Context confirms the plain meaning of section 12(1)(f). As noted above, section 2a exempts a Michigan resident with a Michigan concealed pistol license from the licensing requirements of section 2. MCL 28.422a(1)(a).¹² This exemption is rational. As discussed above in Parts I and II, section 5b’s licensing requirements for concealed pistol licenses are more rigorous than those for section 2 licenses to purchase or otherwise acquire a pistol. See MCL 28.425b(1)(a)-(j), (7), (9). In other words, if a Michigan resident has met the requirements for obtaining a Michigan concealed pistol license, the resident has met the requirements of section 2 as well. In addition, pistol purchase or acquisition information is recorded for Michigan concealed pistol license holders as it is for section 2 license holders. See MCL 28.422(4)-(6) and 28.422a(2)-(3).

The rationale for exempting a Michigan resident with an *out-of-state* concealed pistol license from section 2 is presumably the same—that the Michigan resident will have essentially met Michigan’s section 2 licensing requirements in the process of obtaining his or her out-of-state concealed pistol license. See, e.g., *People v Miller*, 238 Mich App 168, 171 (1999) (“Apparently, the intent of the Legislature was to accept as a satisfactory alternative the application, investigation, and licensing scheme of some other state, in lieu of similar procedures required by Michigan law.”).¹³ It should be noted that for this exemption to apply, the Michigan resident must possess an actual license from another state. OAG, 1930-1932, pp 568, 570 (May 10, 1932) (“A license to carry a pistol by another state is necessary.”). See, e.g., *Miller*, 238 Mich App at 171 (“another state’s legislative scheme that does not require any license whatsoever being issued is insufficient to trigger the exclusion of the Michigan statute”).

⁹ There are 30 states that will issue concealed pistol (or concealed carry) licenses to nonresidents, including Ohio, Indiana, Illinois, Minnesota, and Pennsylvania. See <http://www.handgunlaw.us/documents/NonResidentPermits.pdf>, (last accessed June 14, 2018).

¹⁰ Section 2’s exemption for nonresidents with a license from their state of residence does not apply if the nonresident’s visit exceeds 180 days. MCL 28.422(9)(e).

¹¹ Section 5b also requires persons to be residents of Michigan in order to obtain a concealed pistol license. See MCL 28.425b(7)(b)(i)-(iv).

¹² MCL 28.422a(1)(a) provides that “[t]he following individuals are not required to obtain a license under section 2. . . . [a]n individual licensed under section 5b, except for an individual who has an emergency license issued under section 5a(4) or a receipt serving as a concealed pistol license under section 5b(9) or 5l(3).”

¹³ Given the wide variety of licensing schemes, this may or may not be true depending upon the laws of the licensing state.

FIREARMS LAWS OF MICHIGAN

The history of section 12, MCL 28.432, further supports this conclusion. A precursor to section 12 appeared in Public Act 313 of 1925. But instead of providing an exemption from licensing, section 6 of that Act provided that a Michigan concealed pistol license could “be issued . . . to any person having a bona fide residence or place of business within the United States, and holding a license to carry [a pistol] concealed upon his person, issued by the authorities of the United States.” 1925 PA 313, section 6.

Public Act 313 was repealed by 1927 PA 372, Michigan’s current Firearms Act. As enacted, section 12 of Public Act 372 addressed both section 2 and section 5 licensing, and set forth many of the exceptions found in the Act today, including language similar to subsection 12(1)(f):

The provisions of section two [pistol licensing], . . . [and] five [concealed pistol licensing] . . . shall not apply to . . . a person licensed to carry a pistol concealed upon his person issued by another state . . .

This section was codified at CL 1929, § 16761, then again at CL 1948, 28.432.

Section 12 was first amended by Public Act 216 of 1964. Public Act 216 amended section 12 and added section 12a. Section 12 continued to set forth the exemptions from section 2’s pistol licensing requirements, including the exemption for a person with a concealed pistol license from another state. New section 12a set forth exemptions from the concealed pistol licensing requirements, which included a parallel exemption for “[a] person licensed to carry a pistol concealed upon his person issued by another state[.]” See 1964 PA 216, MCL 28.432a.

Section 12a’s language was later interpreted by Attorney General Frank Kelley in OAG, 1993-1994, No. 6798, p 144 (May 16, 1994). Attorney General Kelley analyzed section 12a and MCL 750.231a, which exempted “a person holding a valid license to carry a pistol concealed upon his or her person issued by another state” from prosecution for carrying a concealed weapon under MCL 750.227. The Attorney General concluded that this language did not apply to Michigan residents with out-of-state concealed pistol licenses in light of the Act’s numerous and specific licensing requirements because this would “permit Michigan residents to avoid them by obtaining a concealed pistol license in another state that may not impose many of the Michigan requirements.” *Id.* at 146.

This opinion was cited with approval in *People v Williams*, 226 Mich App 568, 570-571 (1997), which also interpreted MCL 750.231a and similarly concluded that the “person holding a valid license to carry a pistol concealed upon his or her person issued by another state” language did not apply to a Michigan resident in possession of an out-of-state concealed pistol license. Otherwise, a Michigan resident could avoid Michigan’s “strict criteria” by obtaining a license from another state. *Id.* at 571-572.¹⁴

Importantly, neither OAG 6798 nor the *Williams* Court examined or even mentioned the language of section 12, MCL 28.432.

Not long after *Williams*, the Legislature amended section 12a in Public Act 381 of 2000. Public Act 381 amended section 12a to provide its current exemption for “[a] resident of another state who is licensed by that state to carry a concealed pistol.” MCL 28.432a(h). This amendment conformed the exemption in section 12a to the interpretation given it in *Williams*.

Section 12 was also amended by Public Act 381. Before its amendment, section 12 provided that section 2 did not apply to “a person holding a license to carry a pistol concealed upon his person issued by another state . . .” Public Act 381 substituted the term “United States citizen” for “person” in section 12(1)(f). MCL 28.432(1)(f). But unlike section 12a, section 12 was not amended to conform to the *Williams* Court’s interpretation.

“[W]hen enacting legislation, the Legislature is presumed to be fully aware of existing laws, including judicial decisions.” *Alvan Motor Freight, Inc v Dep’t of Treasury*, 281 Mich App 35, 41 (2008). Under this principle, it is presumed that the Legislature was aware of both section 12’s longstanding exemption from section 2 licensing and the *Williams* decision interpreting similar language in section 12a. These facts, along with the Legislature’s failure to similarly amend section 12 at the same time it amended section 12a in Public Act 381, confirms that the Legislature did not intend section 12(1)(f) to be limited to nonresidents. Rather, Michigan residents who are also United States citizens may invoke the exemption.¹⁵

The purpose of section 2 along with section 5b is the creation of a comprehensive licensing scheme regarding the possession of pistols by Michigan residents. Some might argue that allowing a Michigan resident to opt out of section 2 licensing based on the person’s possession of an out-of-state concealed pistol license is at odds with that purpose, particularly where even nonresidents staying in Michigan must comply with section 2 after the expiration of 180 days. MCL 28.422(9). But the language of section 12(1)(f) is expansive and includes Michigan residents. If this interpretation is not the intended result, the Legislature is certainly free to amend the Act accordingly.¹⁶

¹⁴ See also *Urbanik v Attorney General*, unpublished memorandum opinion by the Michigan Court of Appeals, (Docket No. 202126), decided April 3, 1998 (similarly interpreting MCL 28.432a).

¹⁵ Unlike other sections of the Act, section 12(1)(f) has not been amended to address lawfully admitted aliens. See MCL 28.422(3)(c), 28.425b(7)(b); see also *Chan v City of Troy*, 220 Mich App 376 (1996) (holding as unconstitutional under the federal Equal Protection Clause section 2’s United States citizenship requirement for licensing to the extent it excluded lawfully admitted aliens).

¹⁶ This opinion does not address whether Michigan residents who hold a concealed pistol license from another state, and others who are exempt from section 2 under section 12, must comply with the requirements of section 2a(2).

FIREARMS LAWS OF MICHIGAN

To be clear, while a Michigan resident in possession of a concealed pistol license from another state is exempt from section 2's requirements, possession of that license does not entitle the Michigan resident to carry a concealed pistol in Michigan. Rather, a Michigan resident must obtain a Michigan concealed pistol license to carry concealed in Michigan. MCL 28.425b(7); 28.432a(h). Nonetheless, a Michigan resident with an out-of-state concealed pistol license under section 12(1)(f) may lawfully transport a pistol in a vehicle in Michigan, because such a resident is in compliance with section 2 by virtue of the exemption in section 12. See MCL 750.227(2); 750.231a(1)(a), (d), and (e).

It is my opinion, therefore, that a Michigan resident who holds a concealed pistol license issued by another state is exempt under subsection 12(1)(f), MCL 28.432(1)(f), of the Firearms Act from obtaining a license to purchase, carry, possess, or transport a pistol as required by section 2, MCL 28.422, but is not exempt from obtaining a concealed pistol license under section 5b, MCL 28.425b, of the Act, in order to carry a concealed pistol in Michigan.

Sincerely,
BILL SCHUETTE

FIREARMS LAWS OF MICHIGAN

Opinion No. 7311
May 11, 2020

MICHIGAN STATE CAPITOL HISTORIC SITE ACT: Prohibiting firearms on the Capitol grounds and inside the Capitol building.

MICHIGAN CAPITOL COMMISSION:

FIREARMS:

The Michigan State Capitol Commission has the authority to prohibit firearms in the areas under its control, which include the inside of the Capitol building, pursuant to 2013 PA 240, MCL 4.1941 et seq.

The Honorable Christine Greig
State Representative
The Capitol
Lansing, MI 48909

You have asked whether the Michigan State Capitol Commission is vested with the authority to prohibit firearms in the areas under its control.

The Michigan State Capitol Commission was created by the Michigan State Capitol Historic Site Act (Act), 2013 PA 240, MCL 4.1941 *et seq.* Under the Act, “the Michigan state capitol historic site¹ shall be under the exclusive control of the commission,” which shall “operate and manage the Michigan state capitol historic site.” MCL 4.1944(3) (footnote added); MCL 4.1946(1)(a). The only limitation on this broad authority that is expressed in the statute is that the Commission “shall not exercise control over the internal decisions of the senate or the house of representatives related to the allocation of space in the state capitol building or the state capitol building parking lot, including legislative or staff offices.” MCL 4.1946(2).

Although it is clear the Commission is vested with the general authority to “operate and manage” the Capitol grounds and the Capitol building, your question pertains to whether this authority includes the specific power to regulate firearms. In furtherance of its statutory obligations, the Capitol Commission previously approved “Procedures for the Use of the Public Areas of the Michigan State Capitol.”² This publication enumerates various procedures to ensure the protection of the Capitol grounds and Capitol building, as well its employees and visitors. These procedures include certain restrictions on the time, place and manner of gatherings and demonstrations. But, to date, the Commission has imposed no restrictions on firearms. The absence of such restrictions has led to unscreened, armed persons congregating on the Capitol grounds and entering the Capitol building and seating themselves in the public galleries above the chambers of the Legislature. This has occurred even during times of protest and demonstration outside the Capitol building and moments of controversial debate on the legislative floors inside the Capitol building—situations when emotions and passions are known to run high. Obviously, this is a potentially dangerous combination.

The U.S. Supreme Court has held that although individuals have a right under the Second Amendment³ to possess a firearm, “[l]ike most rights, the right secured by the Second Amendment is not unlimited.” *District of Columbia v Heller*, 554 US 570, 626 (2008). It is “not a right to keep and carry any weapon whatsoever in any manner whatsoever and for whatever purpose.” *Id.* In fact, *Heller* recognized the validity of “laws forbidding the carrying of firearms in sensitive places such as . . . government buildings . . .”.

In Michigan, the concept of “open carry” does not provide the unfettered right to bring firearms into any public space. Numerous restrictions already exist on openly carrying firearms in public places. See e.g., MCL 750.234d (listing various premises, such as a court, church, and hospital, where “a person shall not possess a firearm”); MCL 750.237a (providing for “[w]eapon free school zones”). Although holders of a concealed pistol license (CPL) are exempted from some of these restrictions, even a CPL is not without its limitations. See MCL 28.425o.⁴ Relevant to this authority, the Court of Appeals affirmed the University of Michigan’s ordinance barring all weapons on university property. See *Wade v Univ of Michigan*, 320 Mich App 1, 6, 16, 22 (2017) (noting the “unique character of the University Board of Regents and its exclusive authority over the management and control of its institution”), app pending, 926 NW2d 806 (2019).

¹ “The Michigan state capitol historic site consists of the state capitol building in Lansing and the grounds of the state capitol building bounded by Ottawa [S]treet on the north, Allegan [S]treet on the south, Capitol [A]venue on the east, and Walnut [S]treet on the west.” MCL 4.1944(2).

³ The Second Amendment provides: “A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.” US Const, Am II.

⁴ MCL 28.425o is not an exhaustive list of prohibitions. MCL 28.425c(3) (“Subject to section 5o and except as otherwise provided by law...”) (emphasis added).

FIREARMS LAWS OF MICHIGAN

Significantly, the other limitations to MCL 28.425o need not be statutory. For example, the Michigan Supreme Court, by administrative order, has prohibited “[w]eapons . . . in any courtroom, office, or other space used for official court business . . . unless the chief judge or other person designated by the chief judge has given prior approval consistent with the court’s written policy.” Administrative Order 2001-1. This administrative order and similar circuit court orders have been cited by the Michigan Court of Appeals without questioning the legal basis for these limitations. See *Michigan Open Carry Inc v Clio Area School Dist*, 318 Mich App 356, 373 (2016) (“Despite that MCL 750.234d(2)(c) permits concealed weapon holders to carry concealed weapons in ‘[a] court,’ our Supreme Court has promulgated an administrative order barring the presence of *all* weapons in court facilities unless approved by the chief judge Many circuit courts have issued their own policies banning the presence of weapons. See, e.g., Oakland County Circuit and Probate Courts, Joint Administrative Order No. 2012–06J[.]” emphasis in original). The issuance of such policies is consistent with the analysis and informal guidance provided by this office in 2018. See Informational Letter from Chief Legal Counsel to Representative Lee Chatfield, dated February 1, 2018, p 10 (“some state agencies . . . might impose limitations on possession of a firearm in restricted areas of government buildings”).⁵

In addition to being an example of a non-statutory, broad, prohibition on carrying a firearm, the Supreme Court’s administrative order is significant for another reason. It illustrates why the Commission is not barred from regulating firearms by virtue of MCL 123.1102, which states that “[a] local unit of government” generally may not regulate the possession of firearms. For purposes of MCL 123.1102, a “local unit of government” means “a city, village, township, or county.” MCL 123.1101(b). The Michigan Supreme Court has general superintending control over all courts,⁶ most of which are located within a city, village, township, or county. If the Michigan Supreme Court, with its extensive municipal reach, is not a “local unit of government,” then the Commission is likewise not a local unit of government. Rather, it is the caretaker of the Capitol—the hub of democracy for all Michiganders.

This conclusion is borne out not only by comparing the nature of the Commission to the nature of the Michigan Supreme Court, but also by applying the Court’s precedent. The “local unit of government” language was addressed in *Michigan Gun Owners, Inc v Ann Arbor Public Schools*, 502 Mich 695 (2018). In that case, the Court upheld the school district’s firearms regulations by acknowledging that “while MCL 123.1102 expressly preempts regulation of firearms by a city, village, township, or county, it does not apply to school districts, which are left out of the Legislature’s list.” *Id.* at 704. According to the Court, “because MCL 123.1102 and MCL 123.1101 show the Legislature’s intent to preempt some local units of government from regulation but not others, that intent controls.” *Id.* at 707. Thus, a non-local unit of government, or at least a unit of government that is not a “city, village, township, or county,” may lawfully impose restrictions on carrying firearms.

The Commission is not a city, village, township, or county. It is a statutorily-created instrumentality of state government, vested with the exclusive, broad, authority to “operate and manage” the Capitol site. As the Commission has previously recognized in approving procedures for the use of the public areas of the Capitol, this grant of authority includes not only the obligation to care for and protect the Capitol grounds and facilities, but also the obligation to care for and protect the safety of those working in and visiting the Capitol grounds and facilities. And in fulfilling that obligation, the Commission, like the Michigan Supreme Court, is not prohibited from placing restrictions on carrying firearms at facilities under its control.

It is my opinion, therefore, that the Michigan State Capitol Commission has the authority to prohibit firearms in the areas under its control, which include the inside of the Capitol building, pursuant to 2013 PA 240, MCL 4.1941 *et seq.*

Sincerely,
DANA NESSEL
Attorney General
